

Count Reduction in CVD Deaths for Alabama and Female

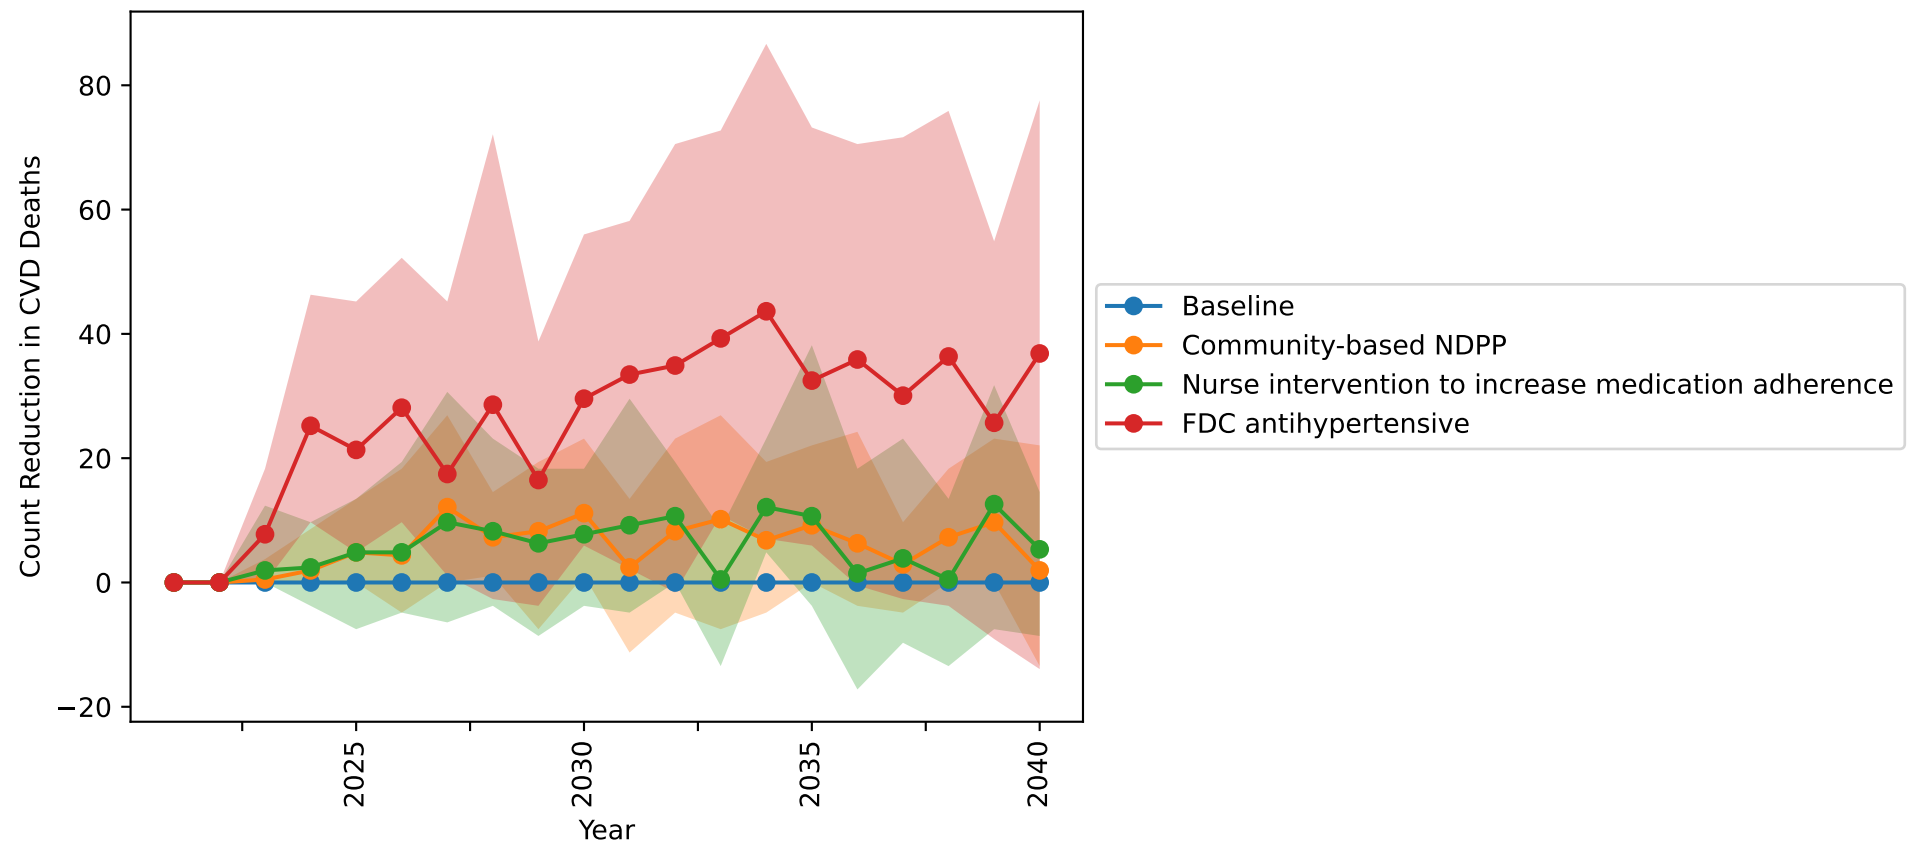

Count Reduction in CVD Deaths for Alabama and Male

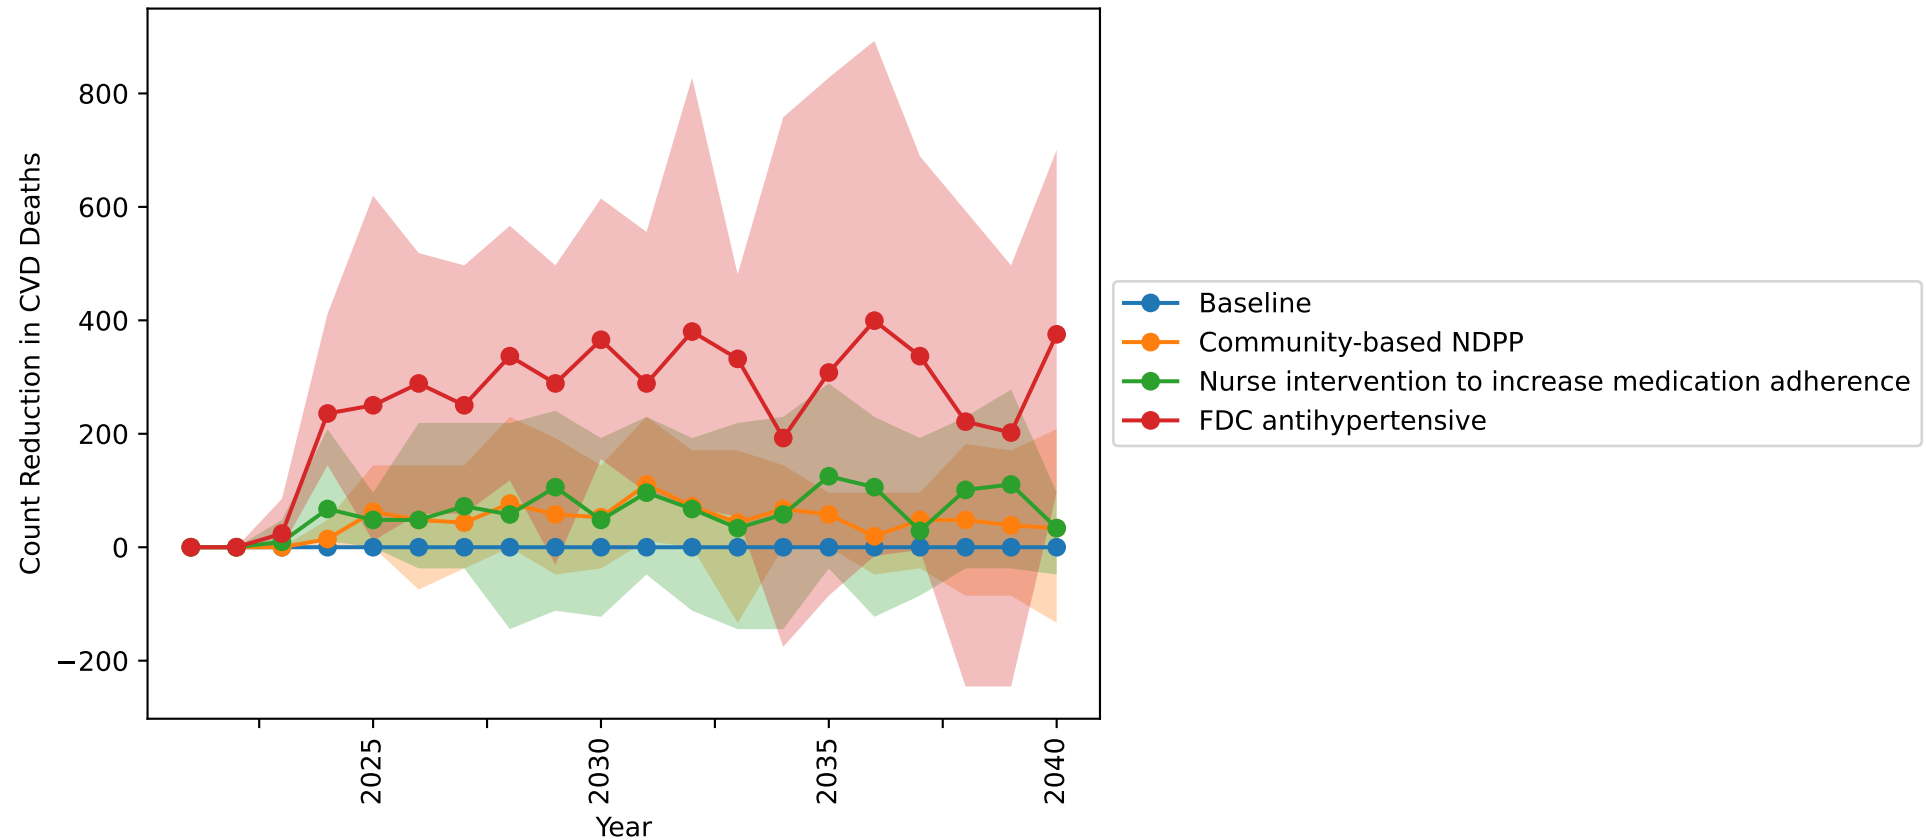

Count Reduction in CVD Deaths for Alaska and Female

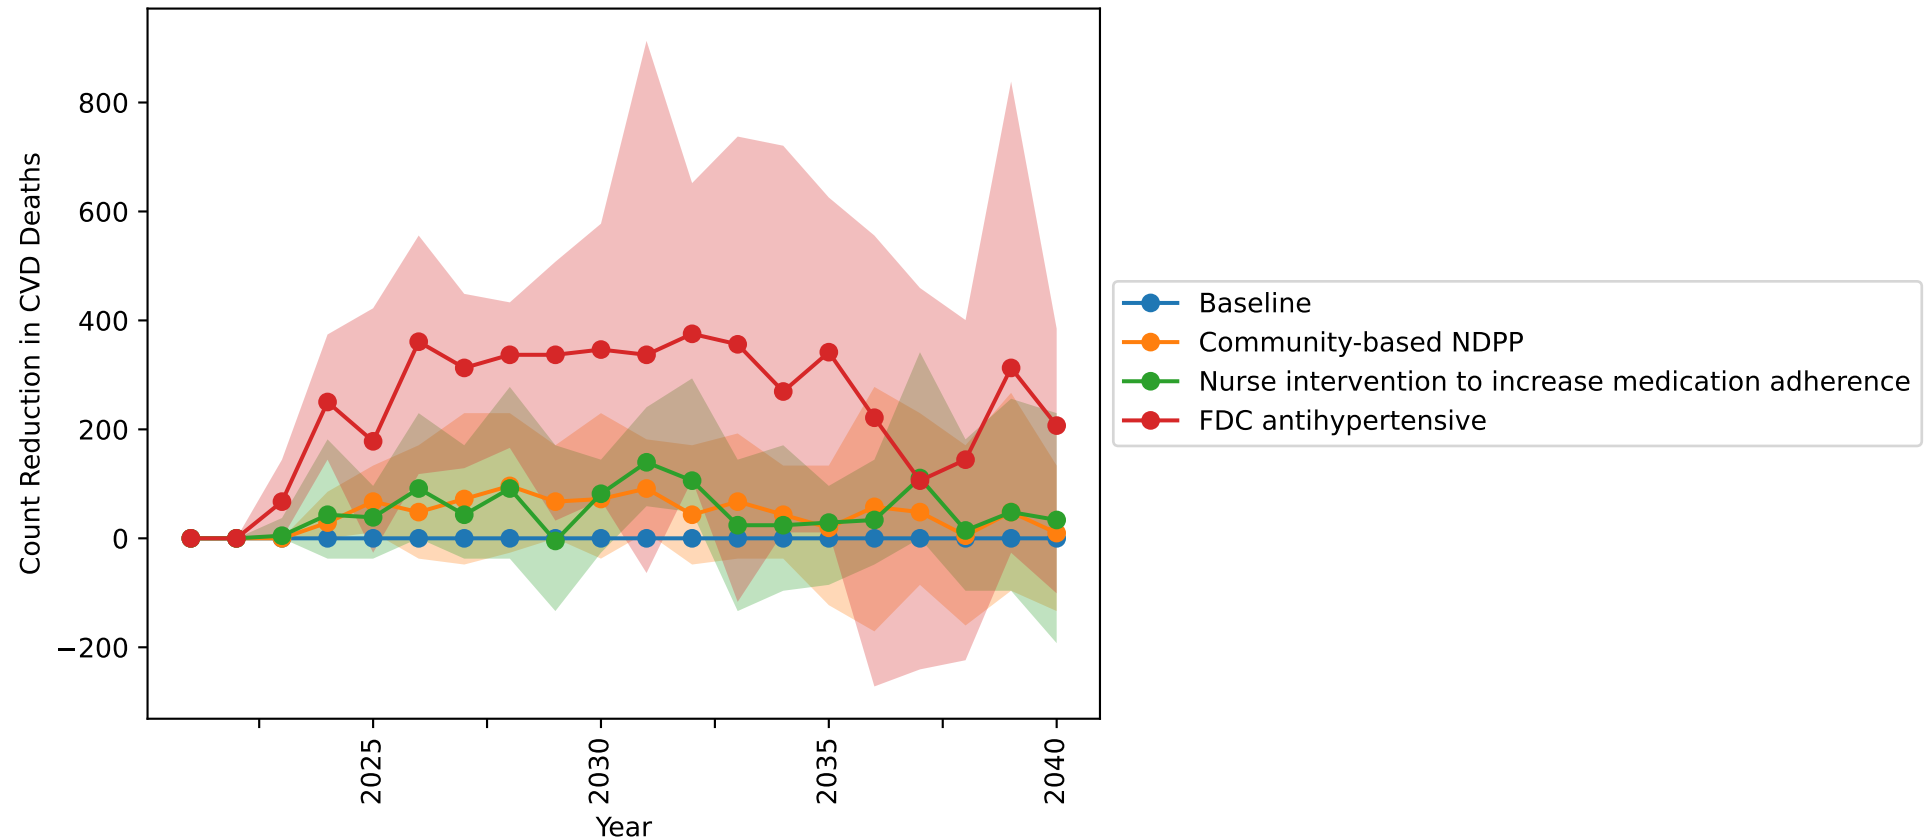

Count Reduction in CVD Deaths for Alaska and Male

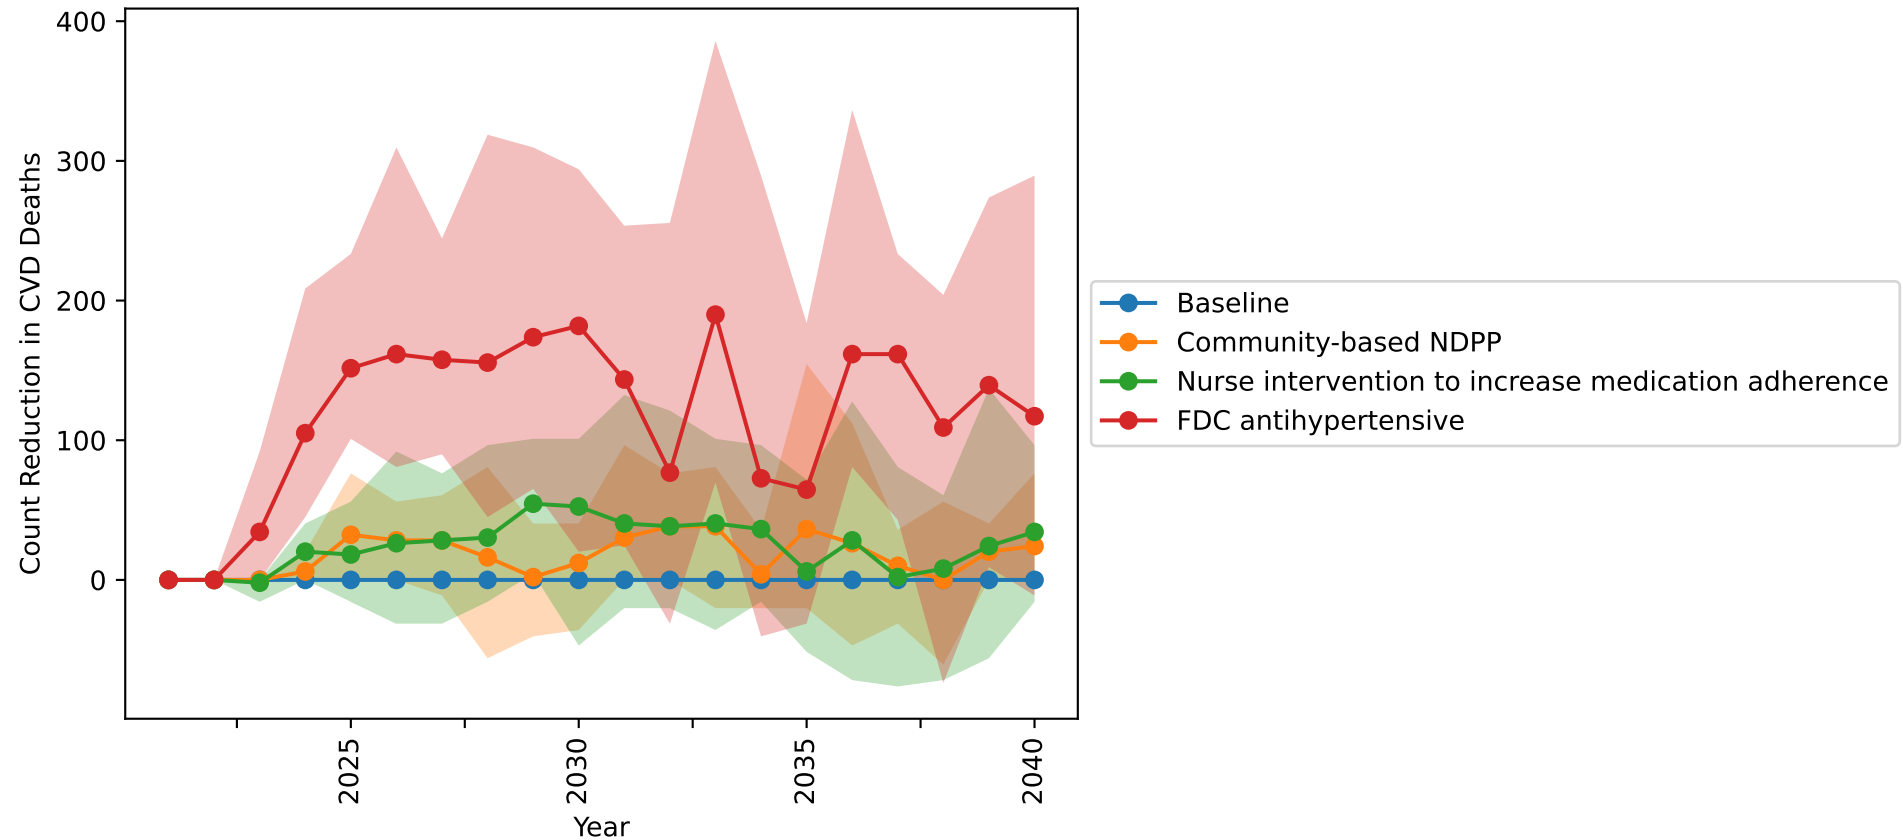

Count Reduction in CVD Deaths for Arizona and Female

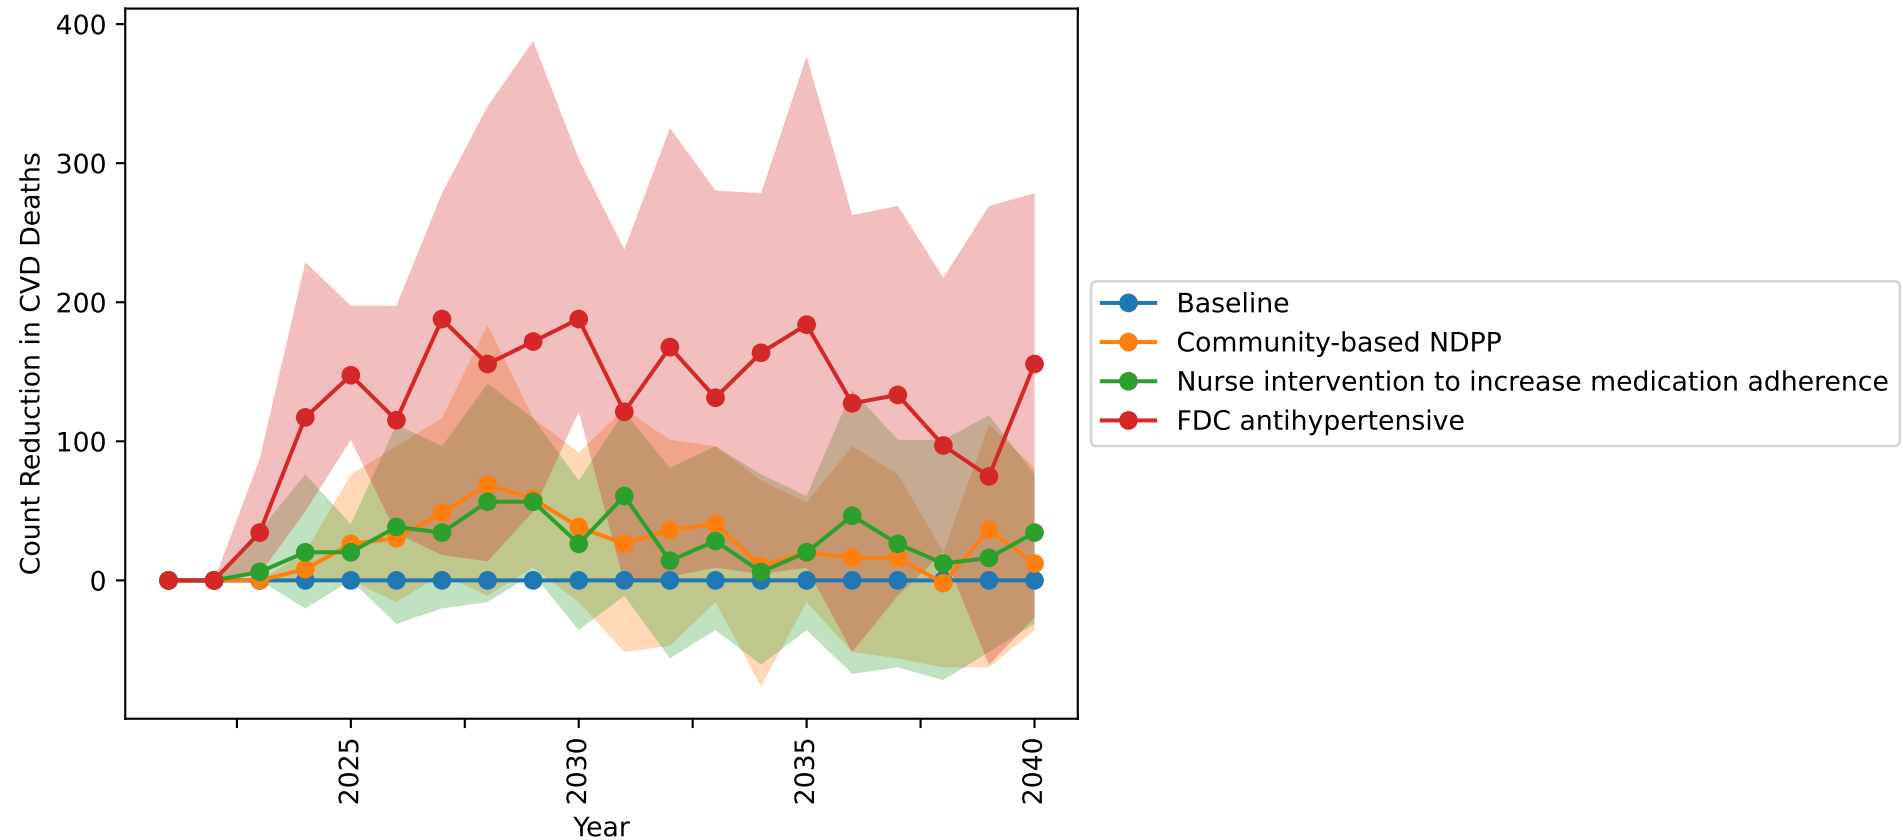

Count Reduction in CVD Deaths for Arizona and Male

Count Reduction in CVD Deaths for Arkansas and Female

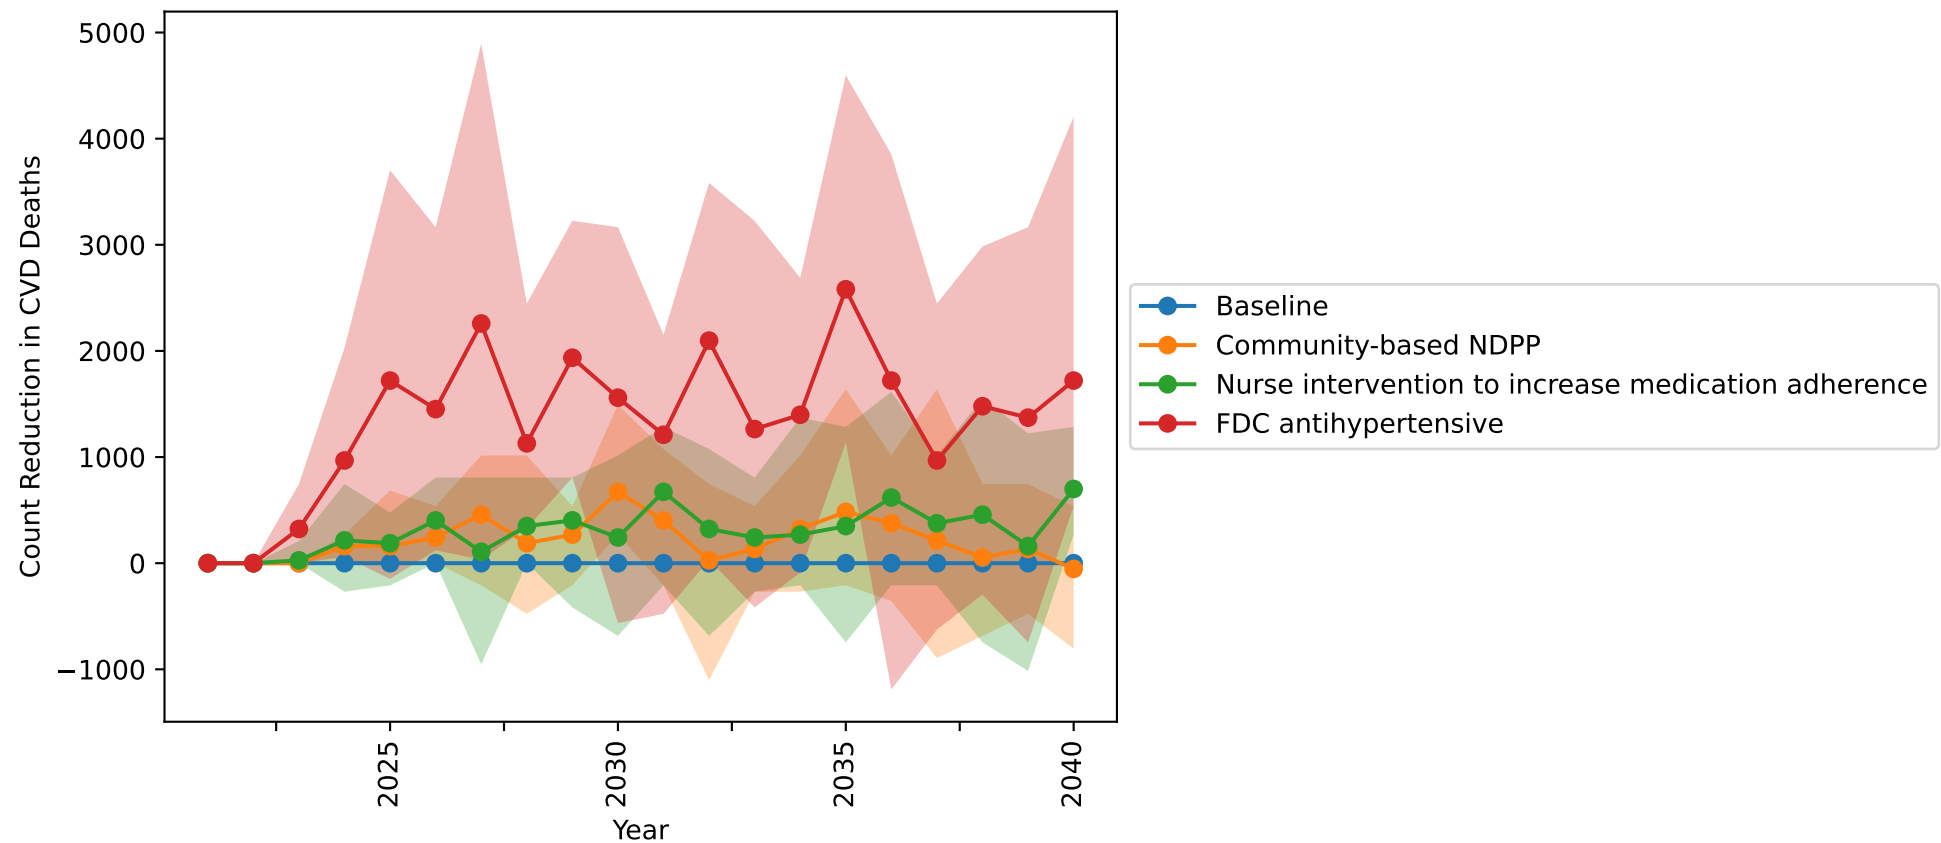

Count Reduction in CVD Deaths for Arkansas and Male

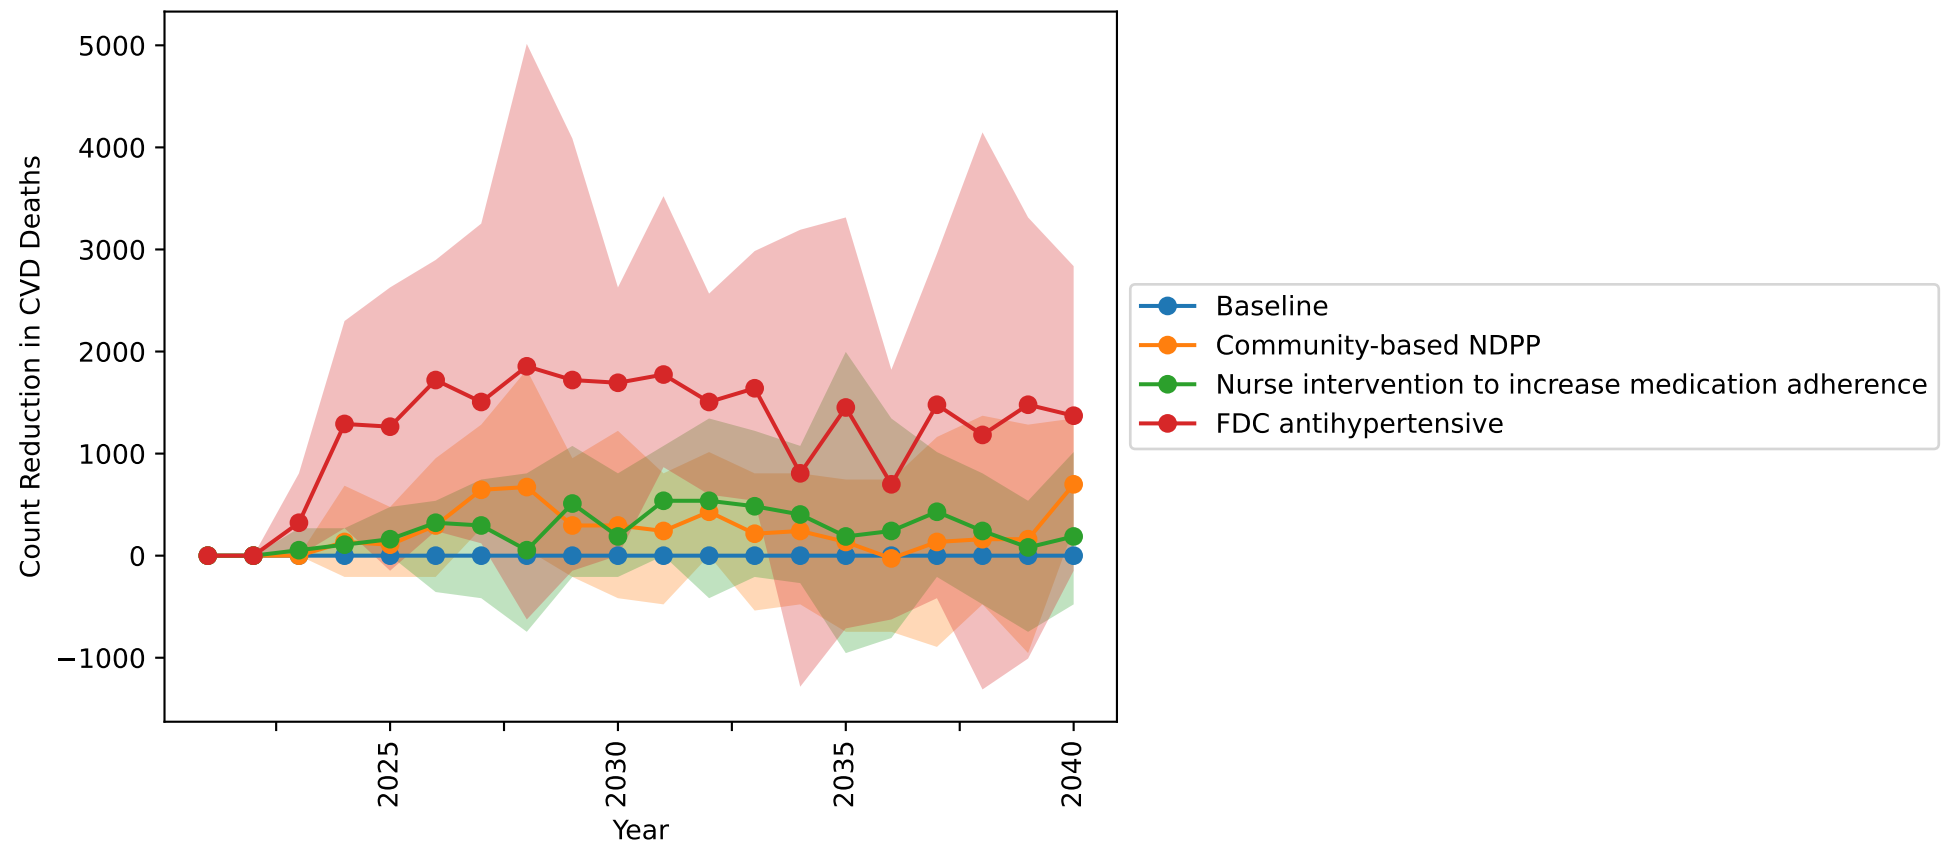

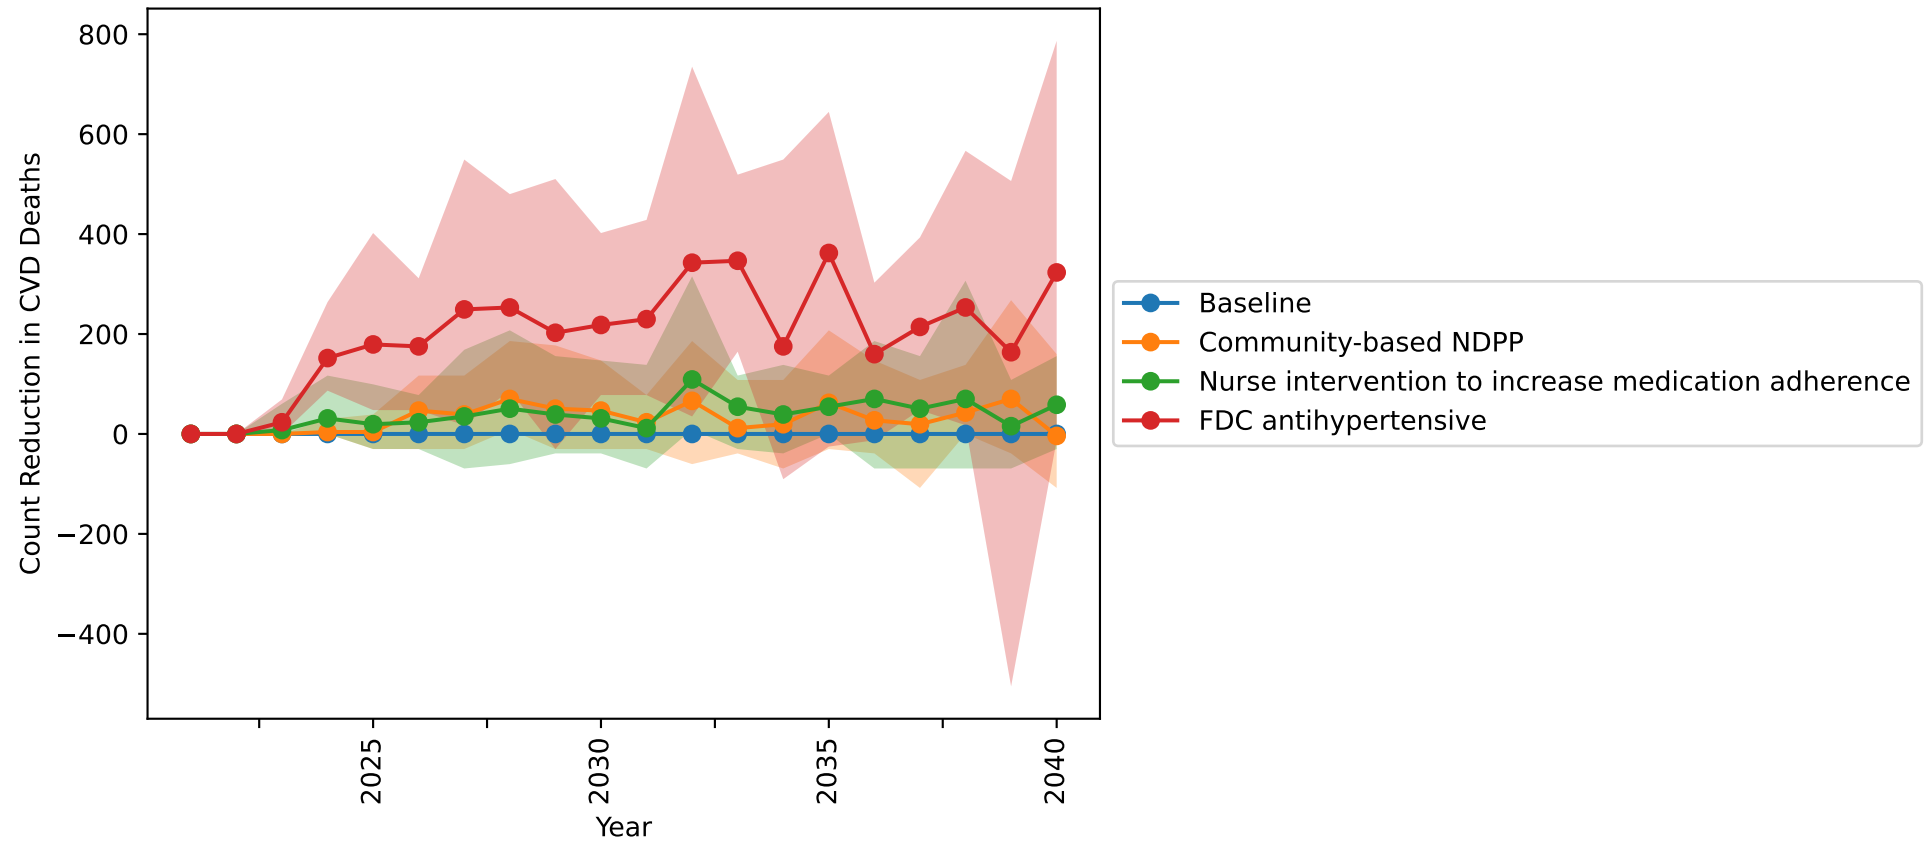

Count Reduction in CVD Deaths for California and Female

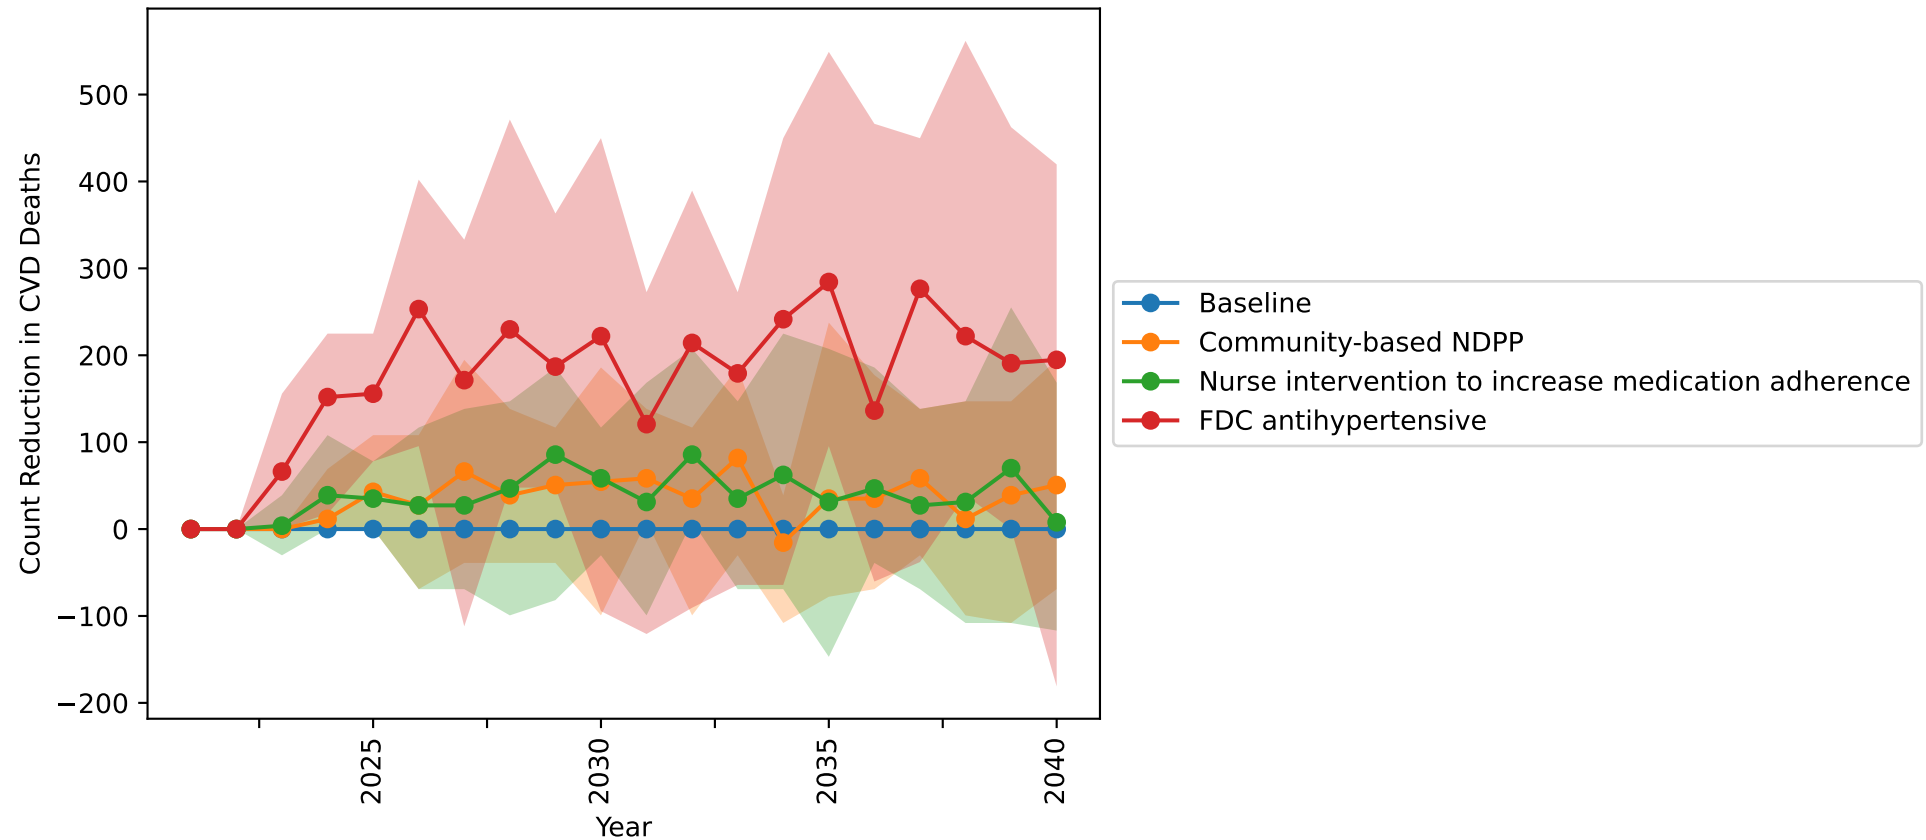

Count Reduction in CVD Deaths for California and Male

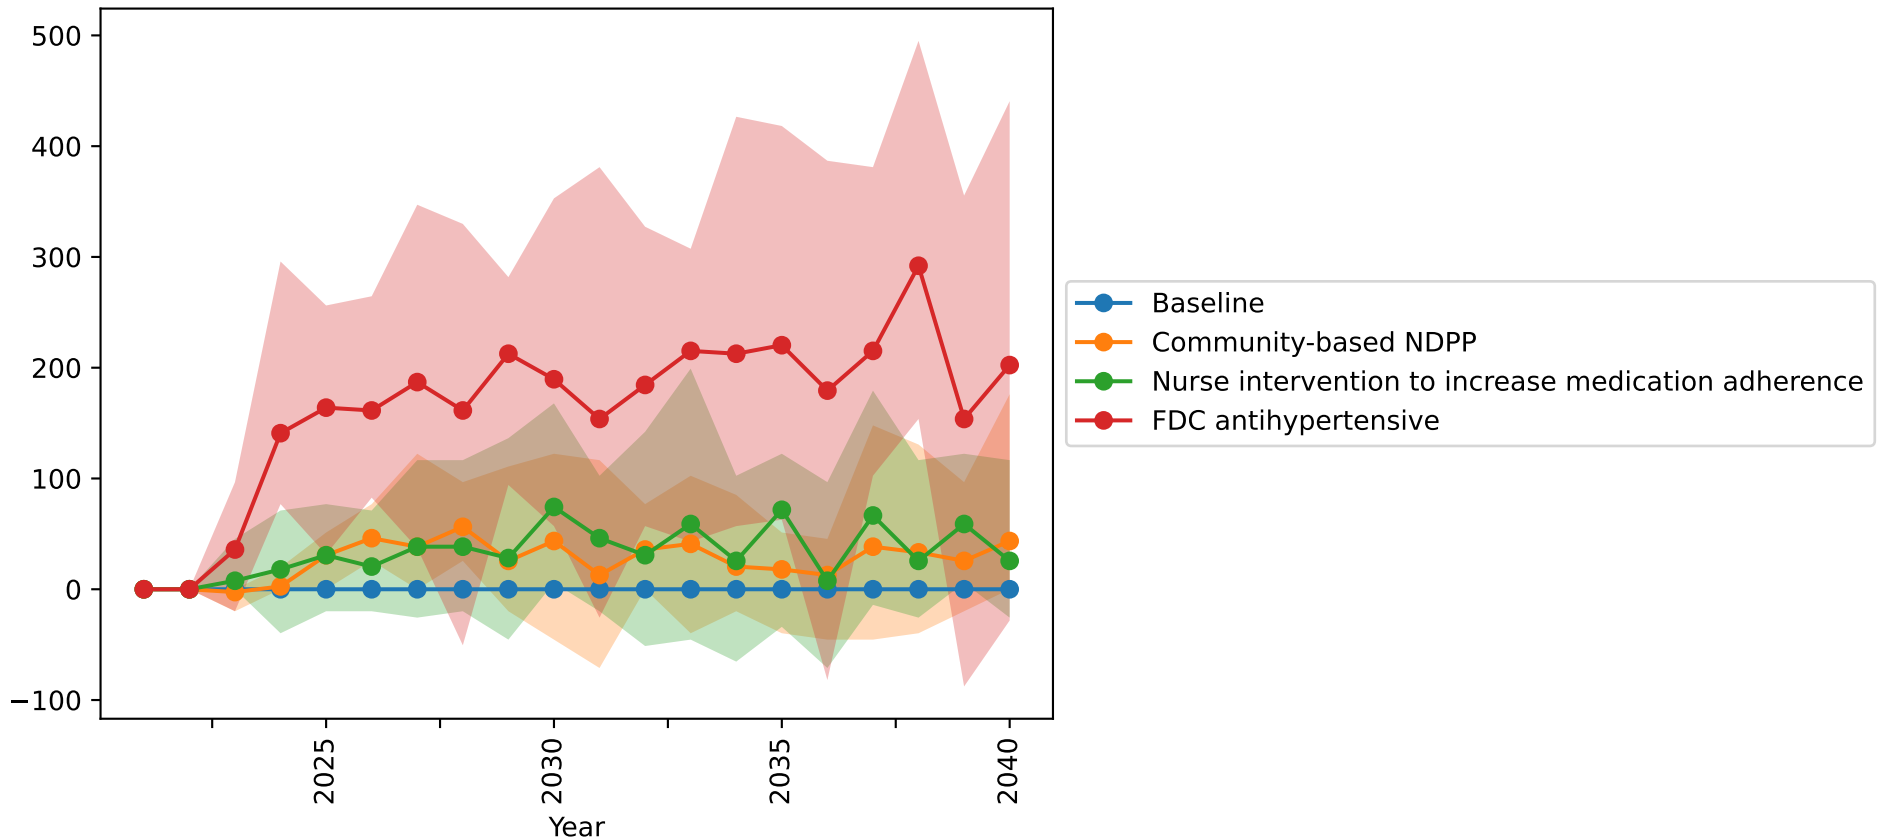

Count Reduction in CVD Deaths for Colorado and Female

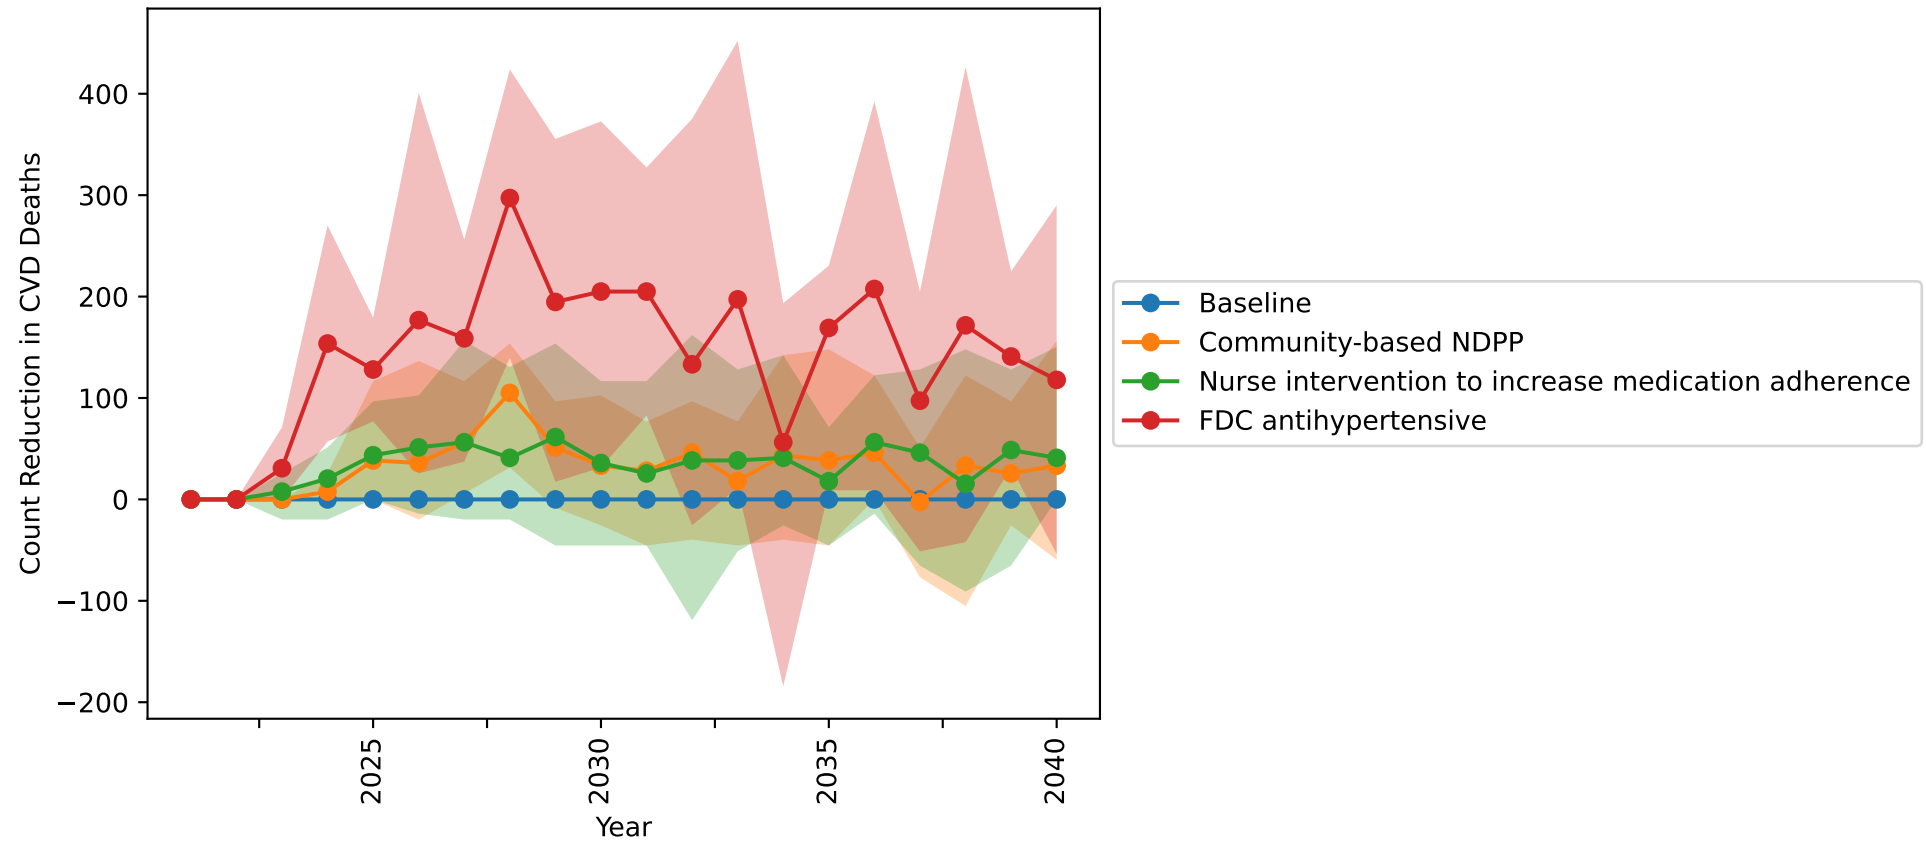

Count Reduction in CVD Deaths for Colorado and Male

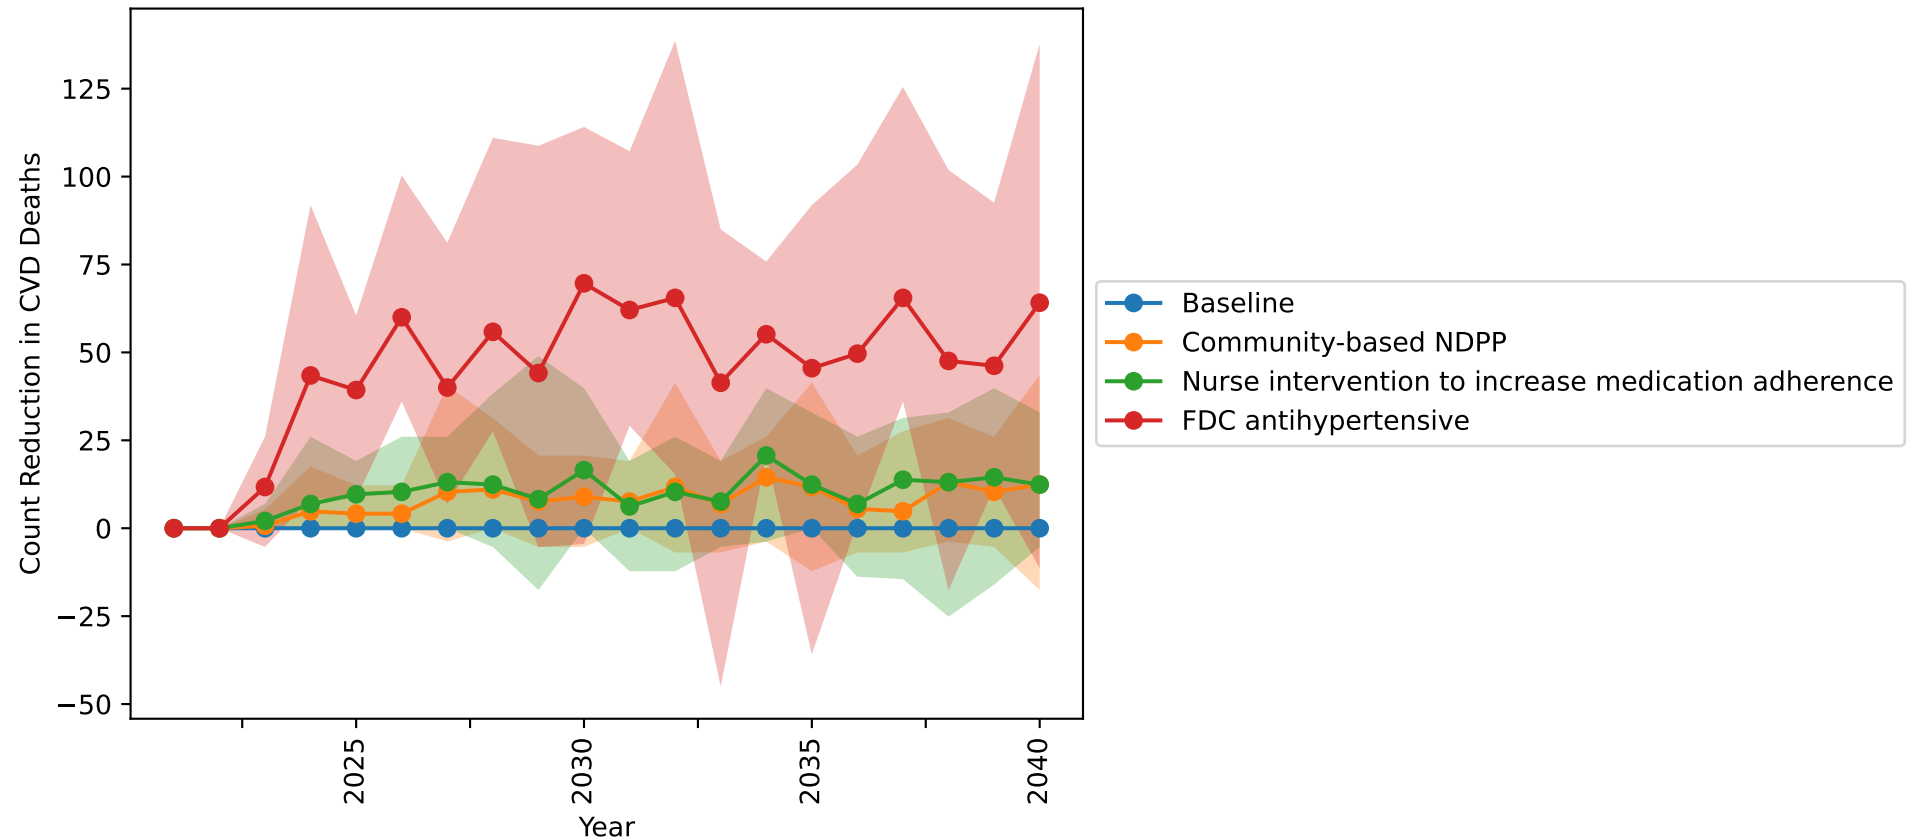

Count Reduction in CVD Deaths for Connecticut and Female

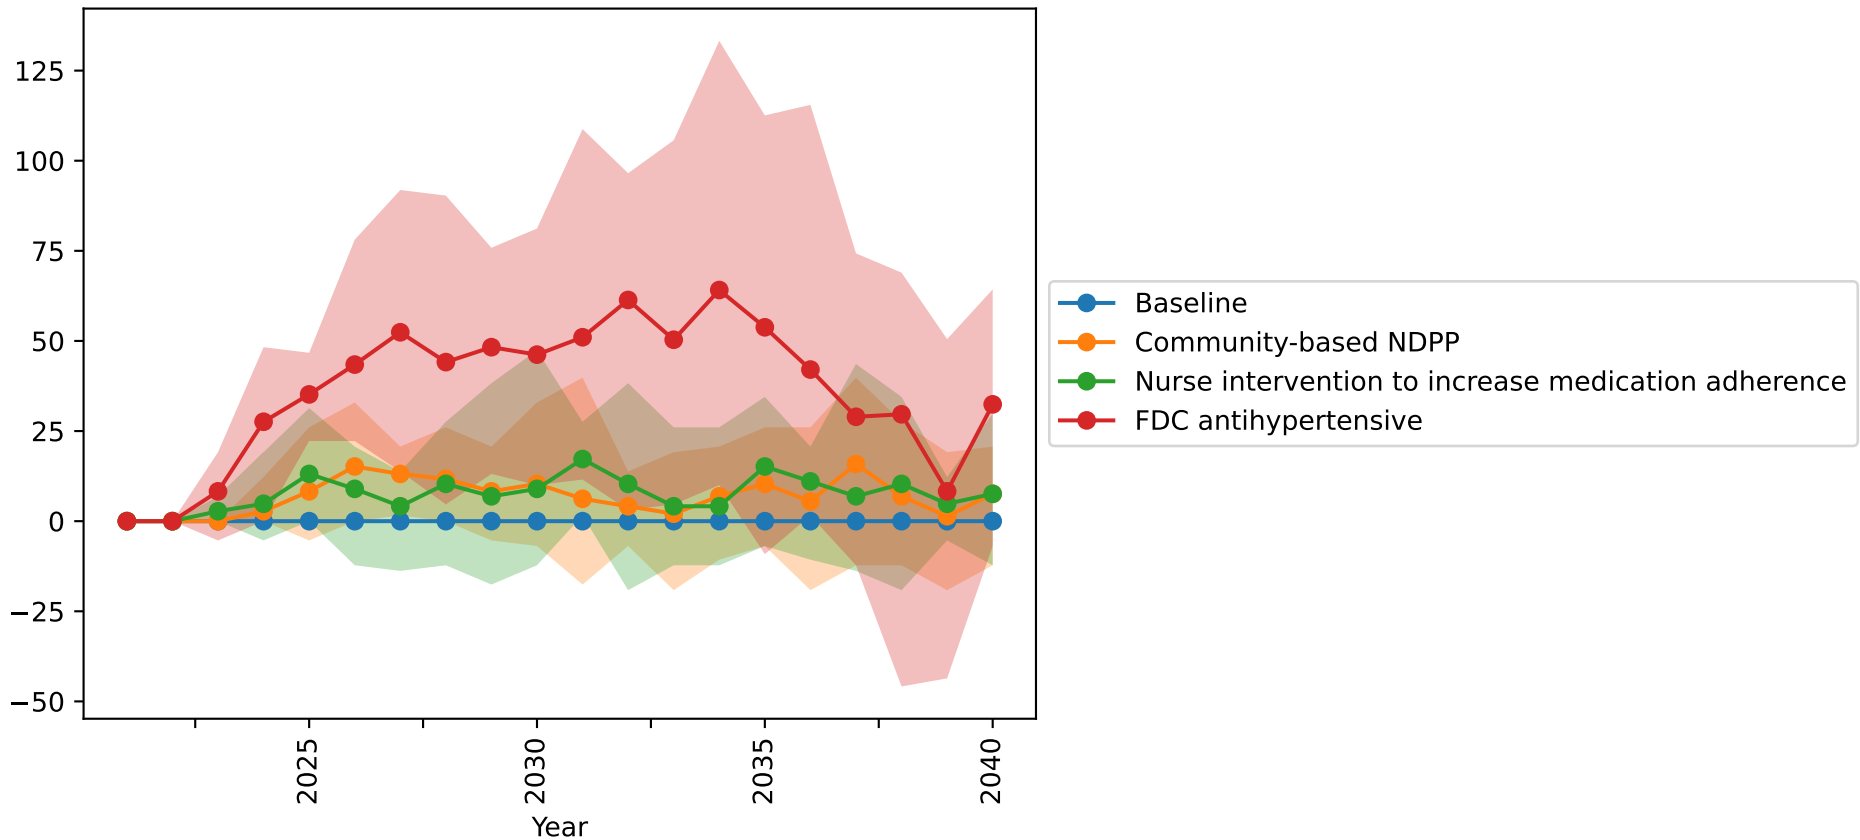

Count Reduction in CVD Deaths for Connecticut and Male

Count Reduction in CVD Deaths for Delaware and Female

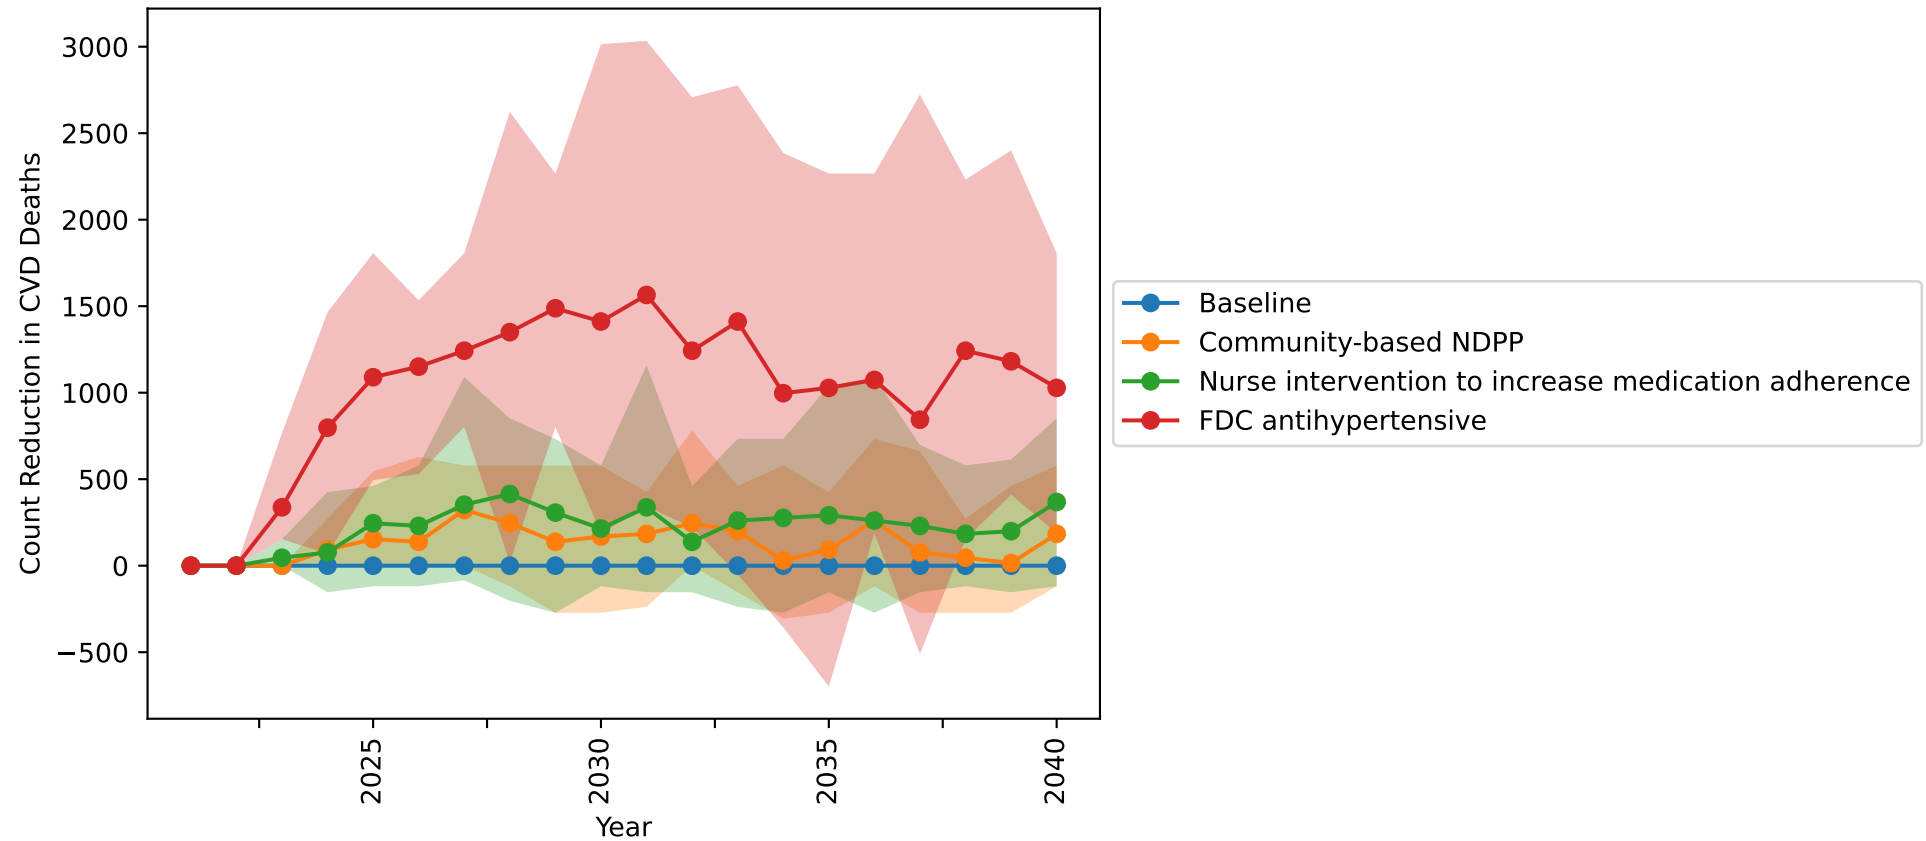

Count Reduction in CVD Deaths for Delaware and Male

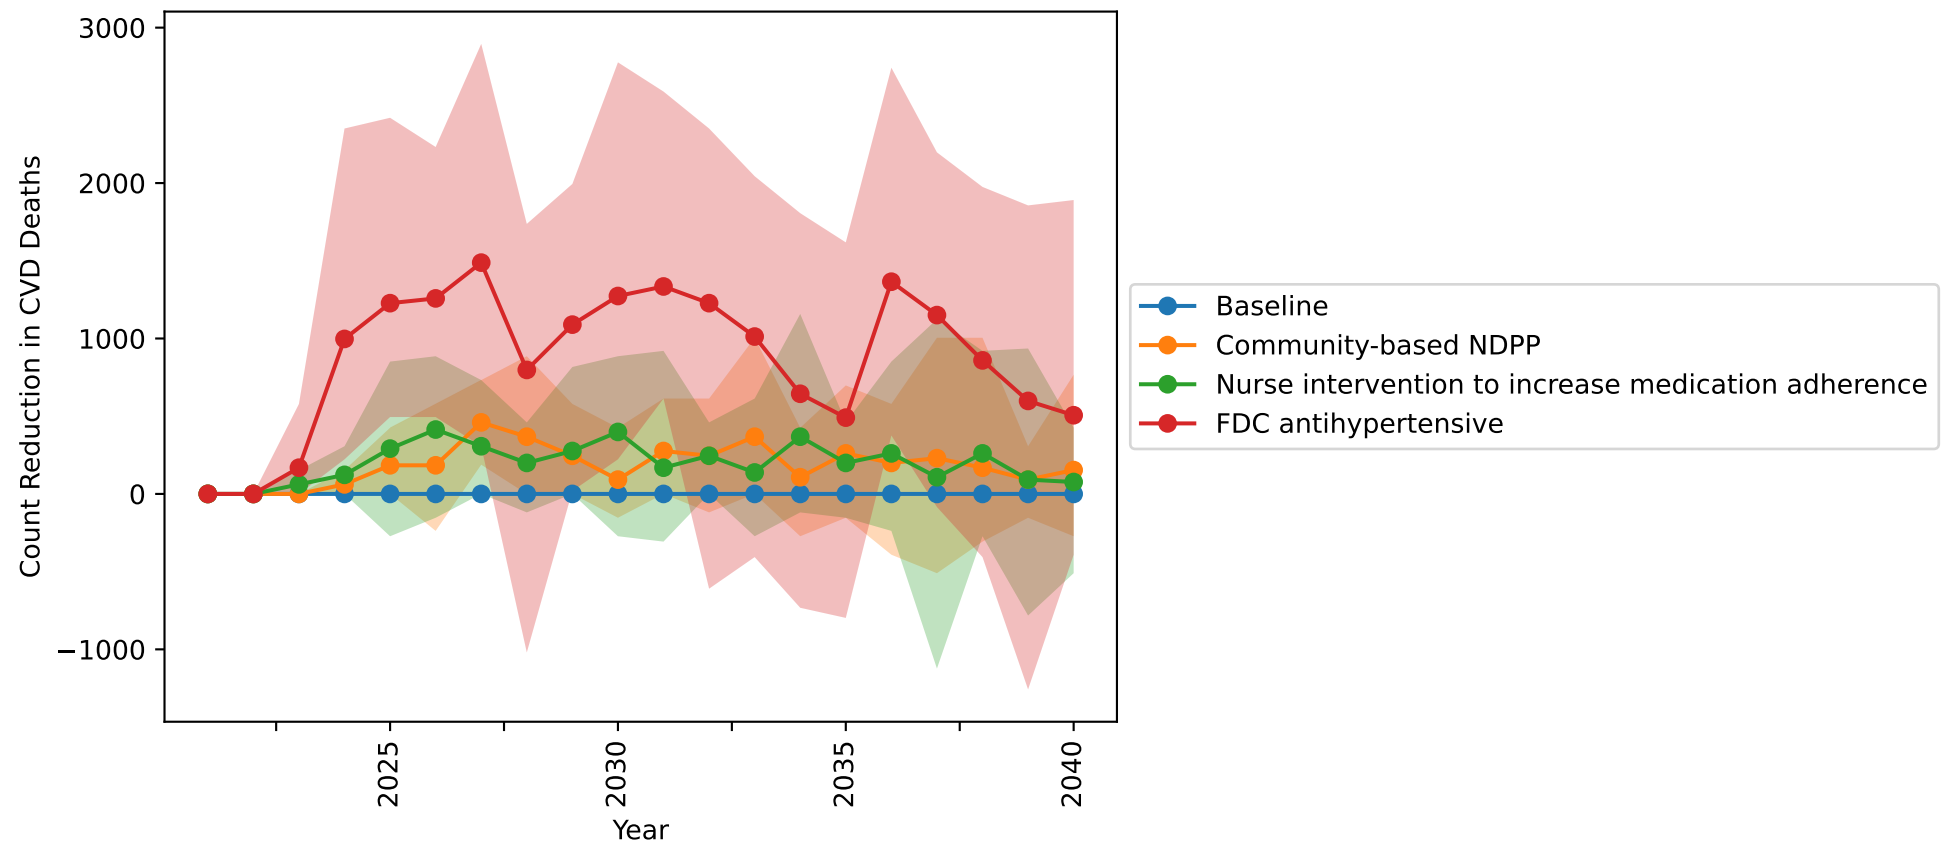

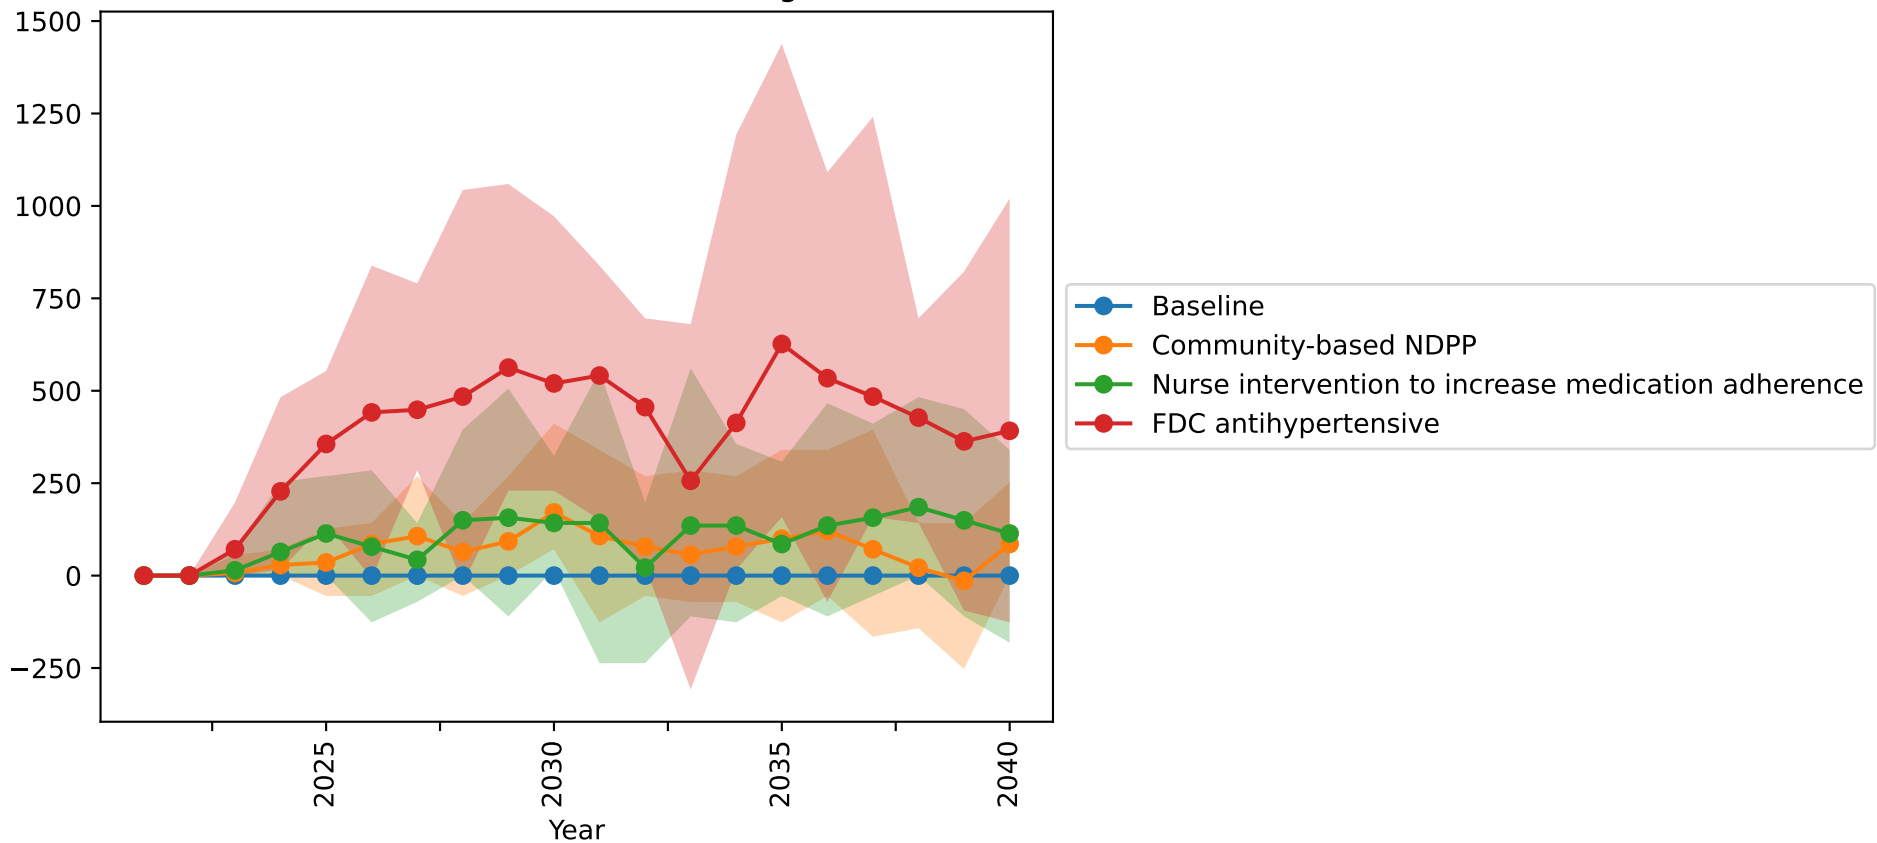

Count Reduction in CVD Deaths for Florida and Female

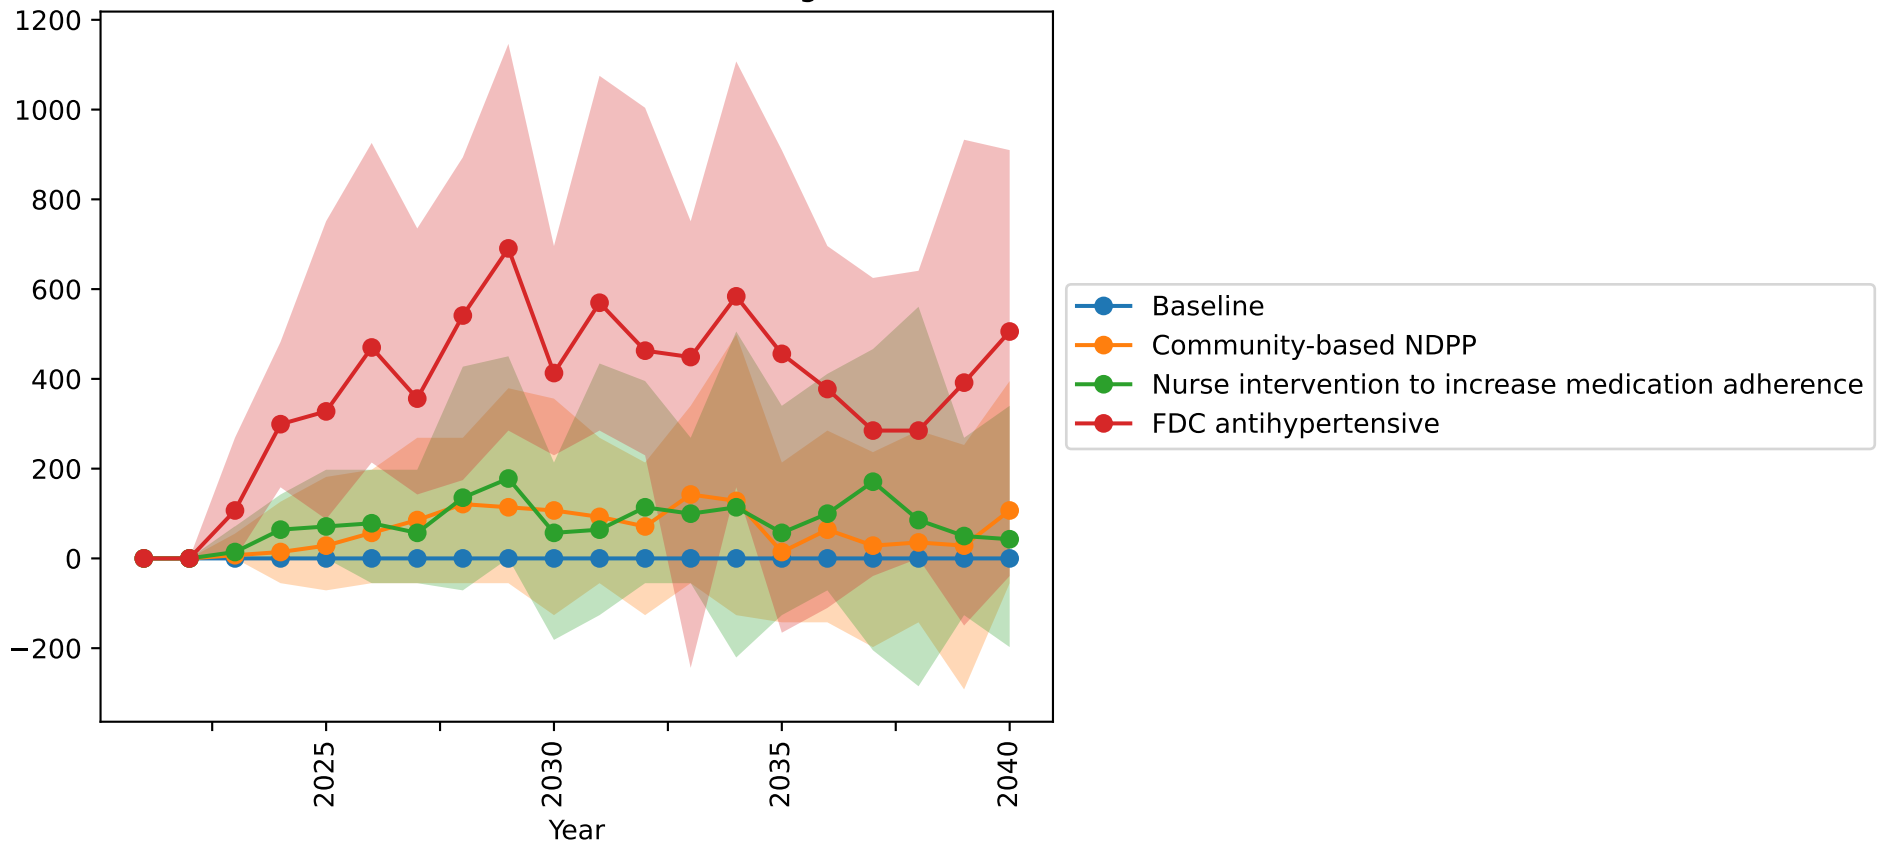

Count Reduction in CVD Deaths for Florida and Male

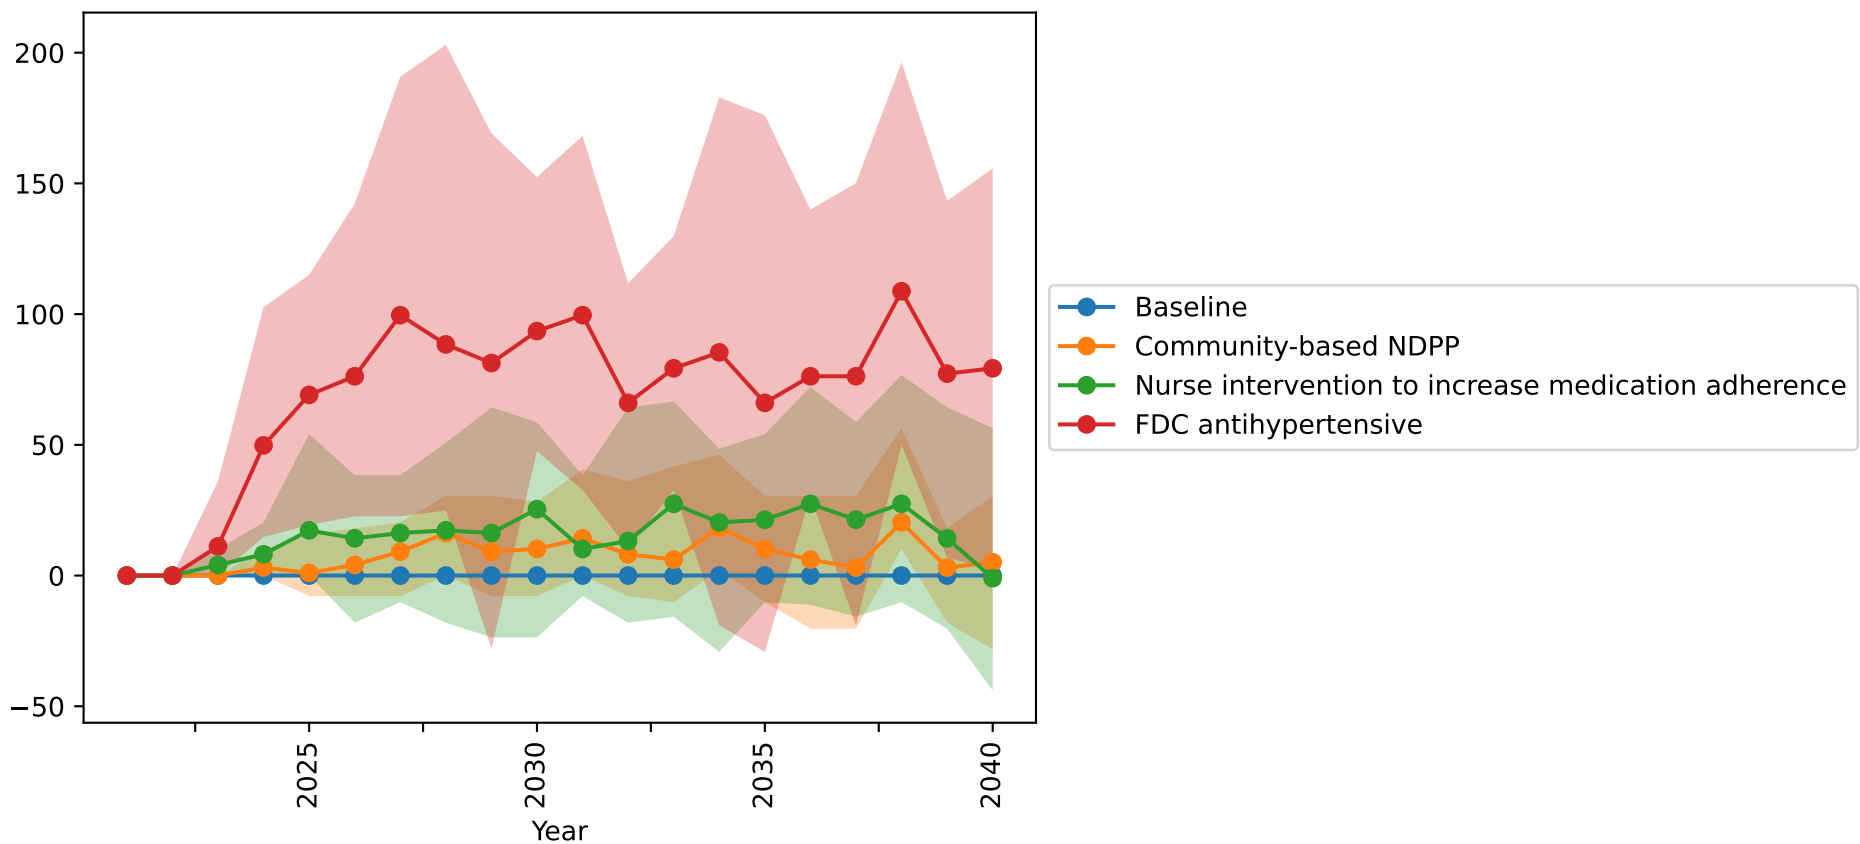

Count Reduction in CVD Deaths for Georgia and Female

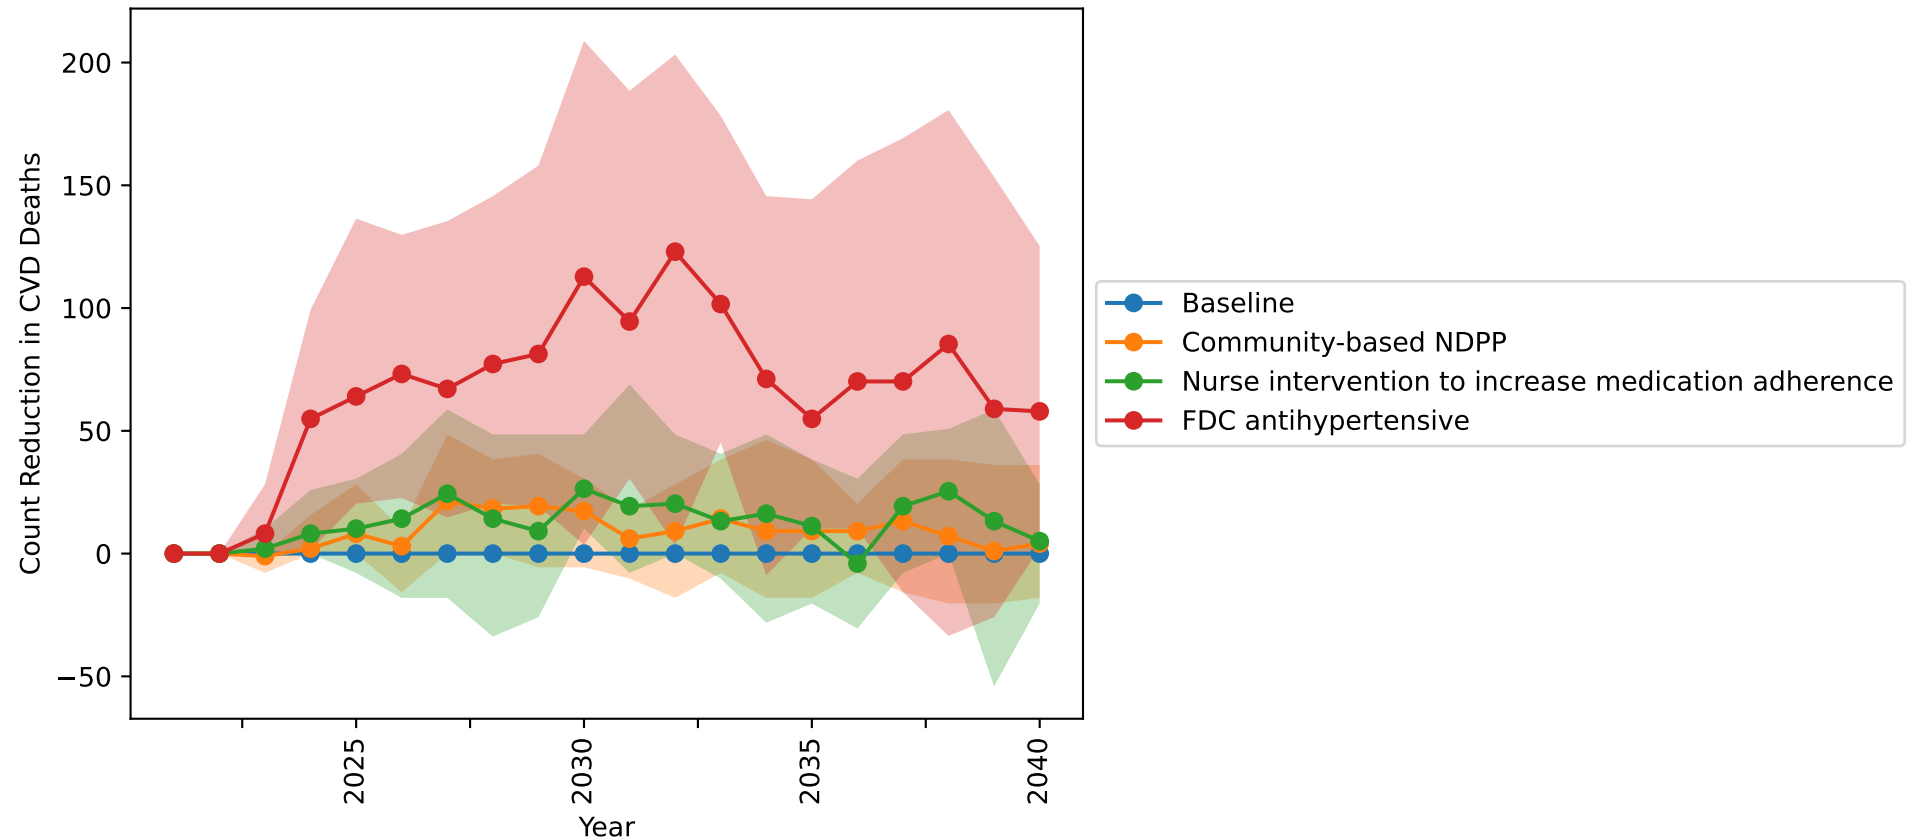

Count Reduction in CVD Deaths for Georgia and Male

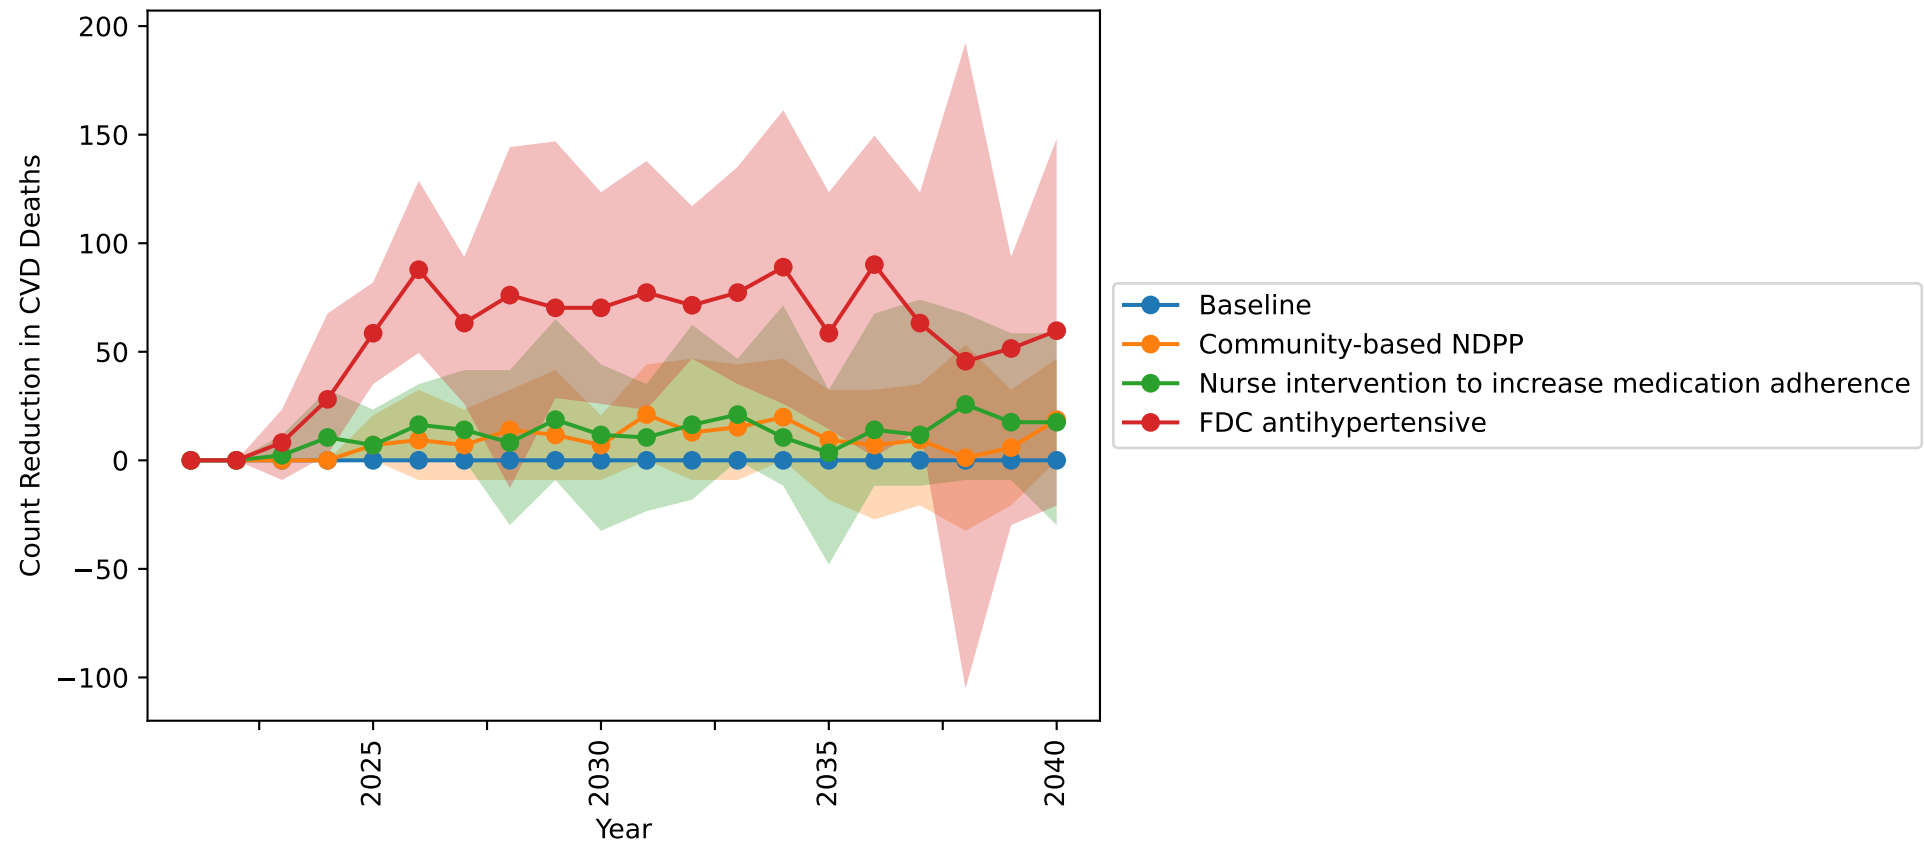

Count Reduction in CVD Deaths for Hawaii and Female

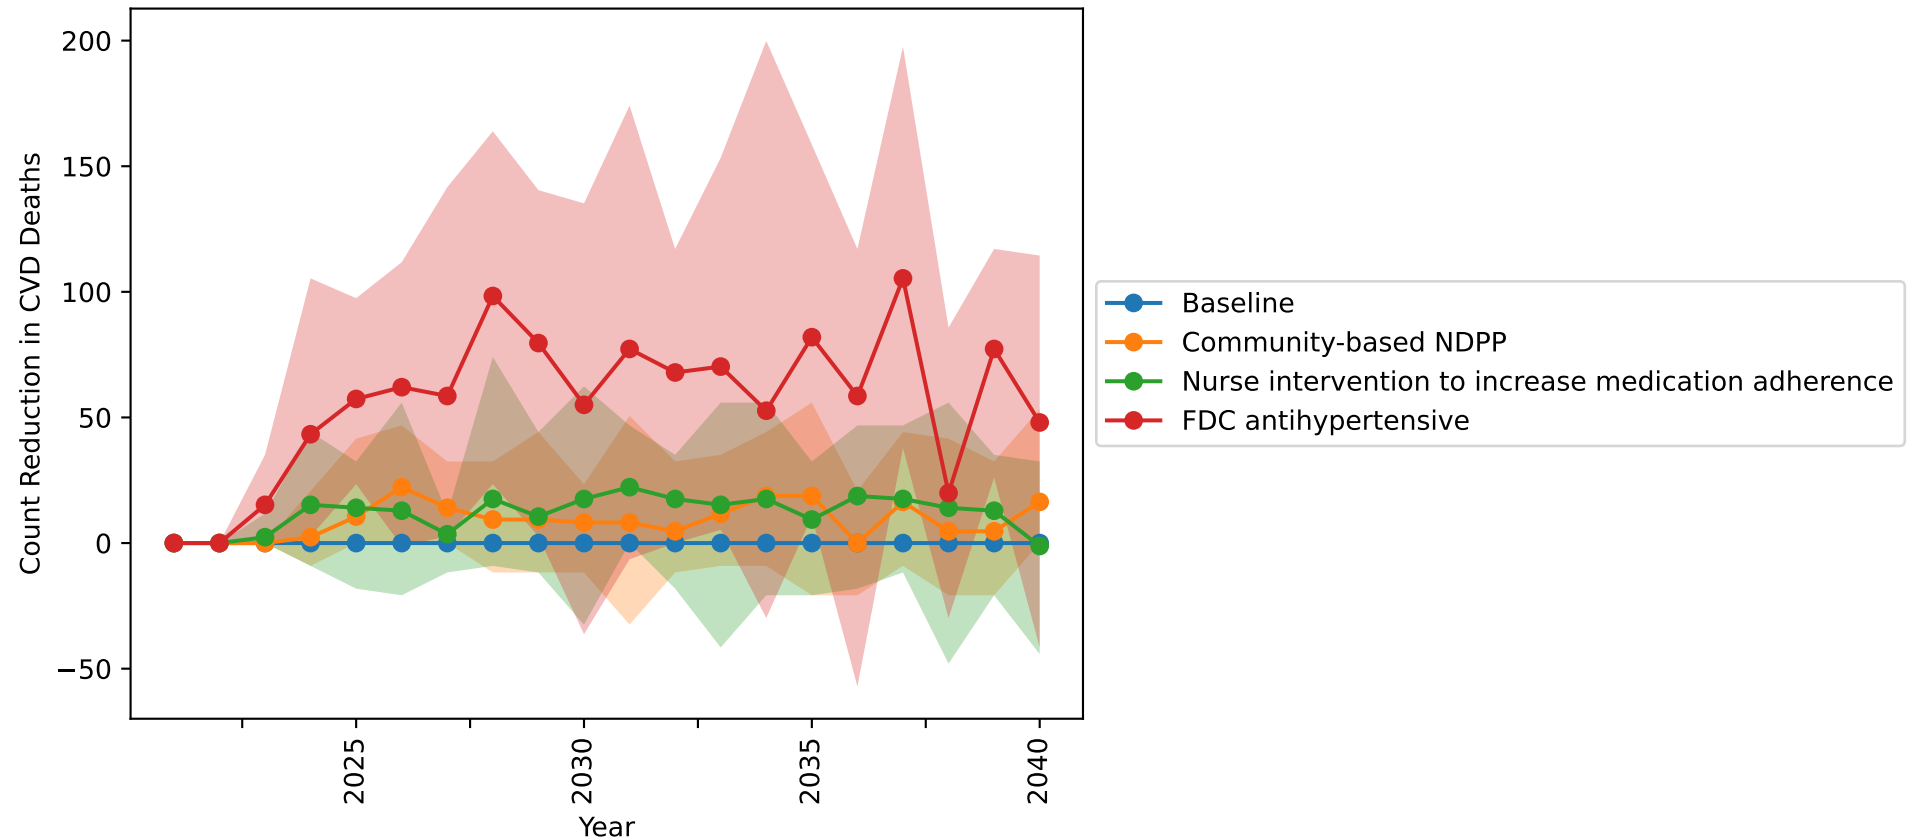

Count Reduction in CVD Deaths for Hawaii and Male

Count Reduction in CVD Deaths for Idaho and Female

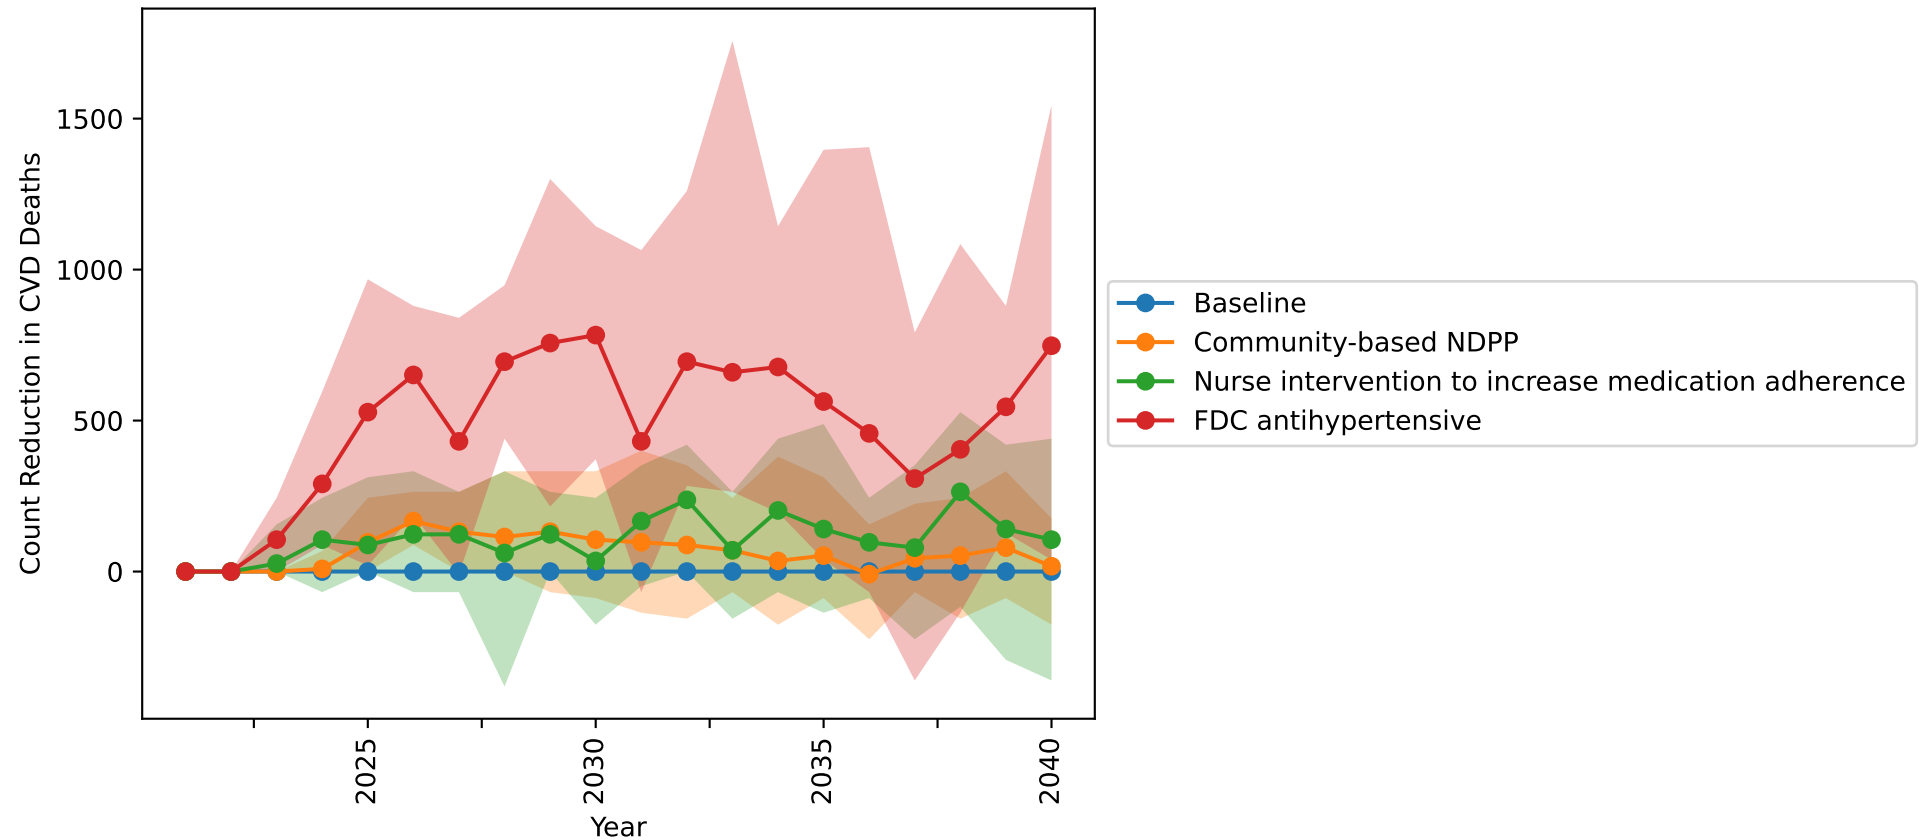

Count Reduction in CVD Deaths for Idaho and Male

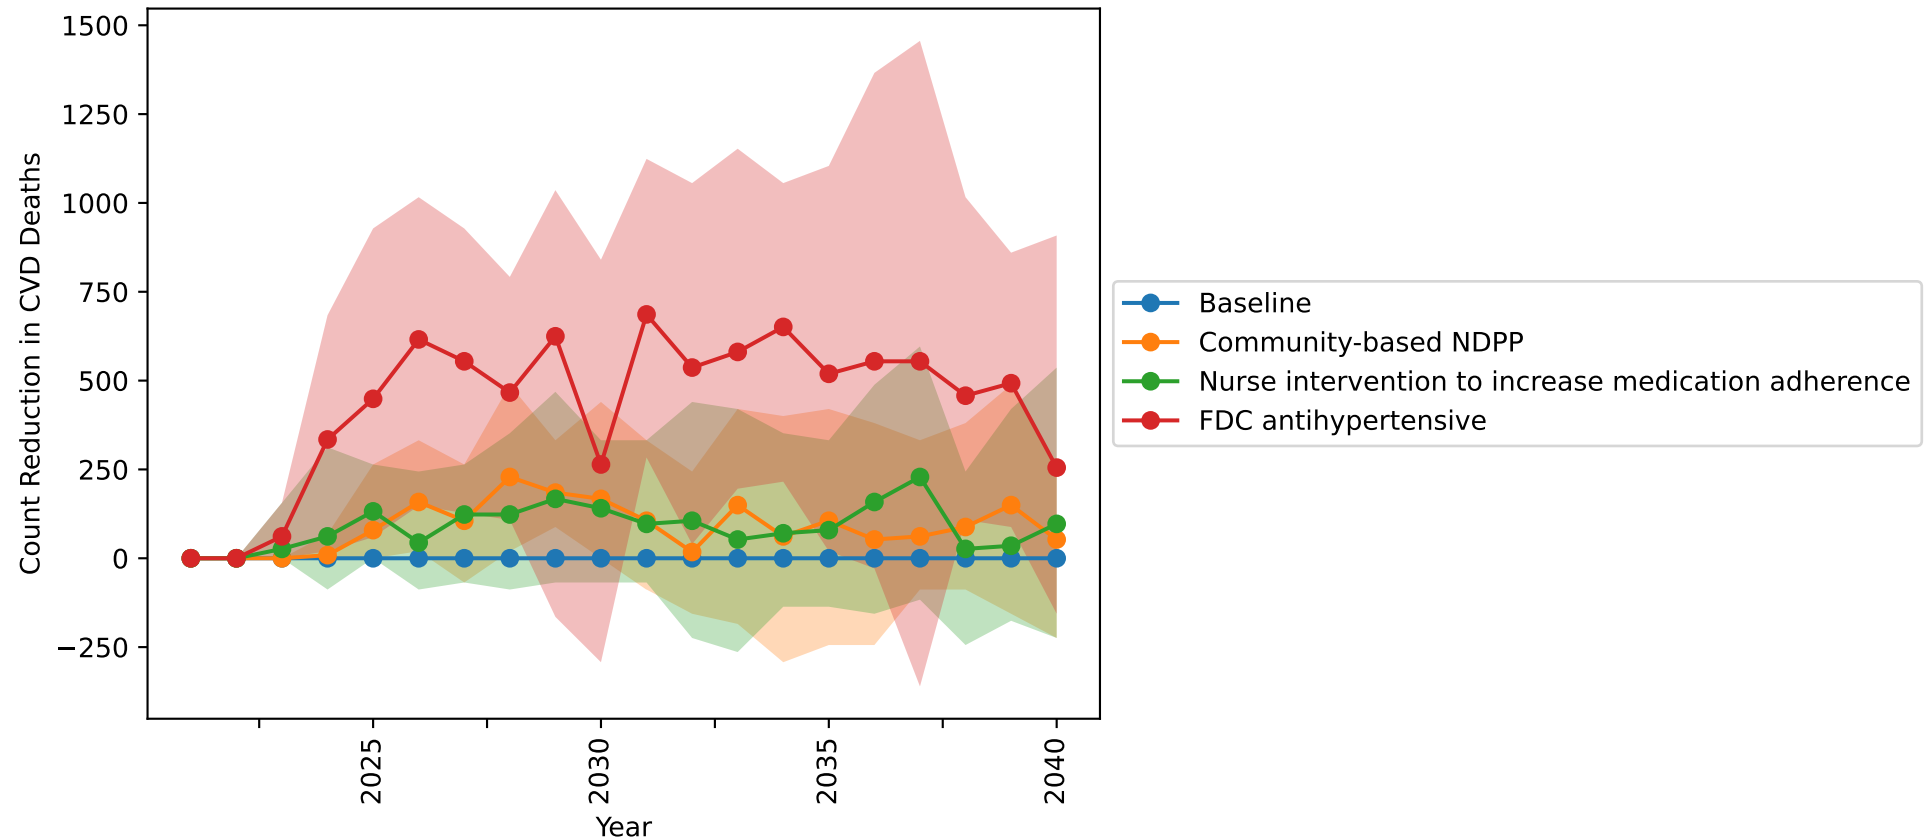

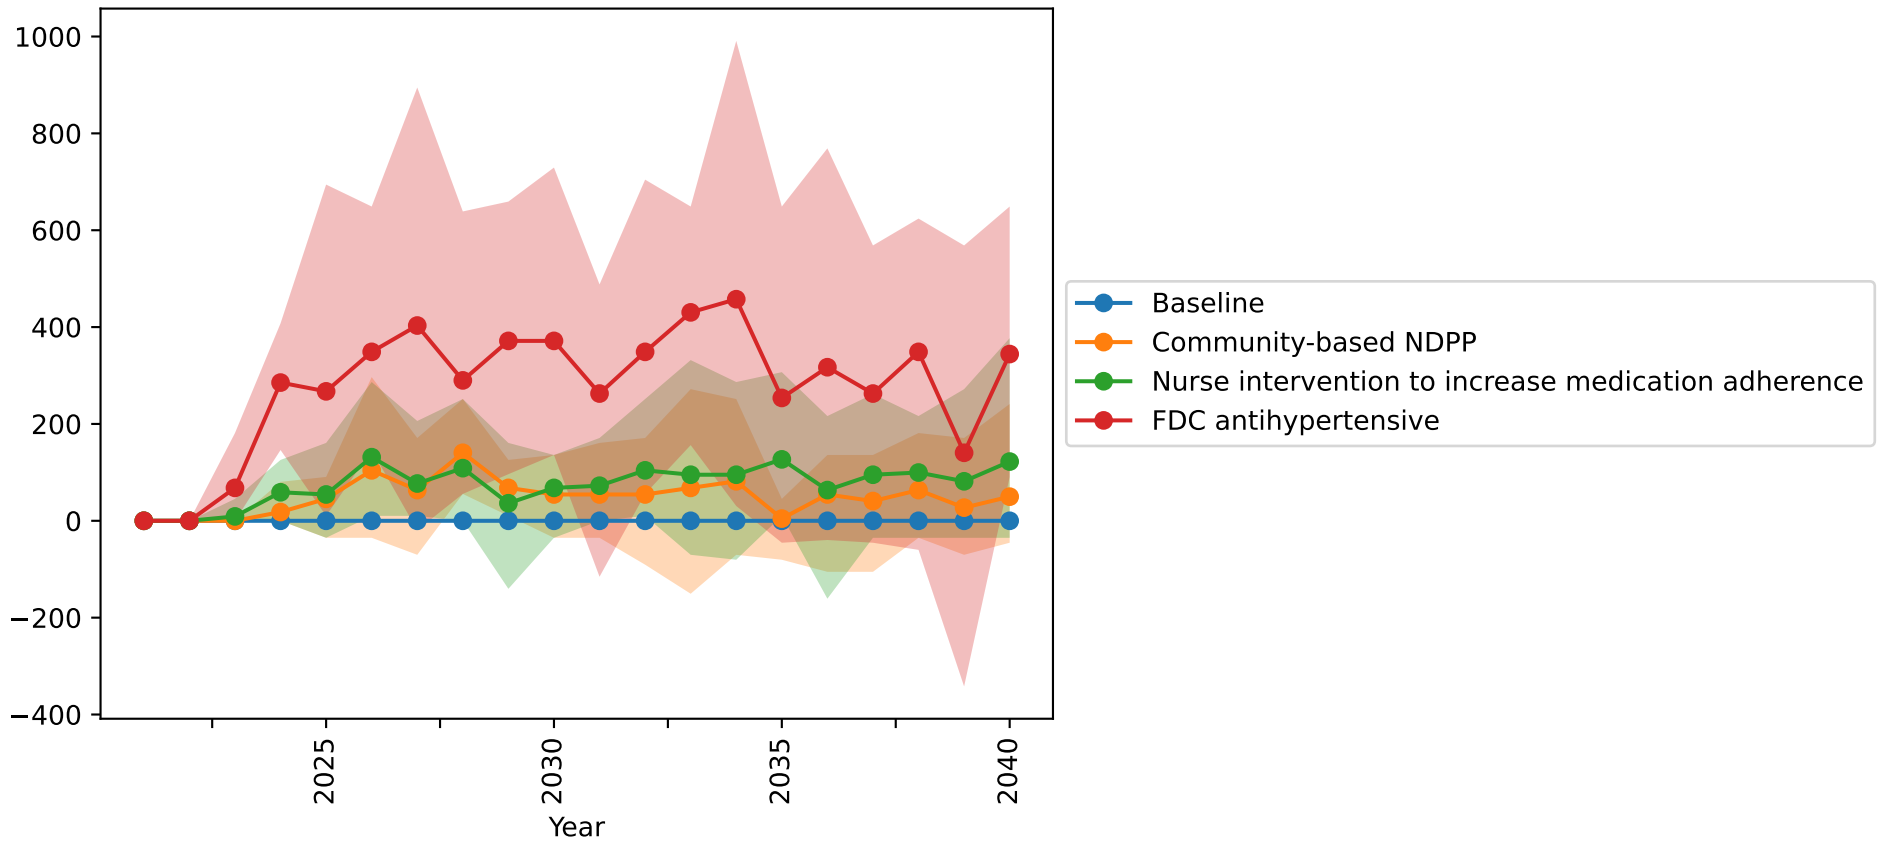

Count Reduction in CVD Deaths for Illinois and Female

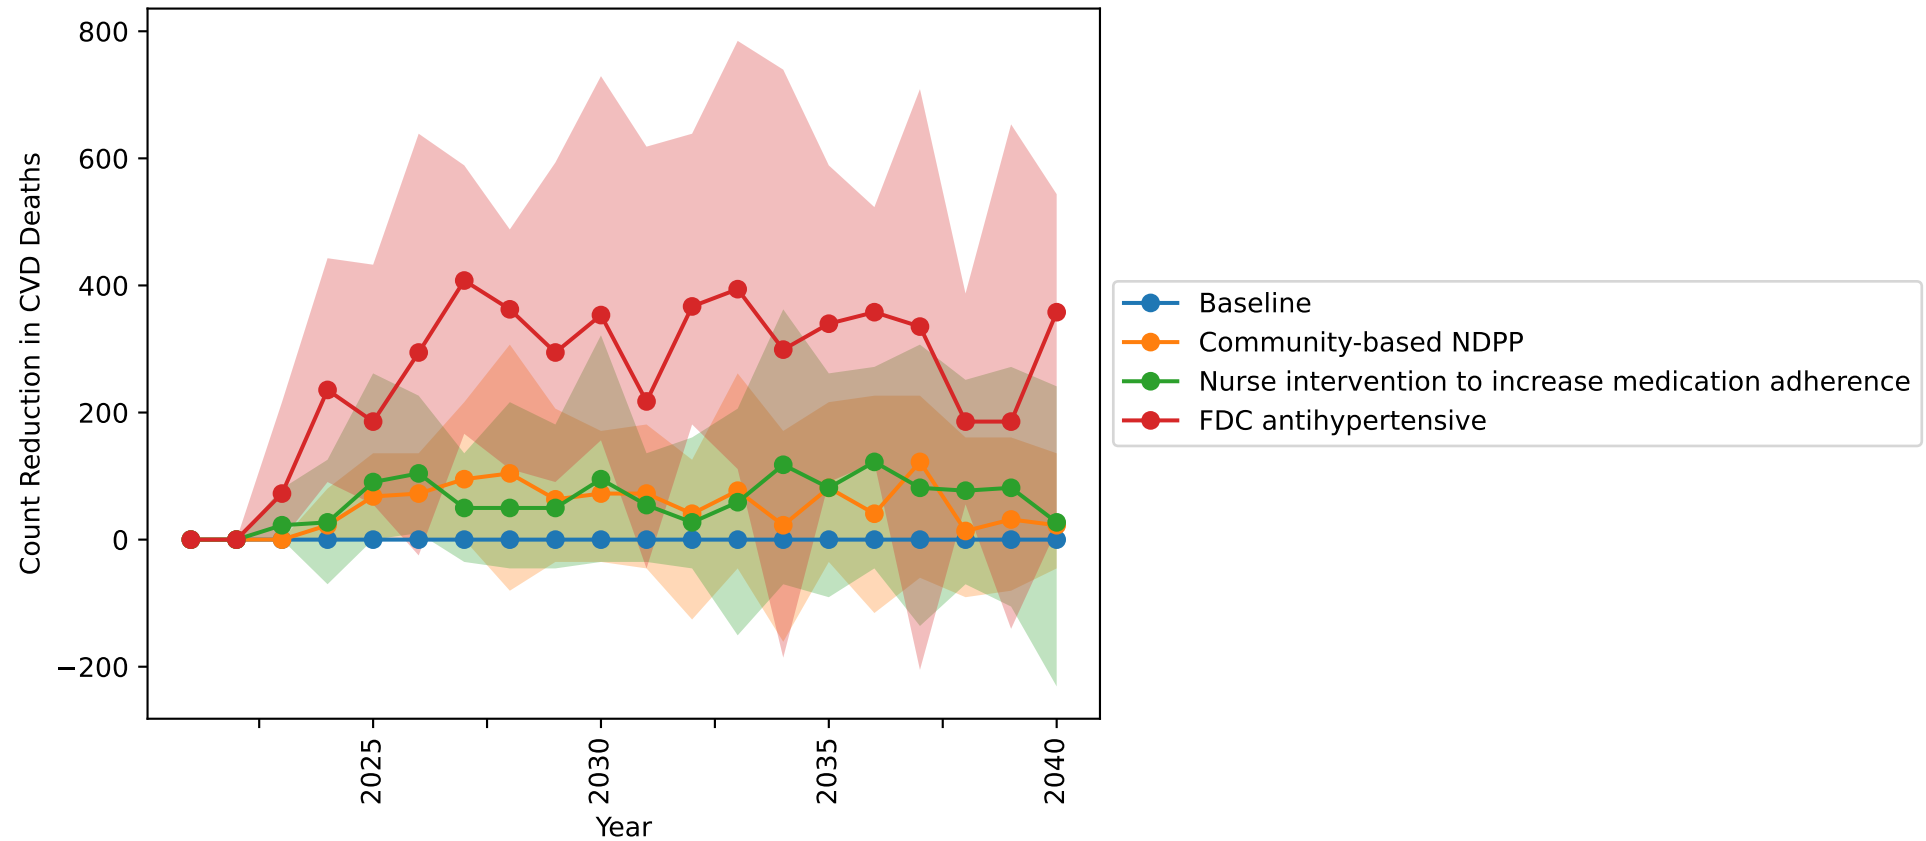

Count Reduction in CVD Deaths for Illinois and Male

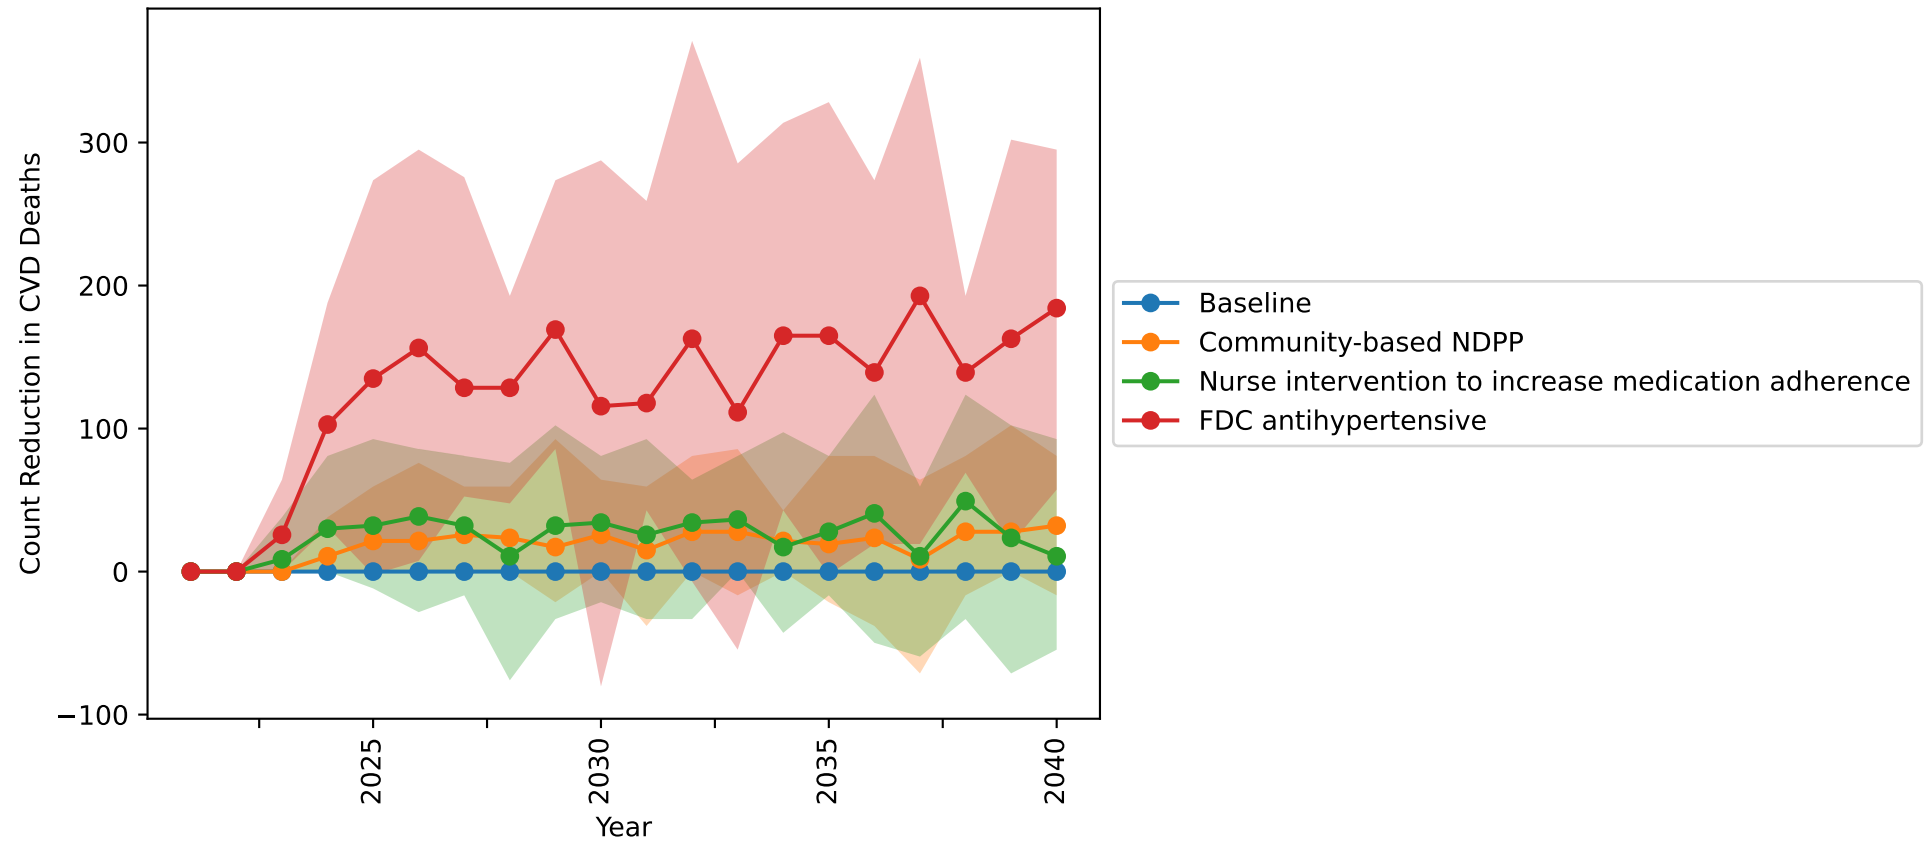

Count Reduction in CVD Deaths for Indiana and Female

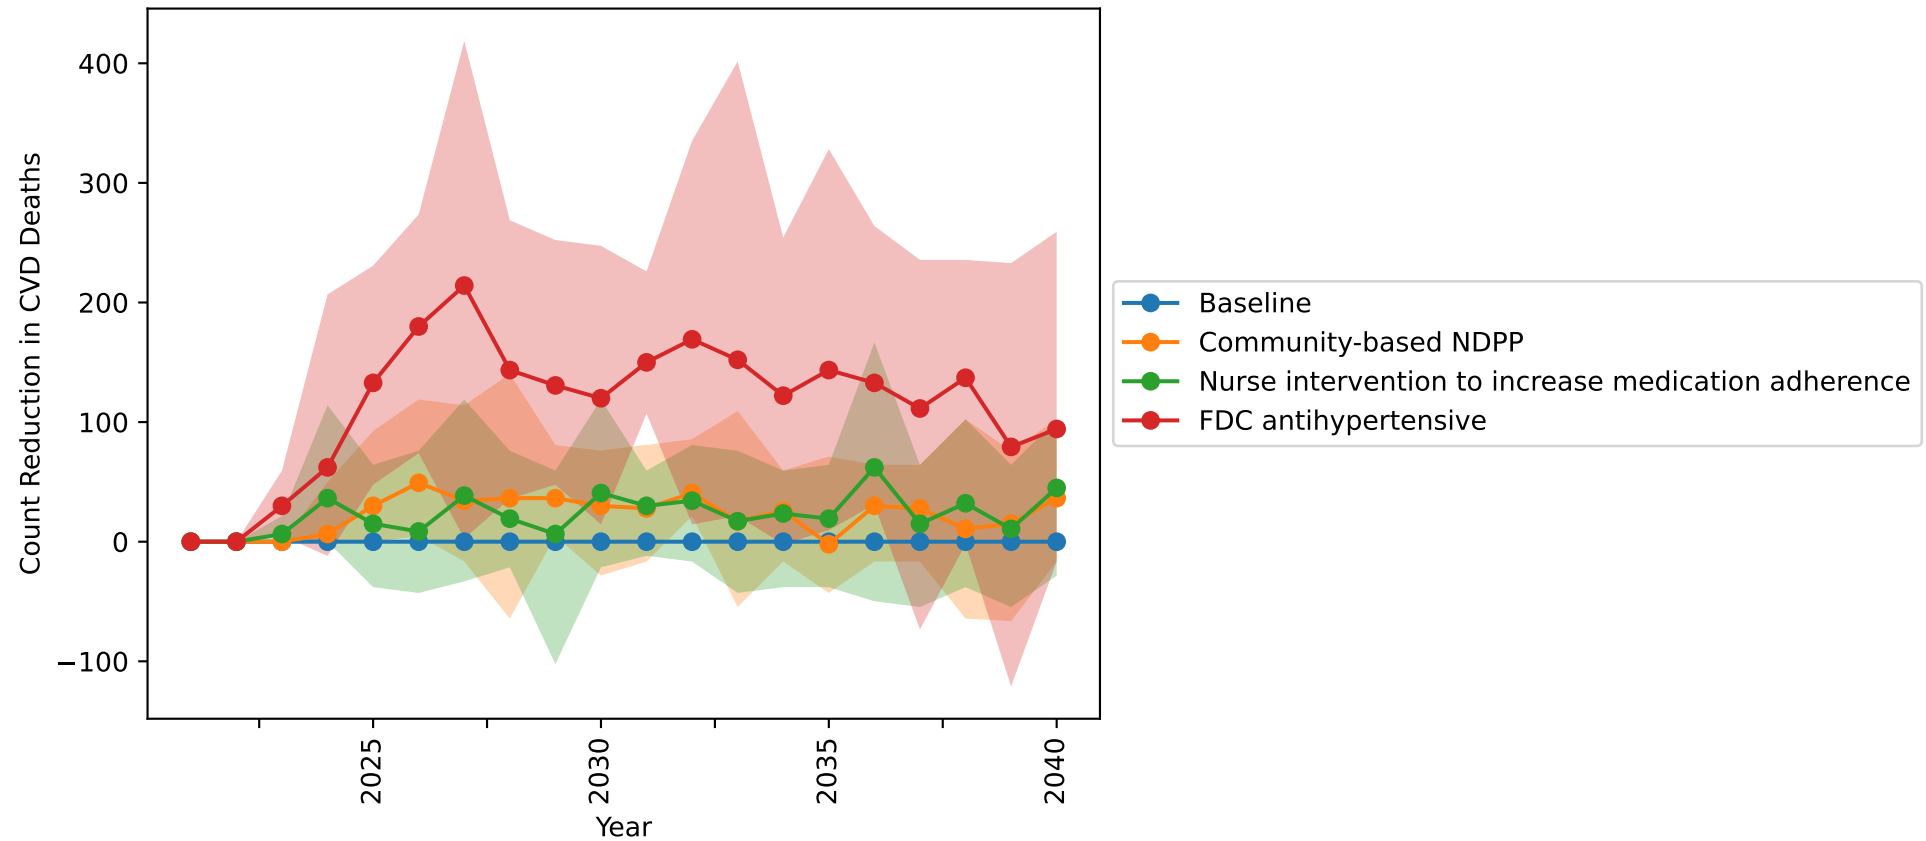

Count Reduction in CVD Deaths for Indiana and Male

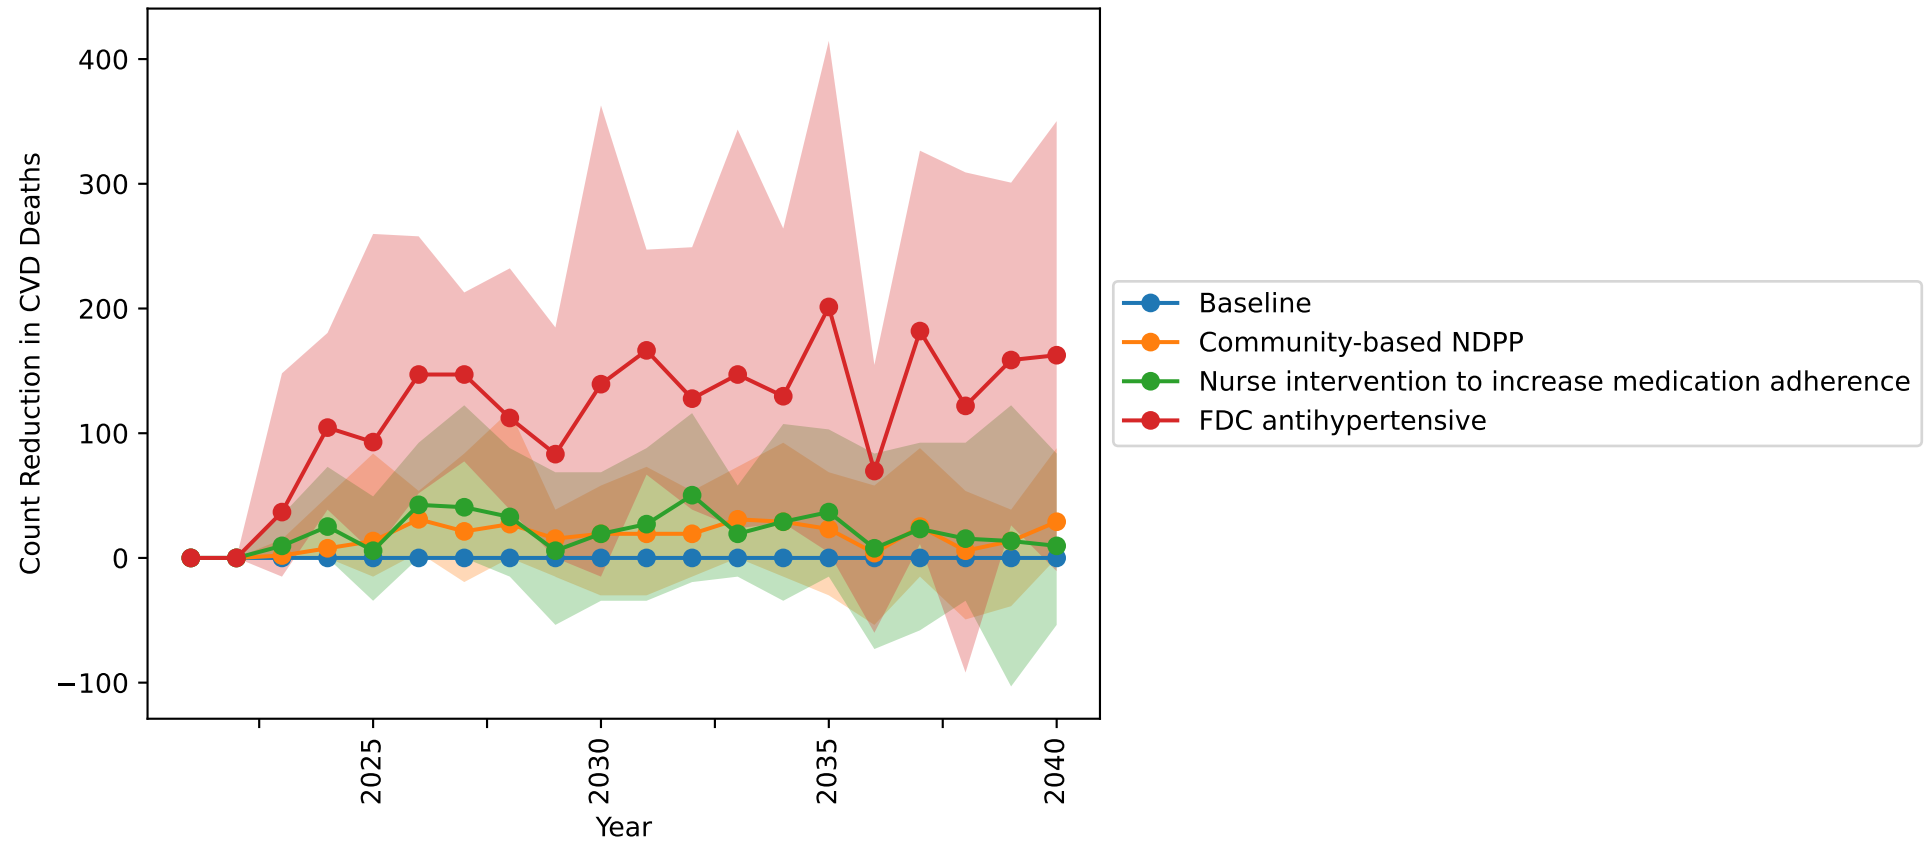

Count Reduction in CVD Deaths for Iowa and Female

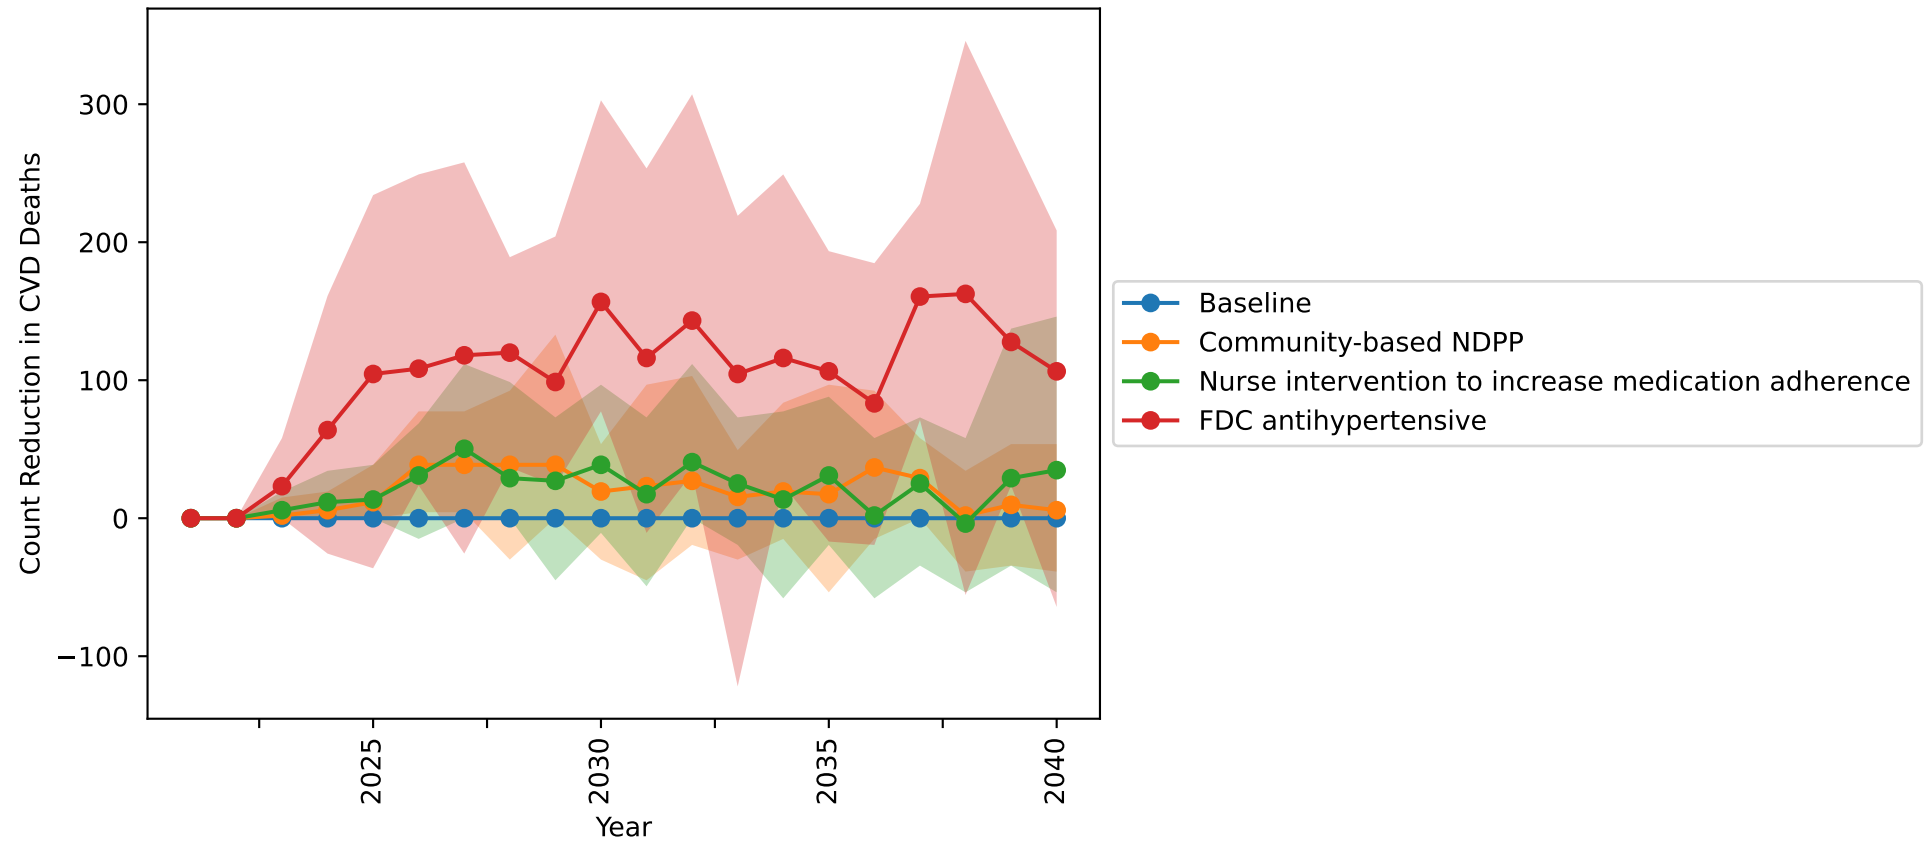

Count Reduction in CVD Deaths for Iowa and Male

Count Reduction in CVD Deaths for Kansas and Female

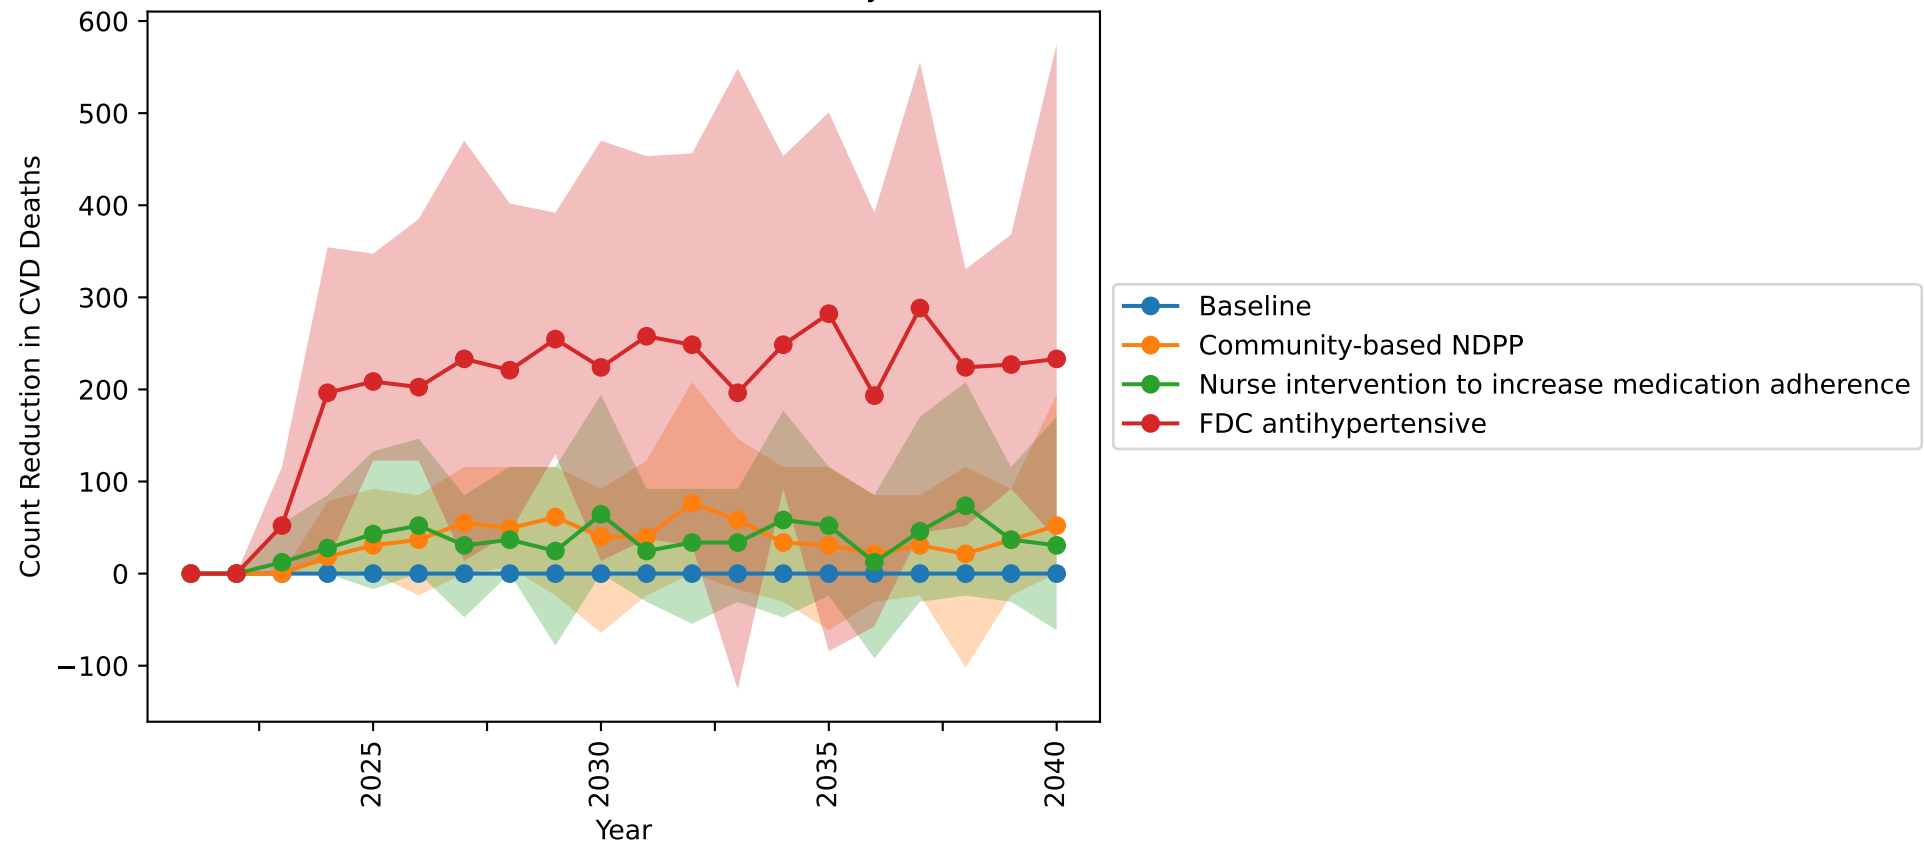

Count Reduction in CVD Deaths for Kansas and Male

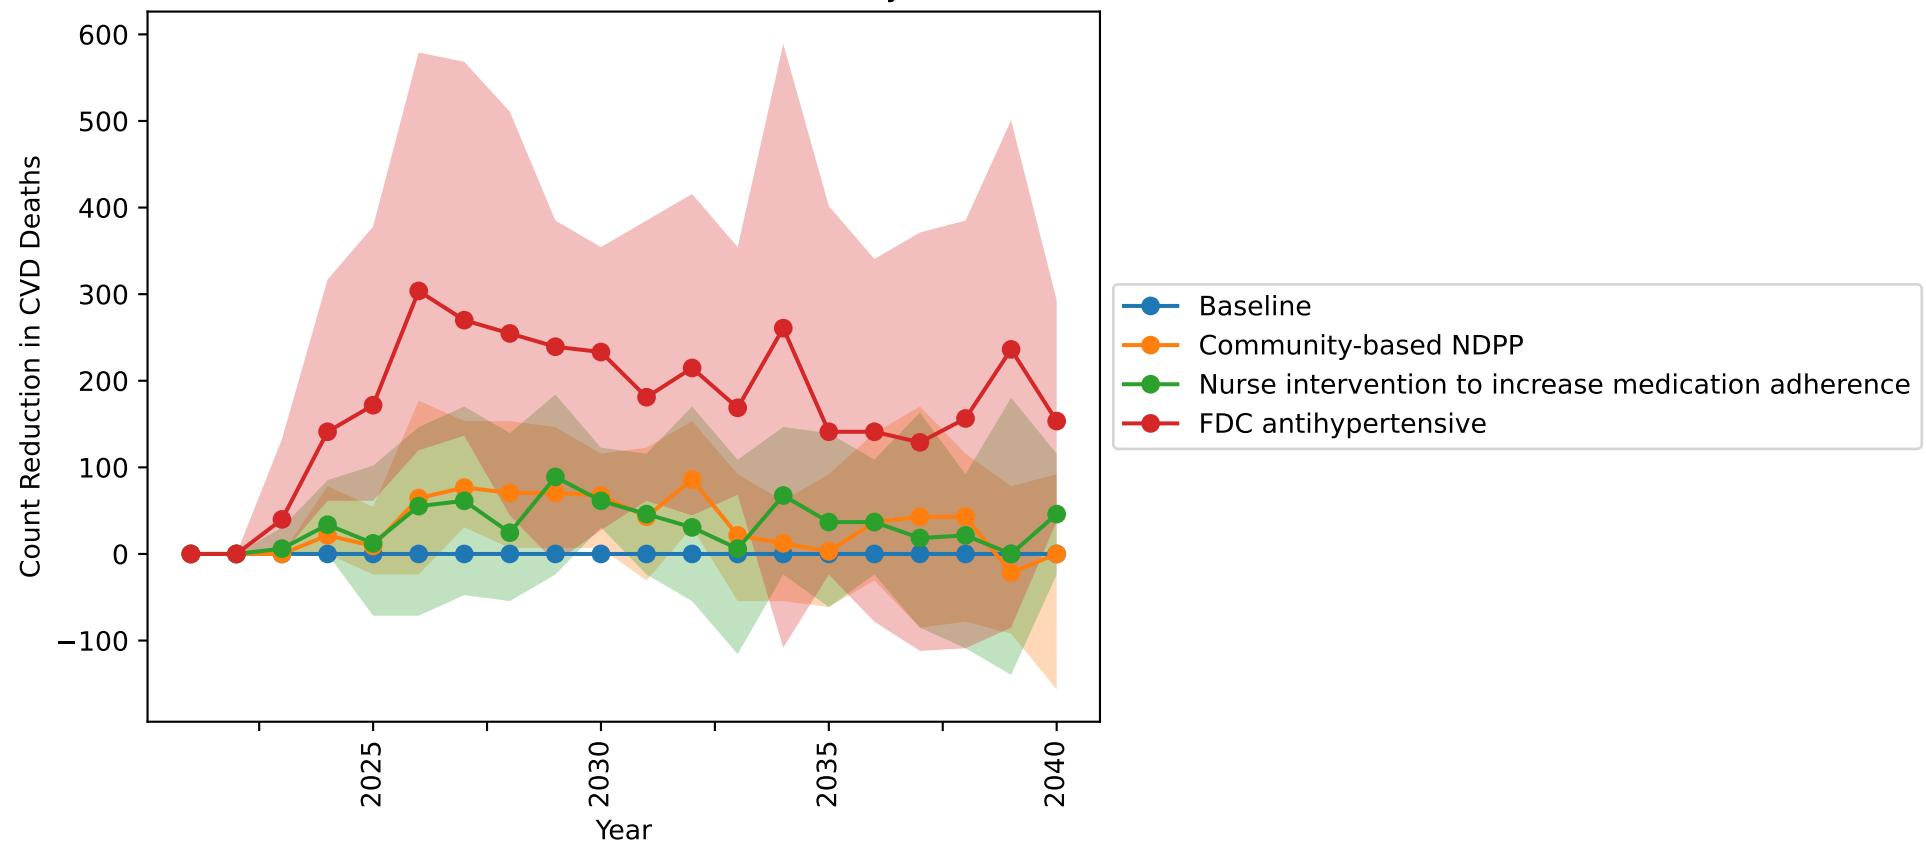

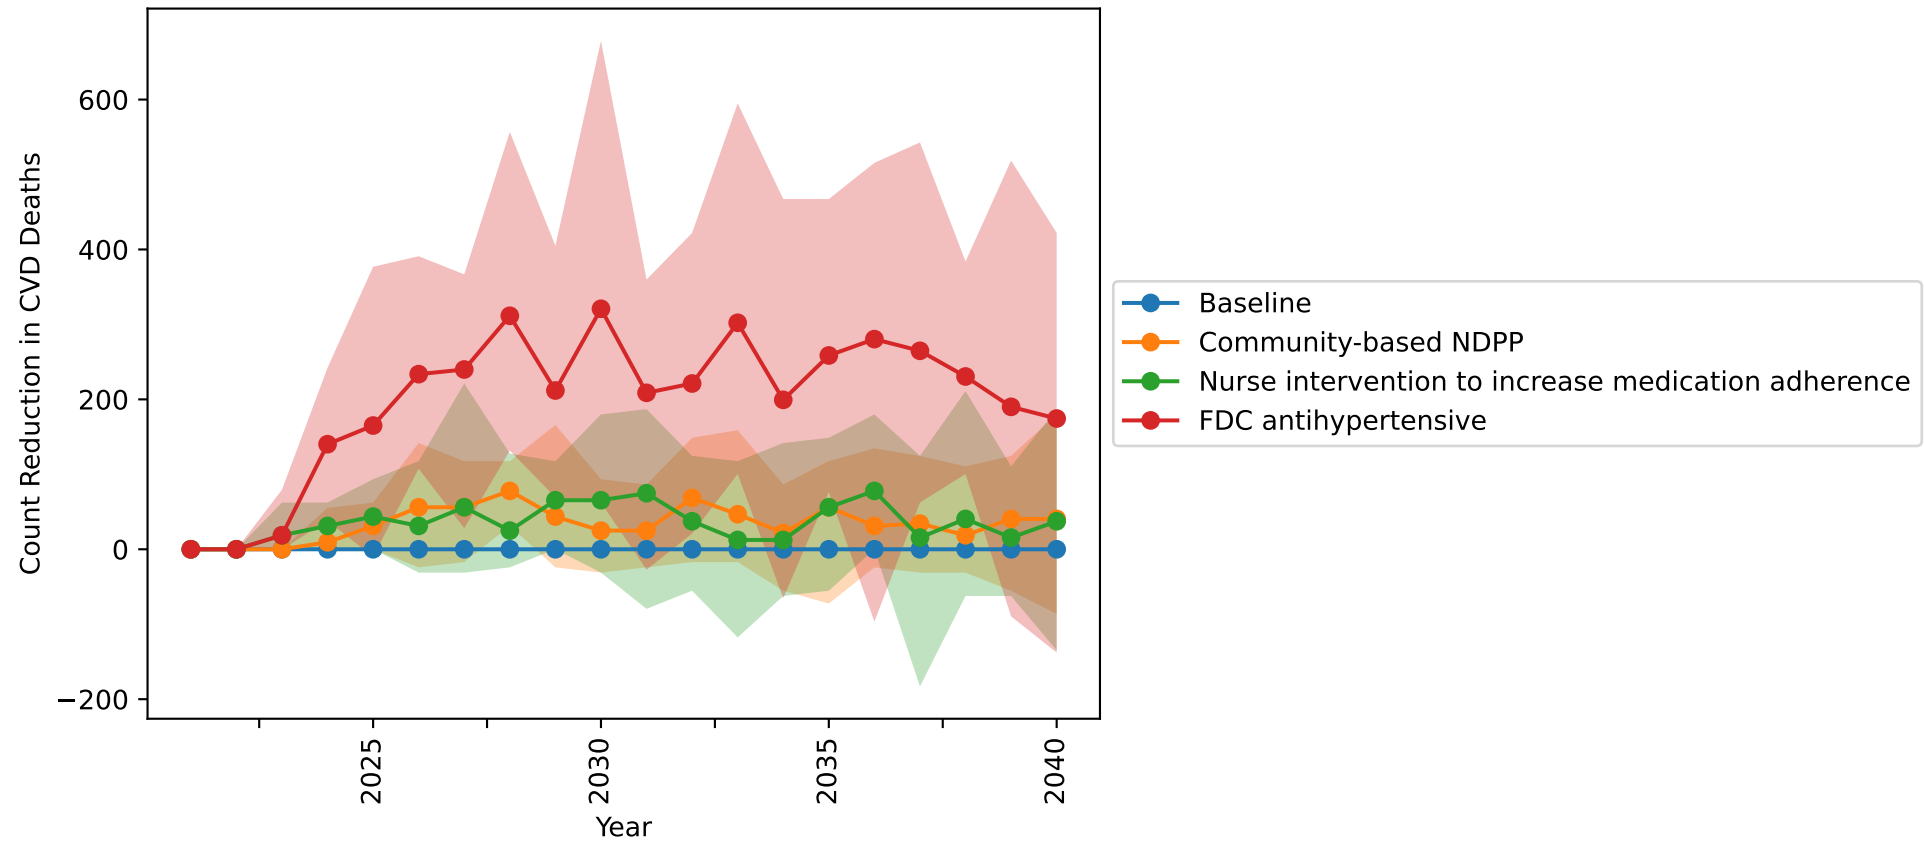

Count Reduction in CVD Deaths for Kentucky and Female

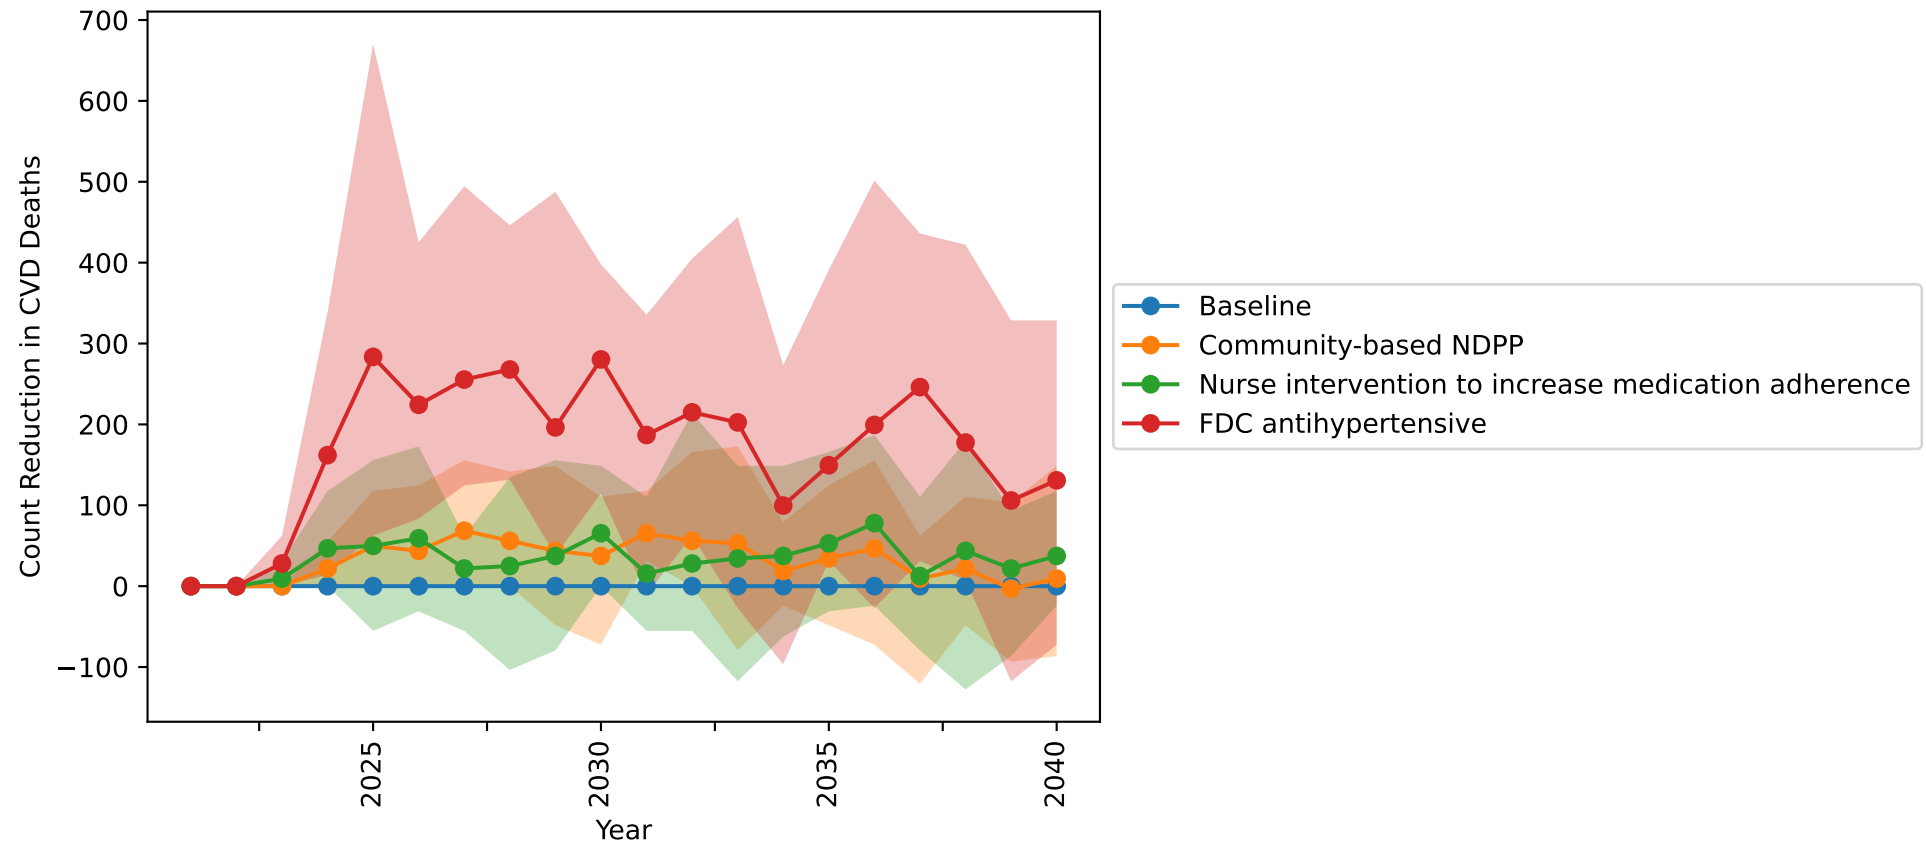

Count Reduction in CVD Deaths for Kentucky and Male

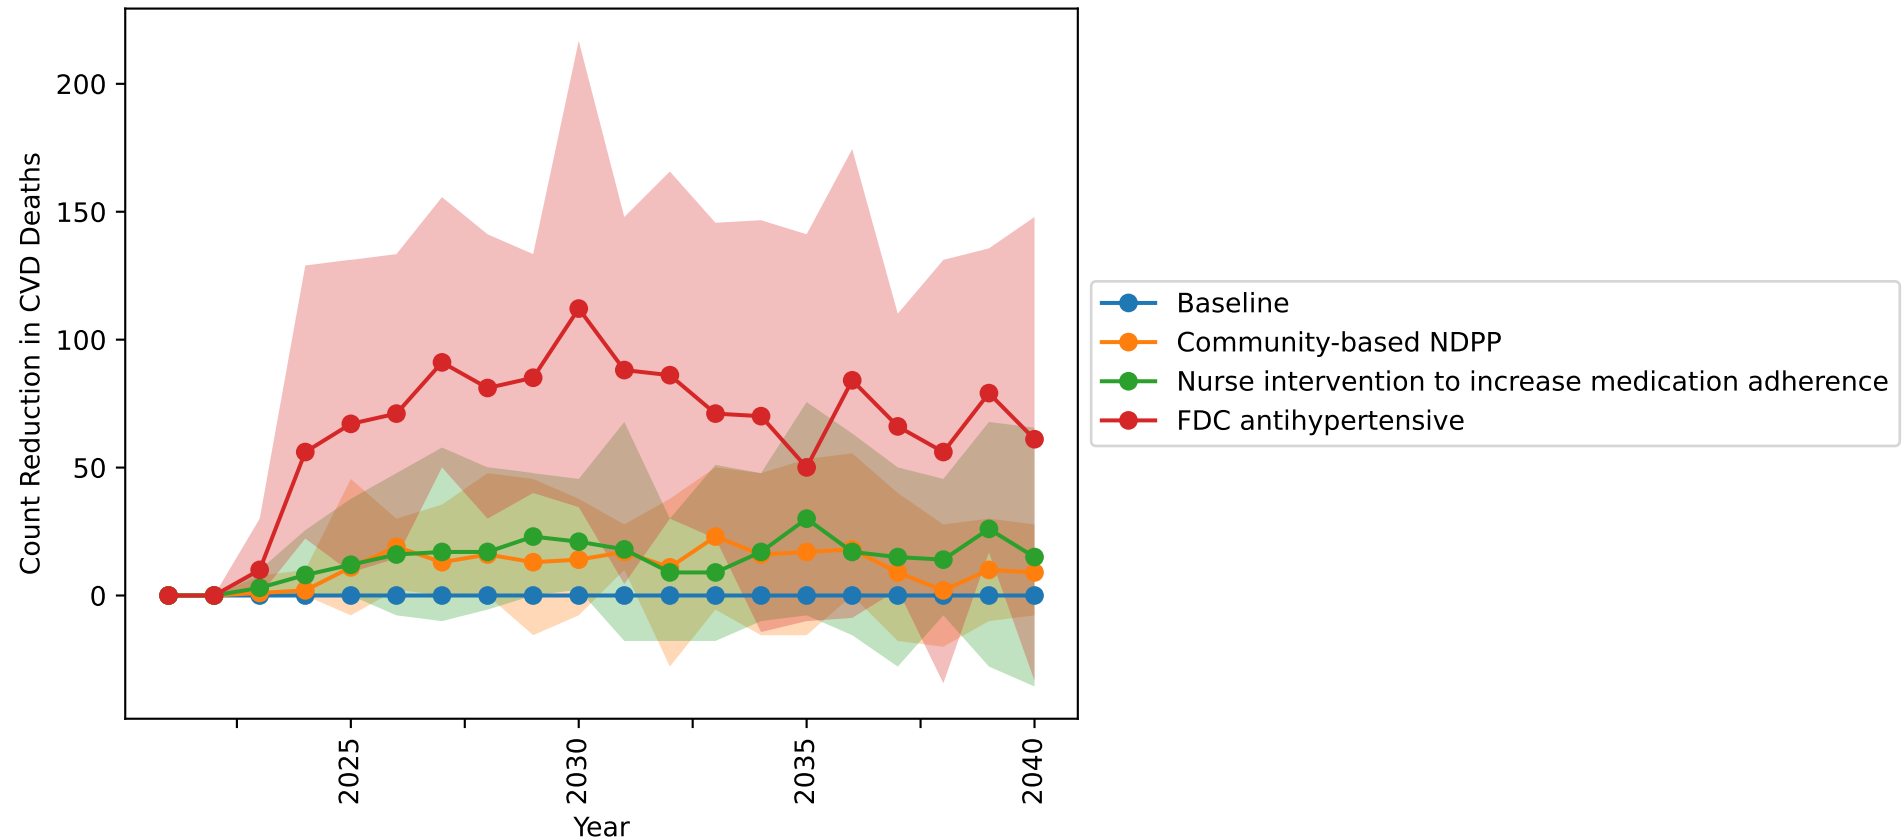

Count Reduction in CVD Deaths for Louisiana and Female

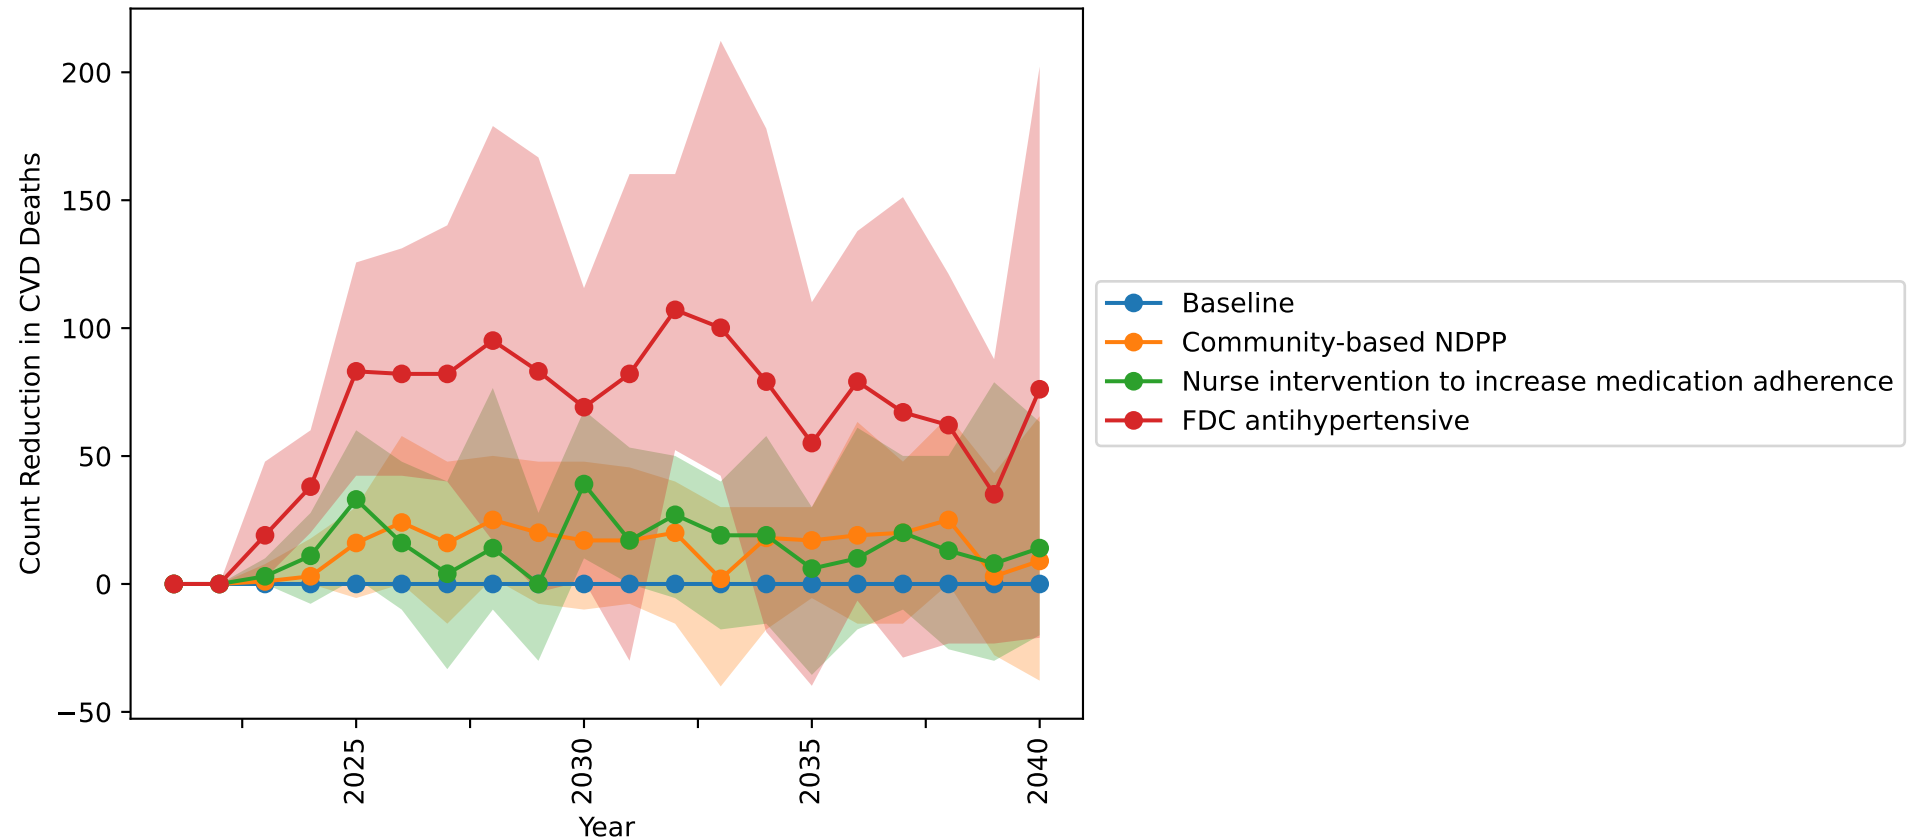

Count Reduction in CVD Deaths for Louisiana and Male

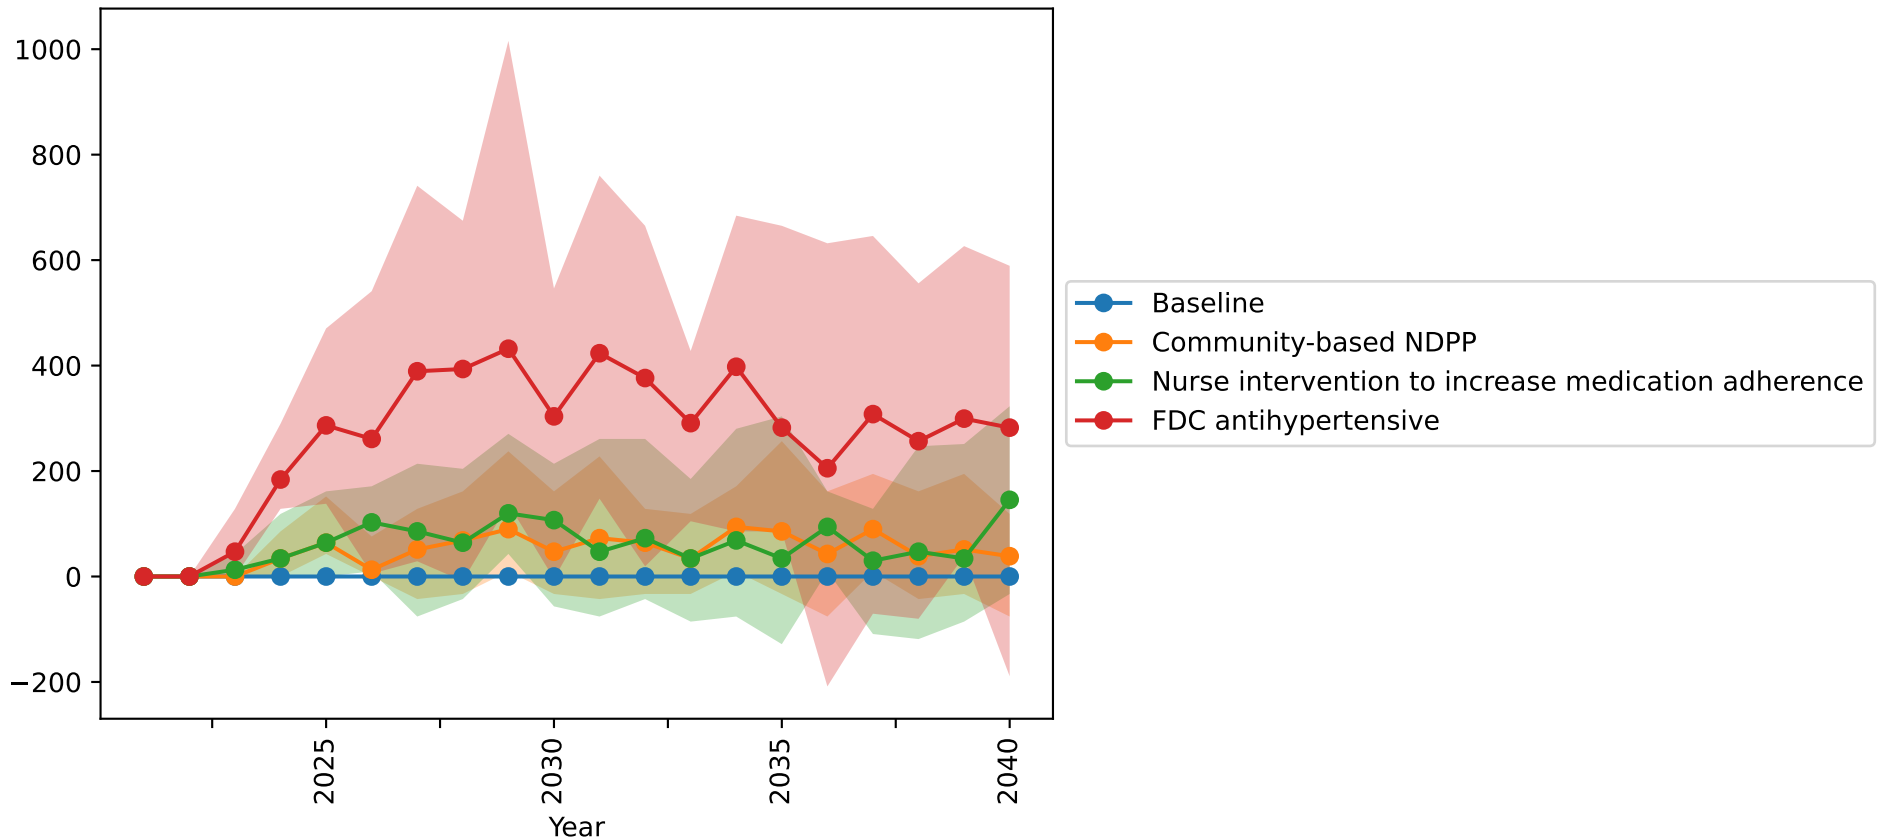

Count Reduction in CVD Deaths for Maine and Female

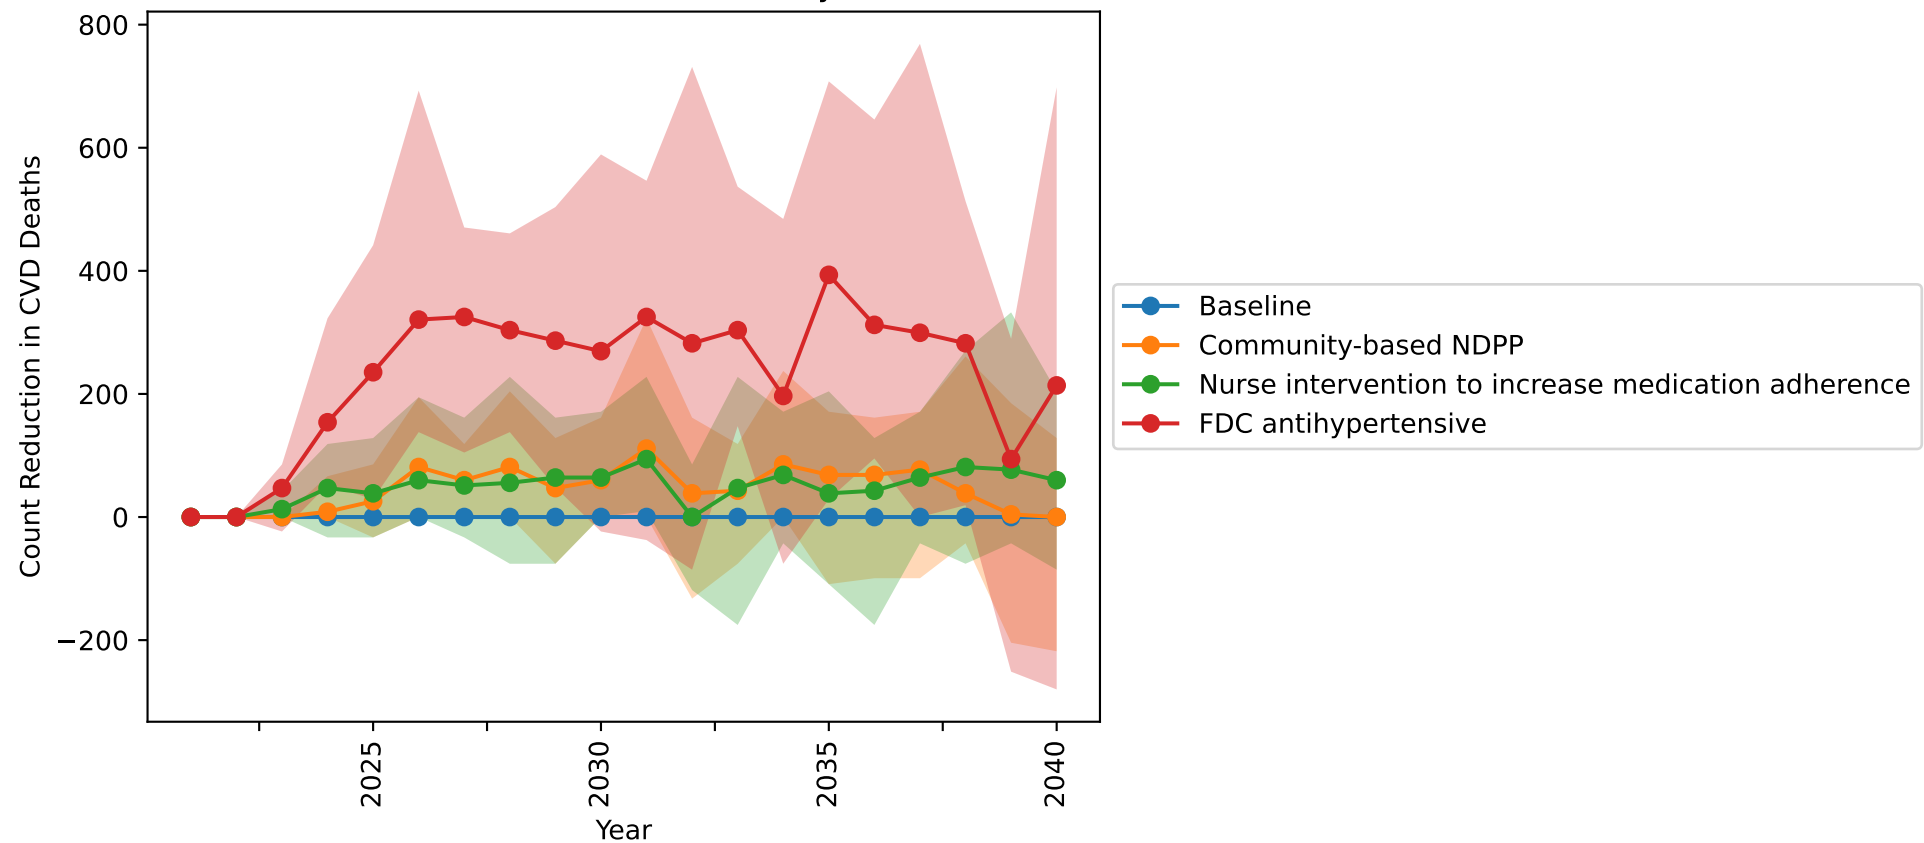

Count Reduction in CVD Deaths for Maine and Male

Count Reduction in CVD Deaths for Maryland and Female

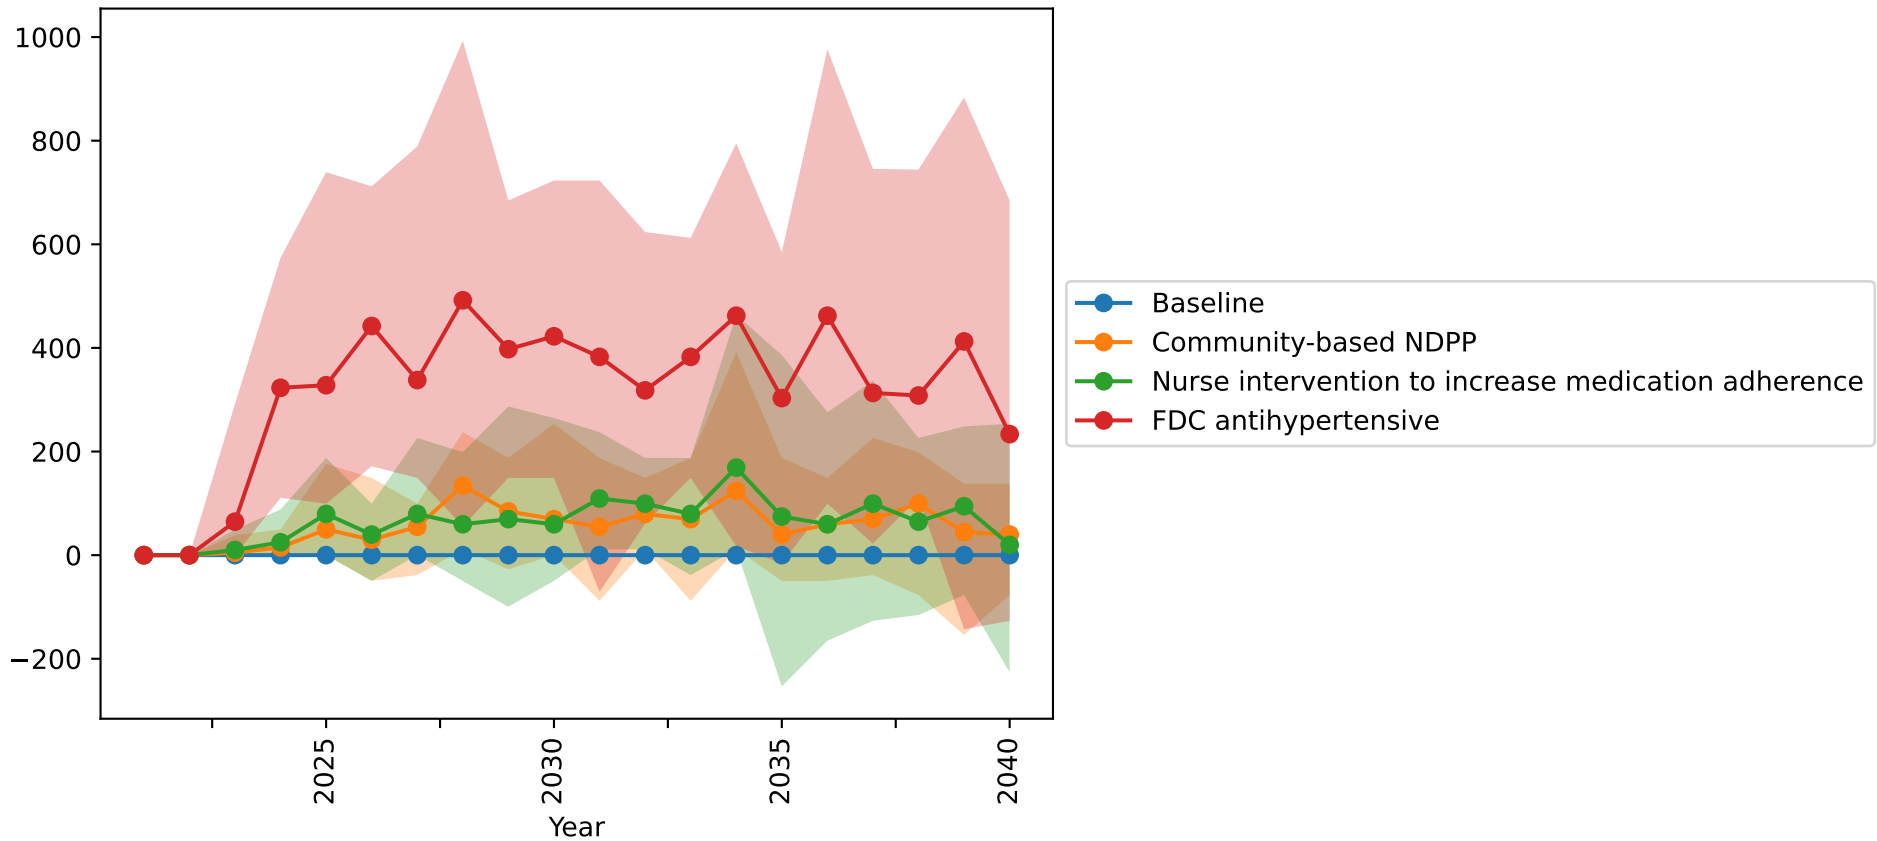

Count Reduction in CVD Deaths for Maryland and Male

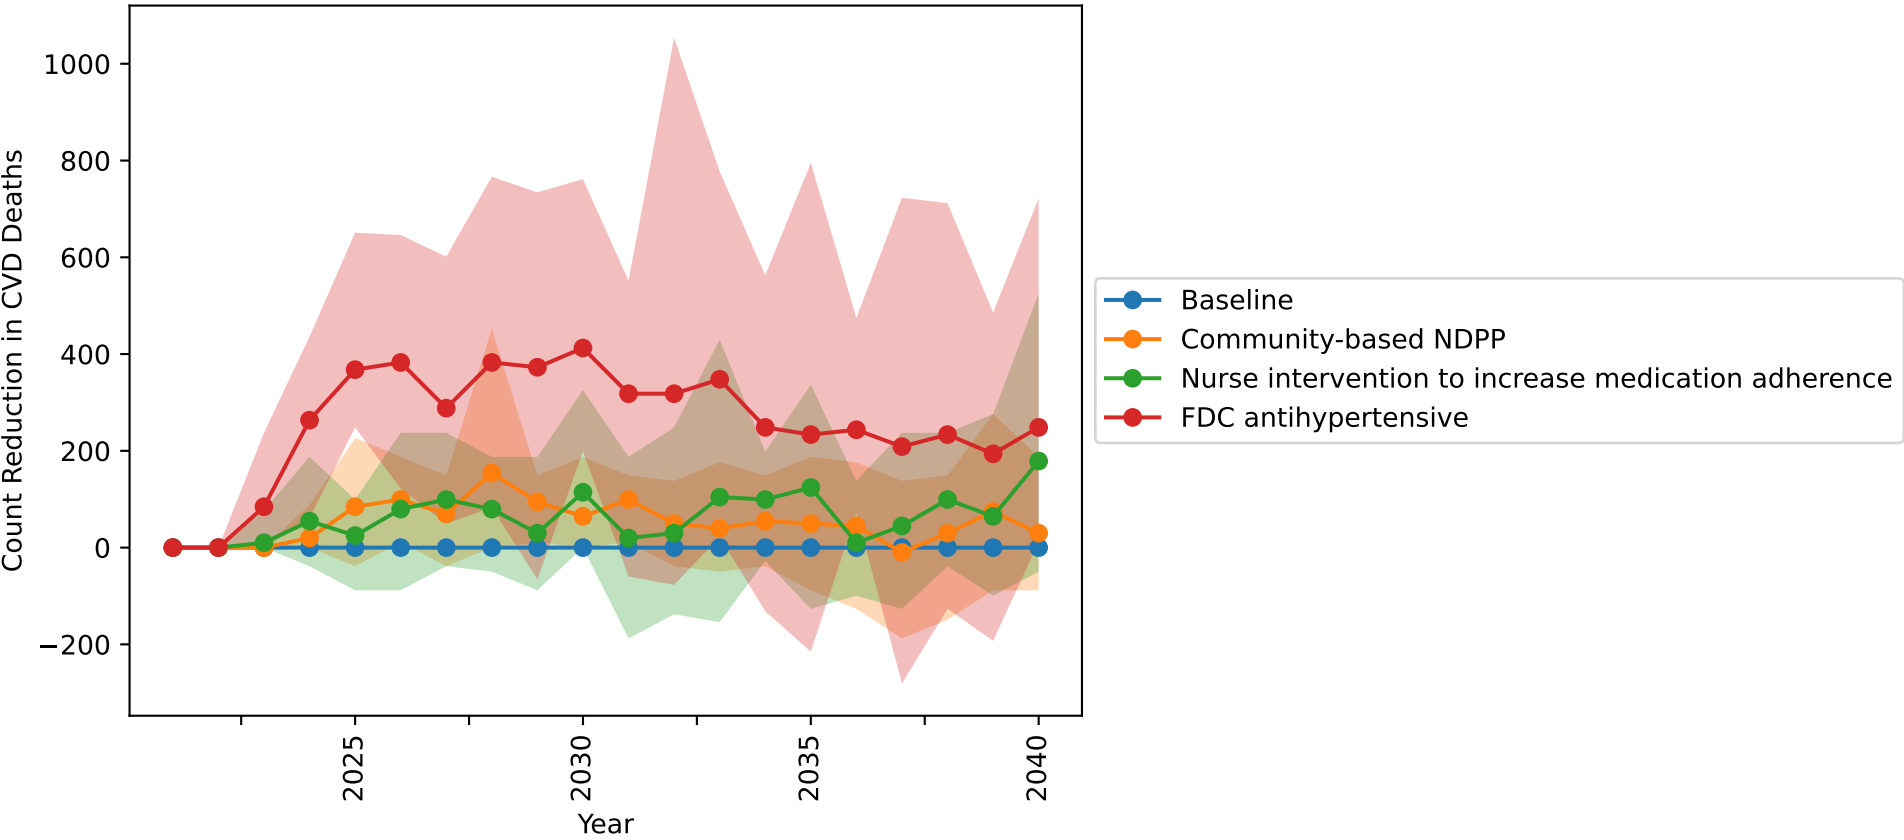

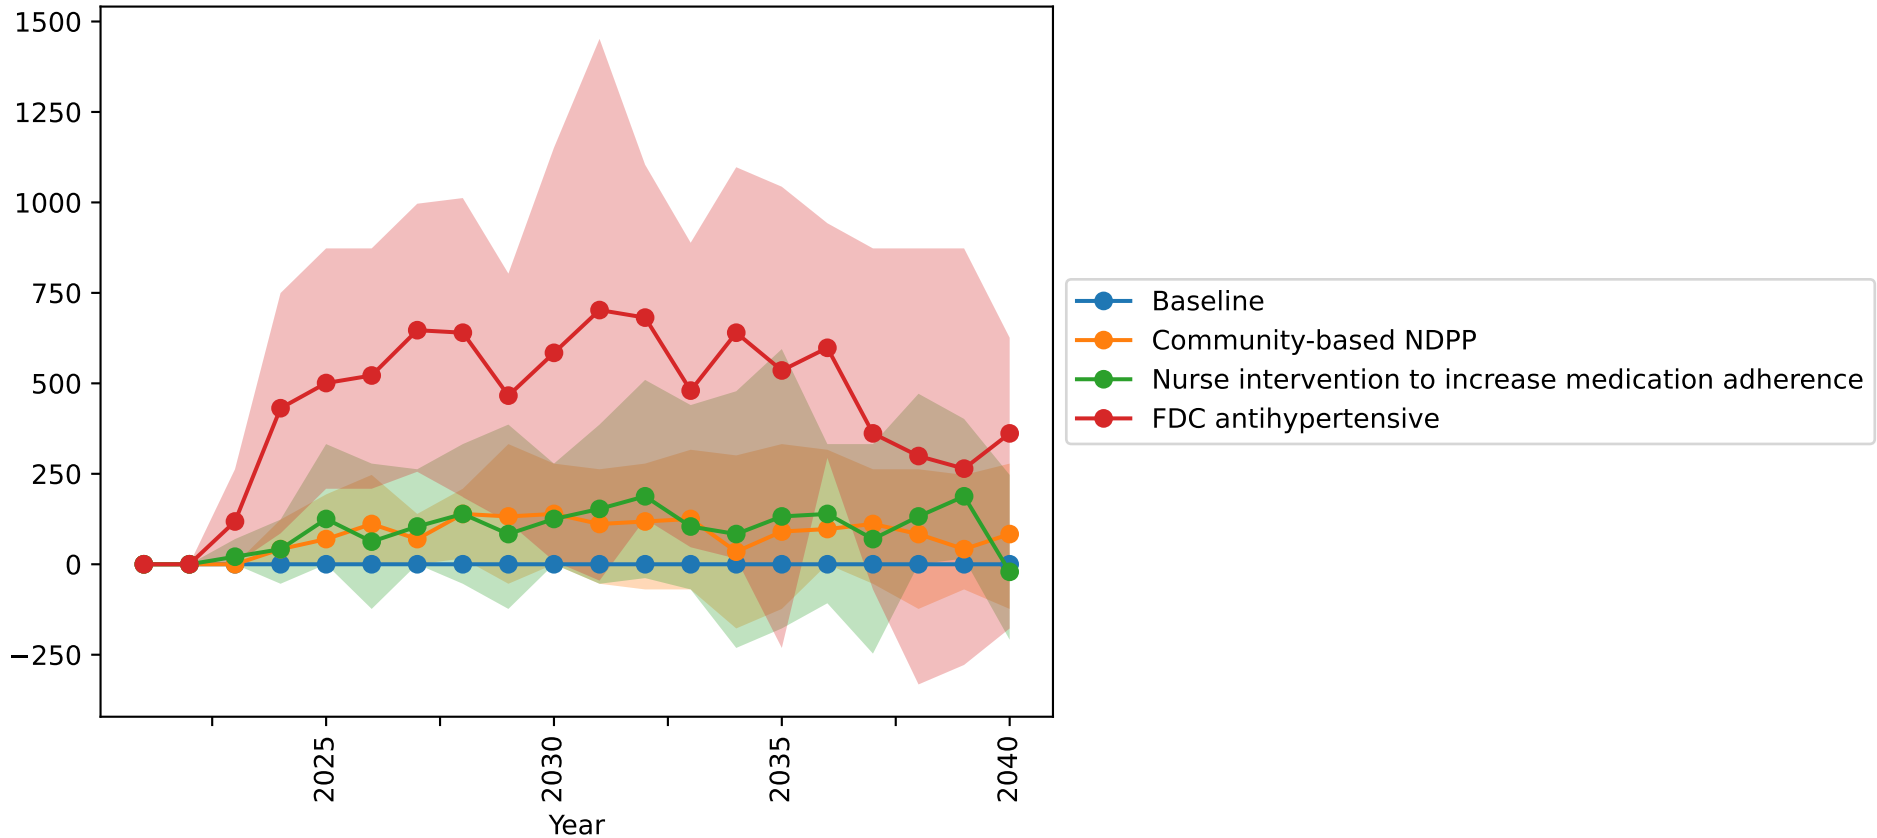

Count Reduction in CVD Deaths for Massachusetts and Female

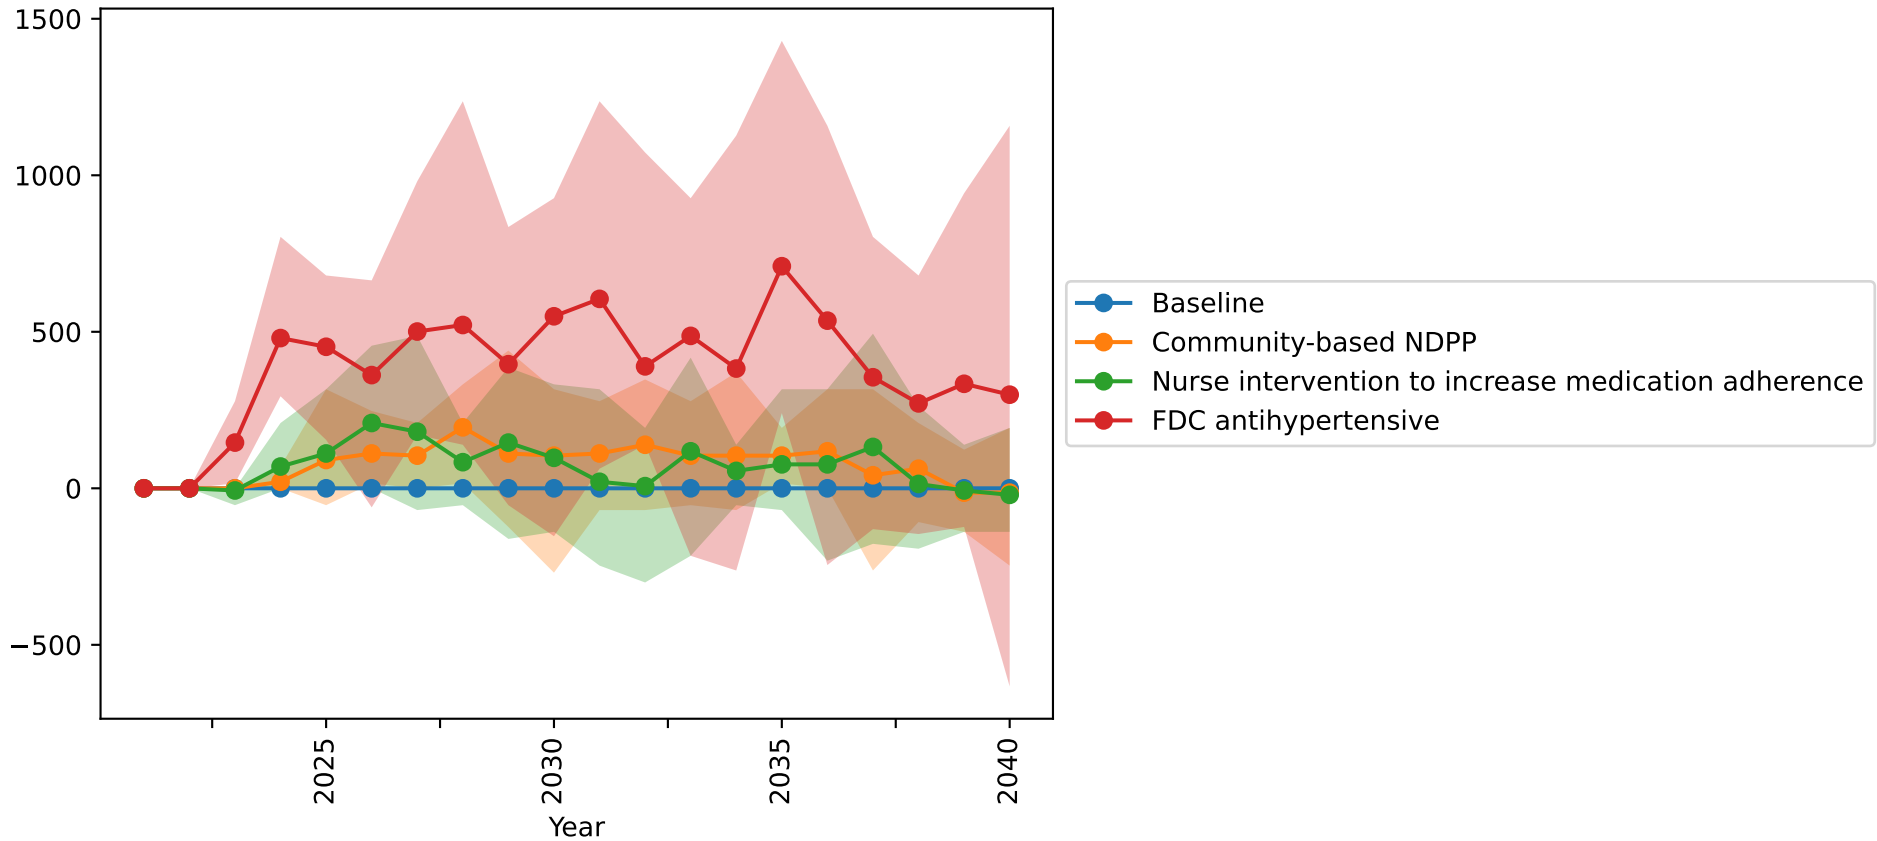

Count Reduction in CVD Deaths for Massachusetts and Male

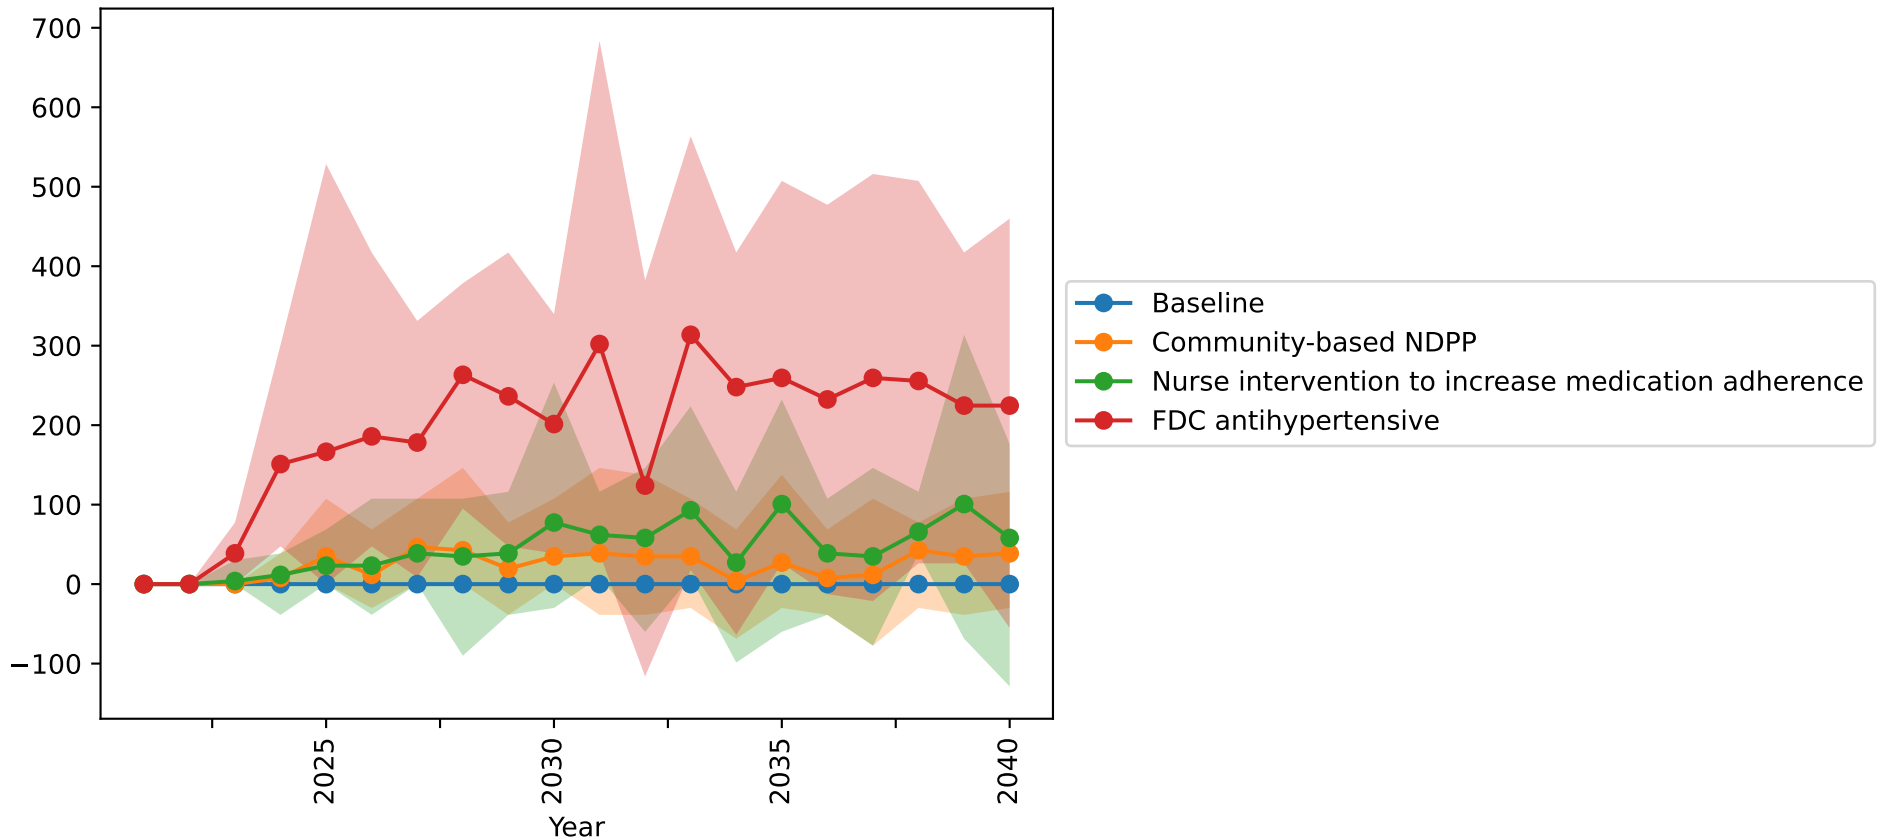

Count Reduction in CVD Deaths for Michigan and Female

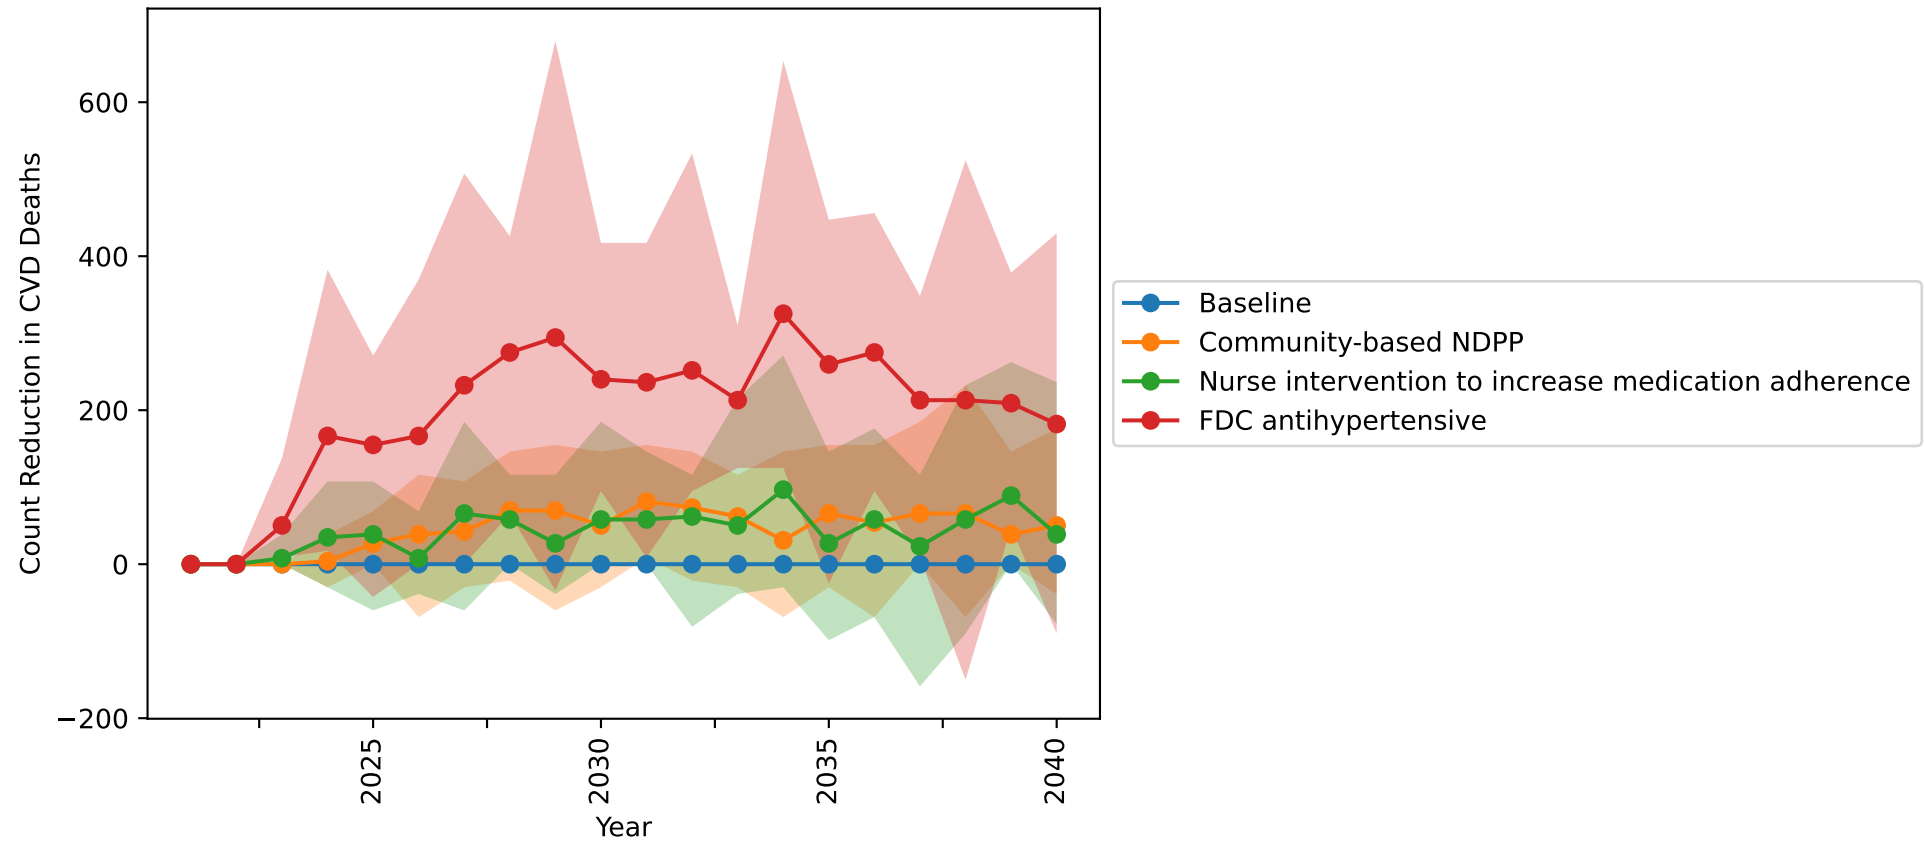

Count Reduction in CVD Deaths for Michigan and Male

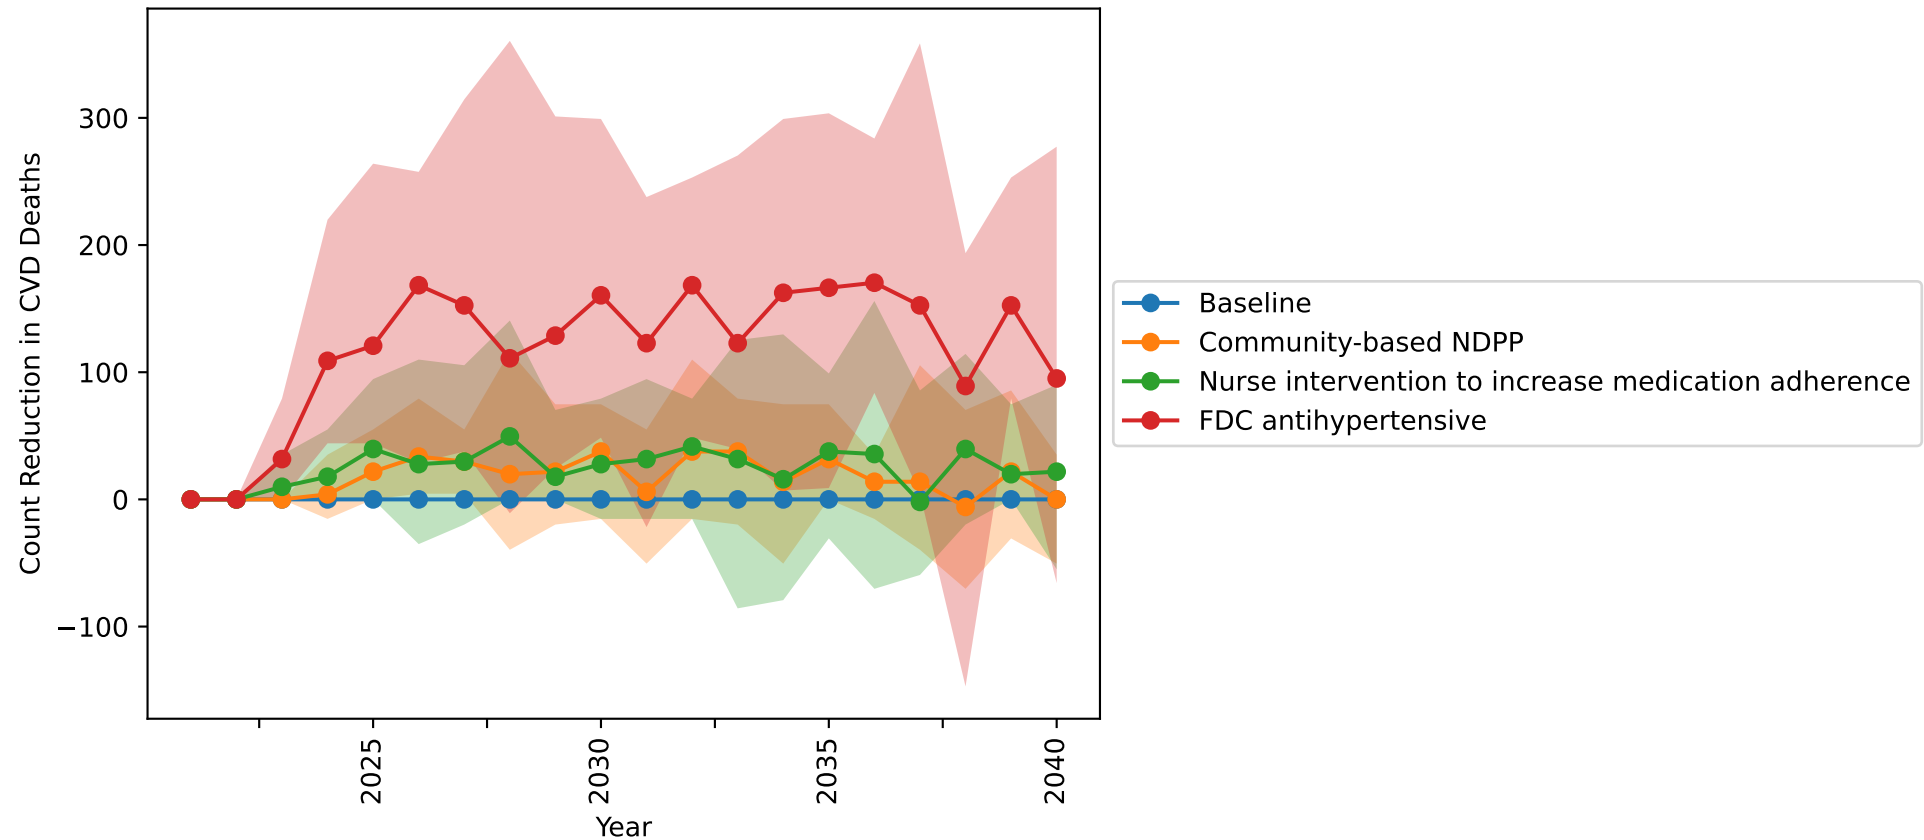

Count Reduction in CVD Deaths for Minnesota and Female

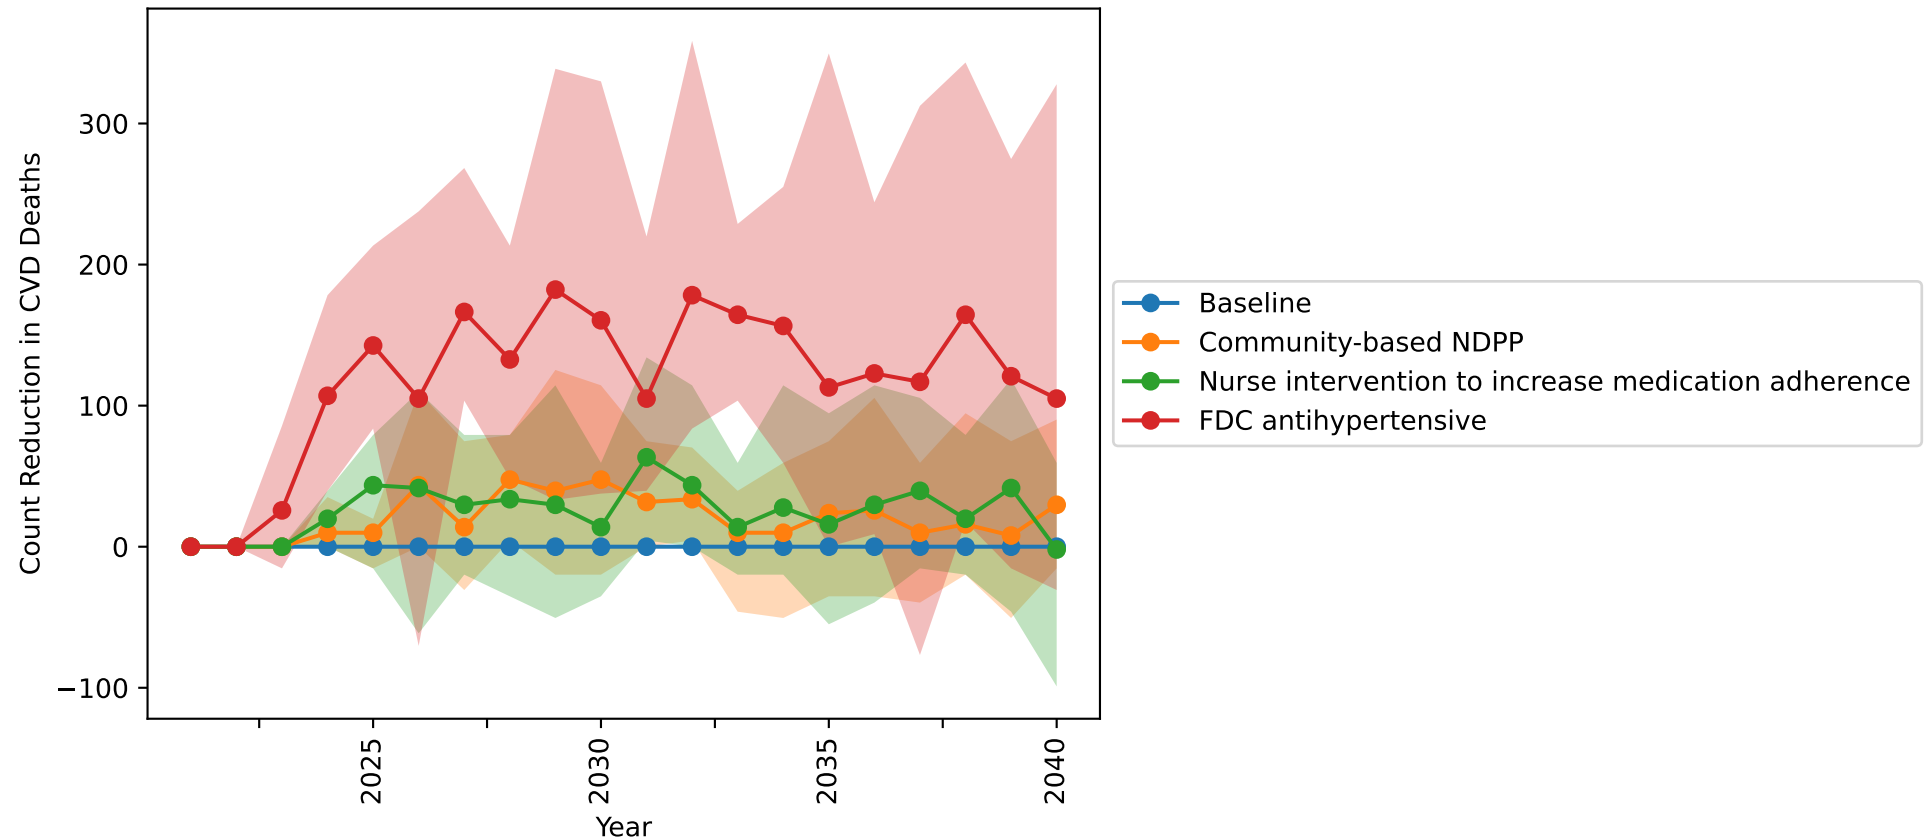

Count Reduction in CVD Deaths for Minnesota and Male

Count Reduction in CVD Deaths for Mississippi and Female

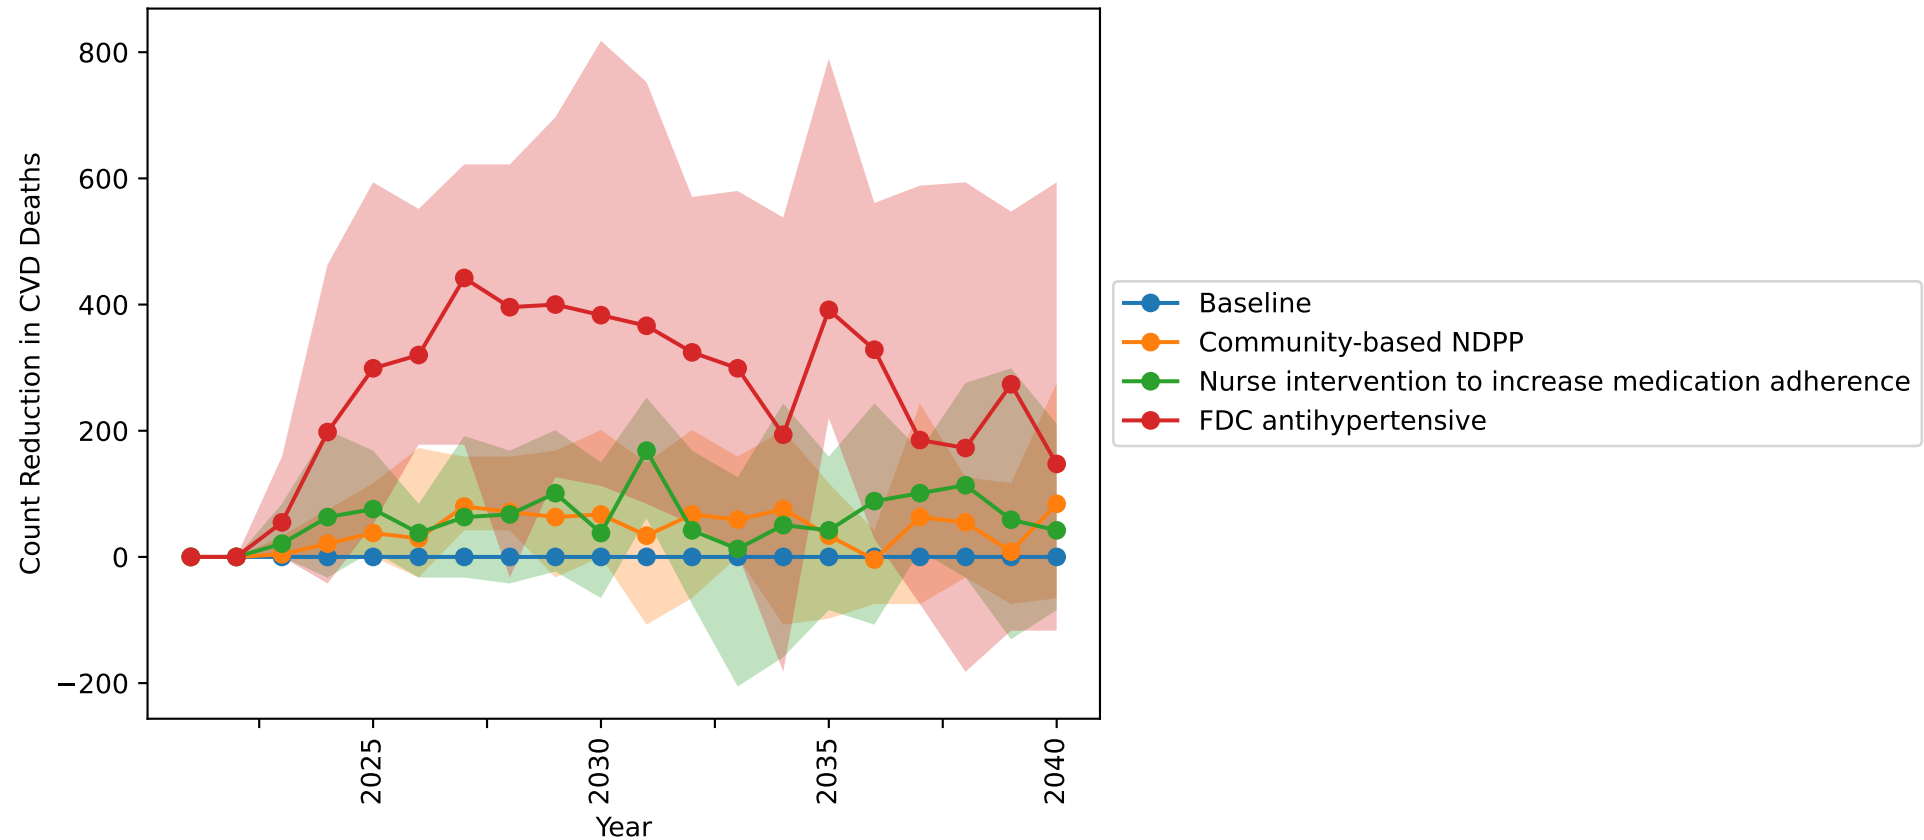

Count Reduction in CVD Deaths for Mississippi and Male

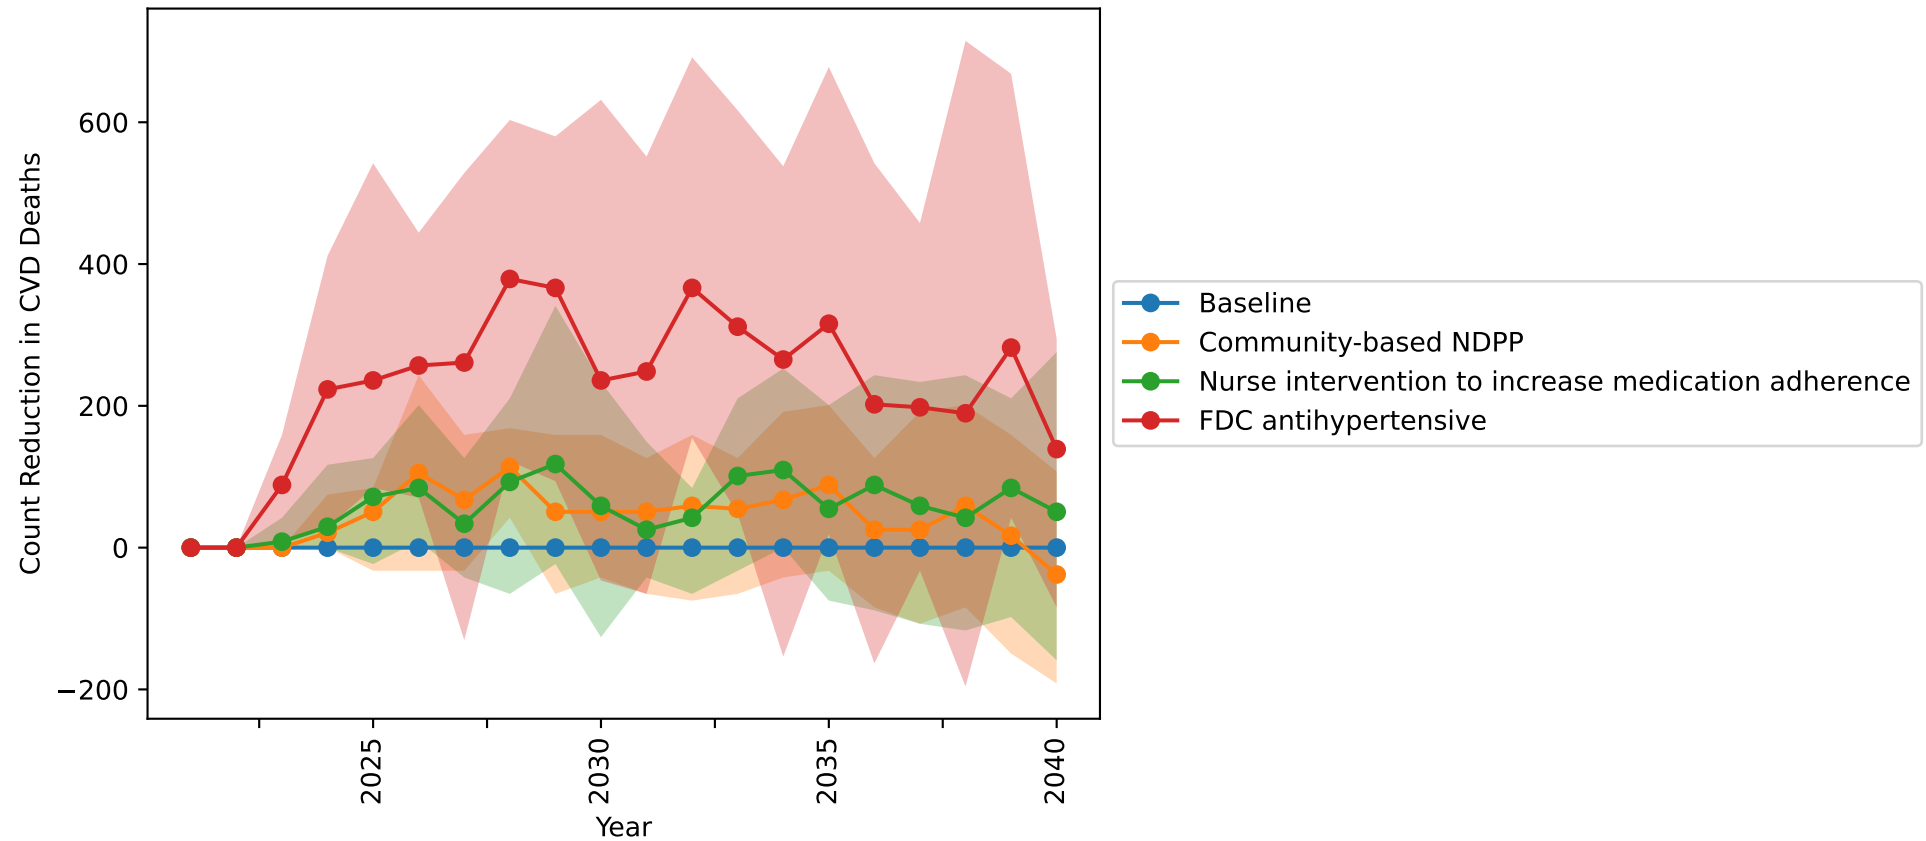

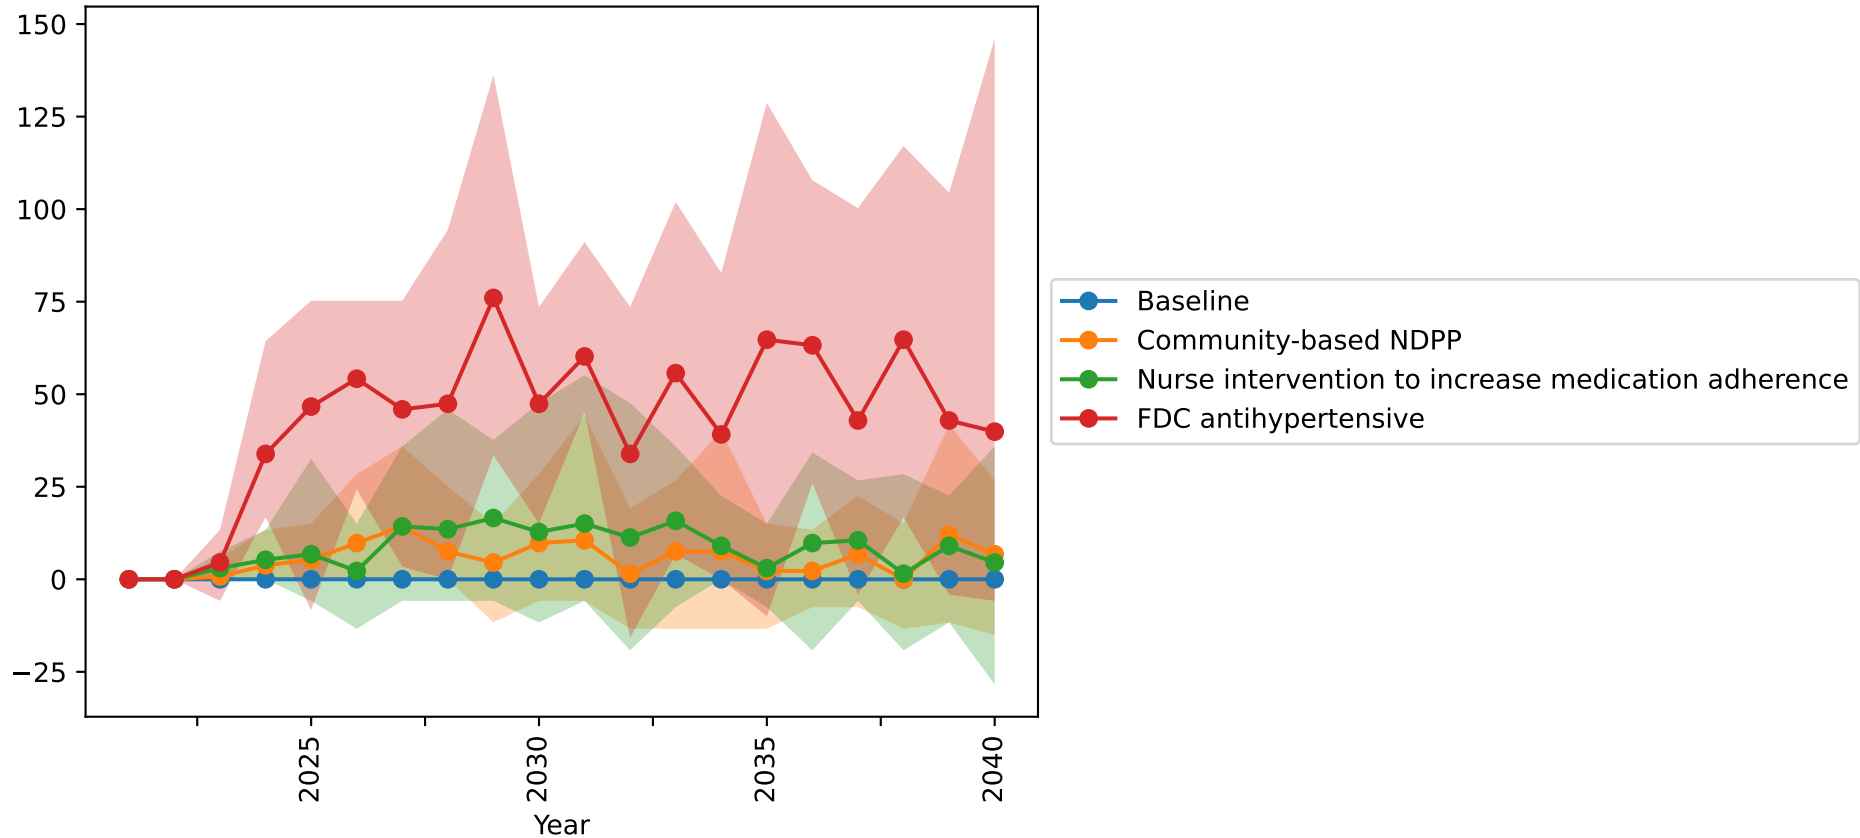

Count Reduction in CVD Deaths for Missouri and Female

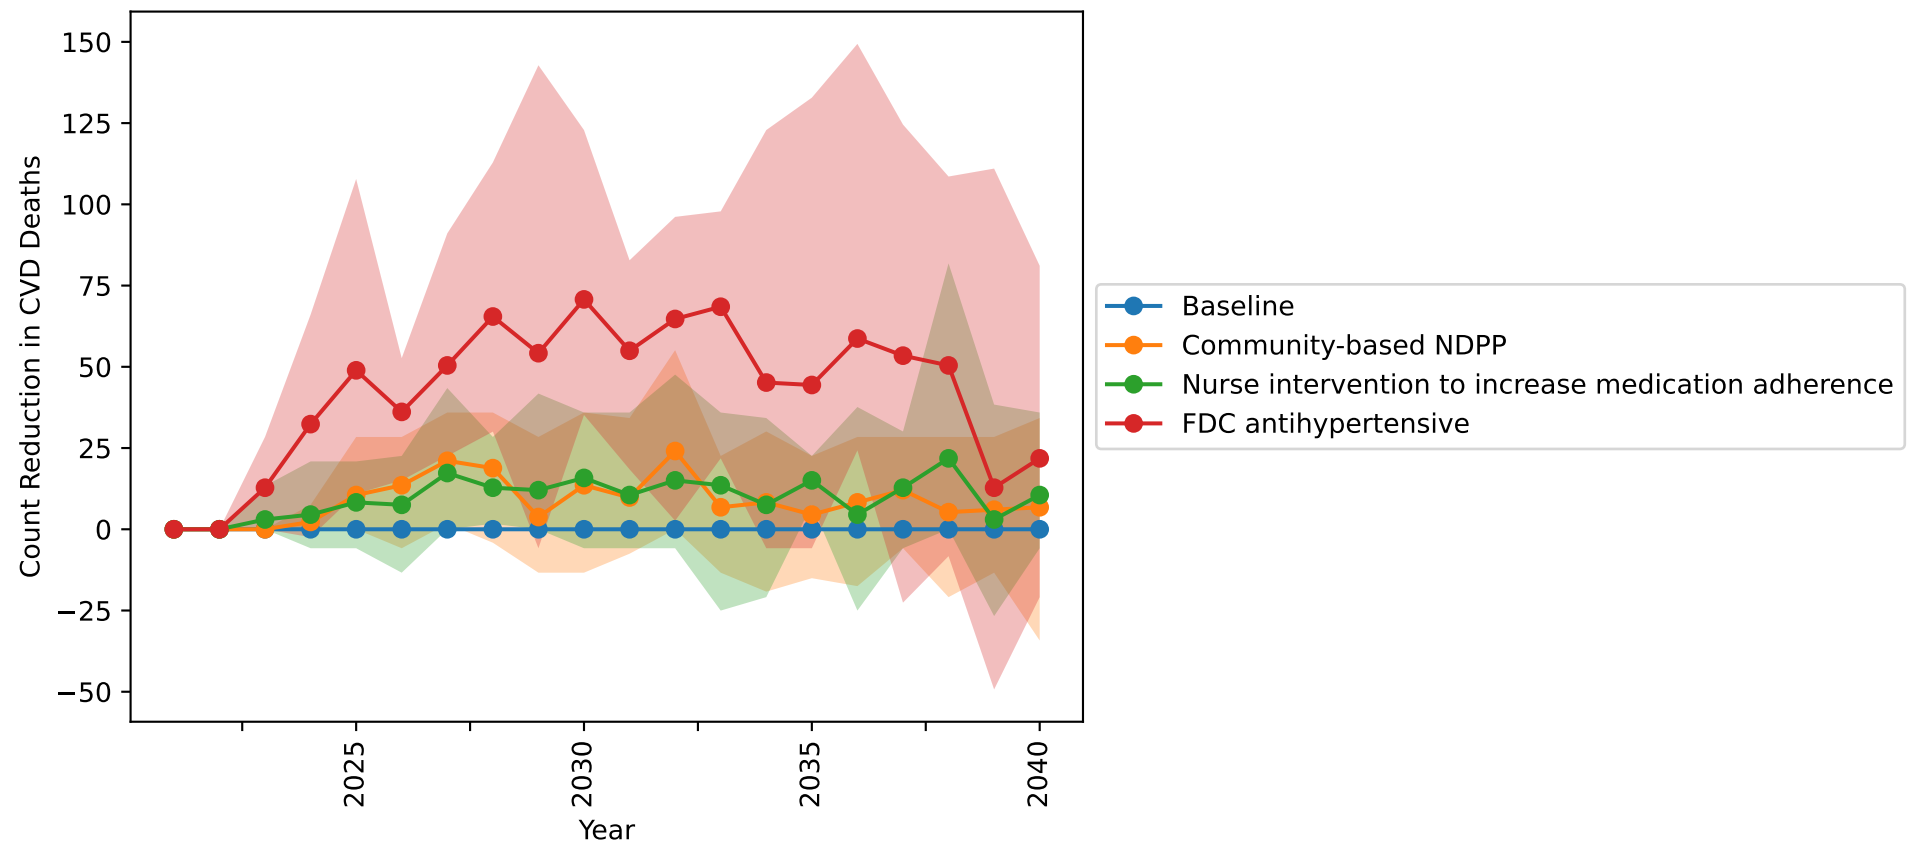

Count Reduction in CVD Deaths for Missouri and Male

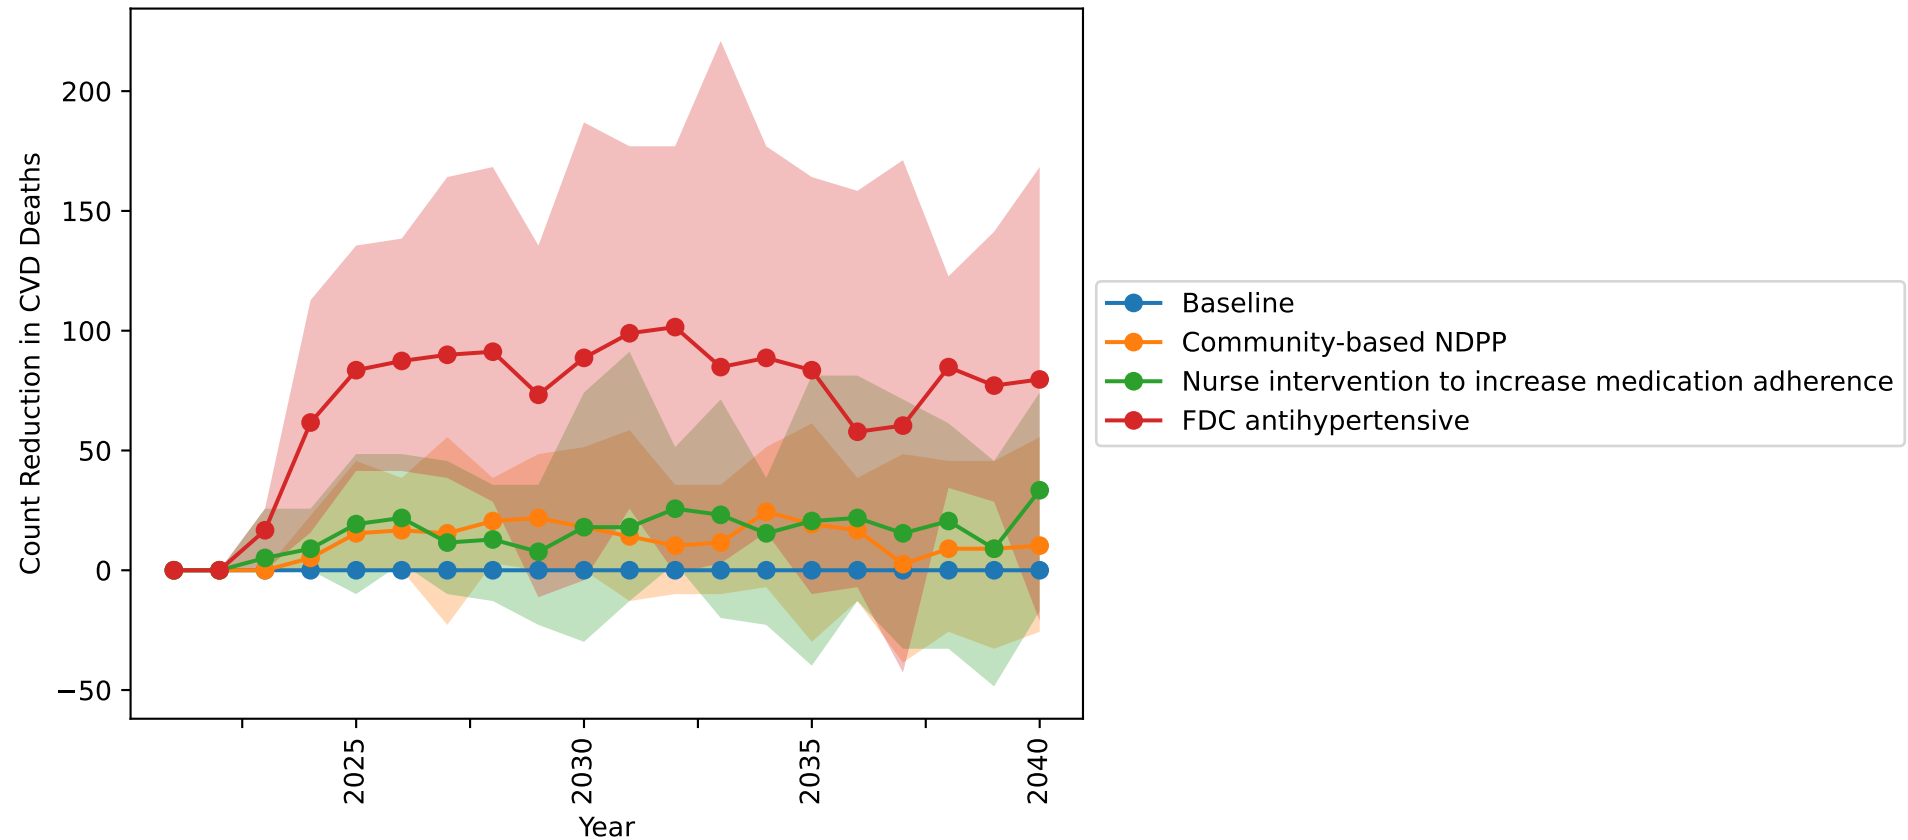

Count Reduction in CVD Deaths for Montana and Female

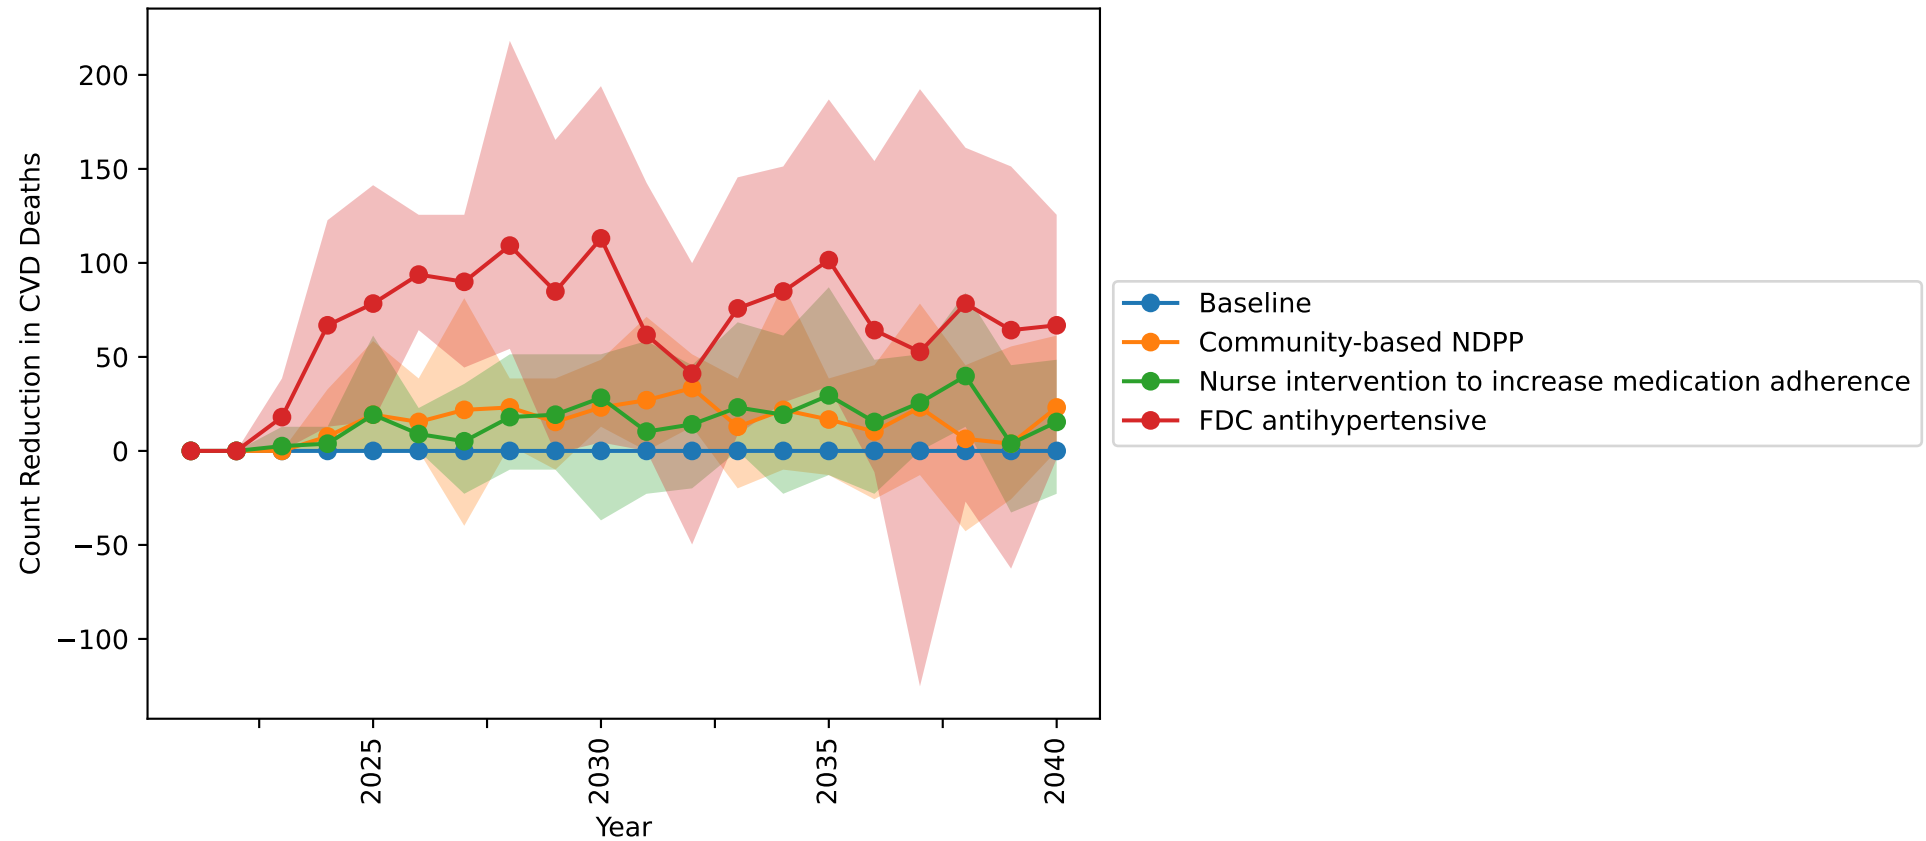

Count Reduction in CVD Deaths for Montana and Male

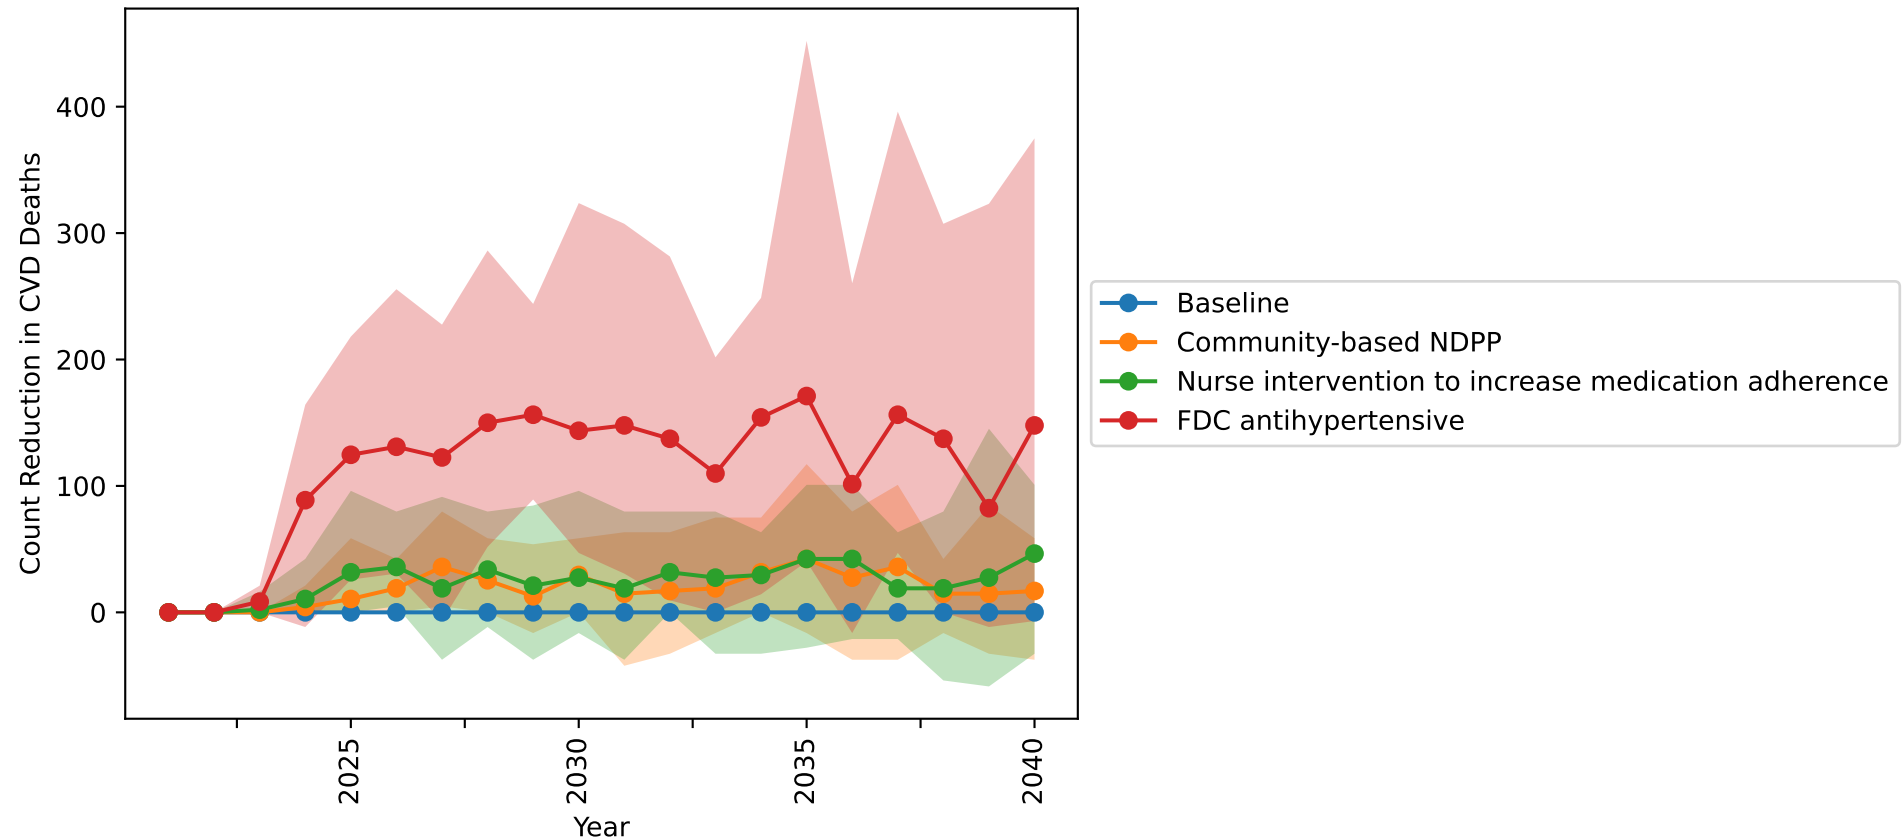

Count Reduction in CVD Deaths for Nebraska and Female

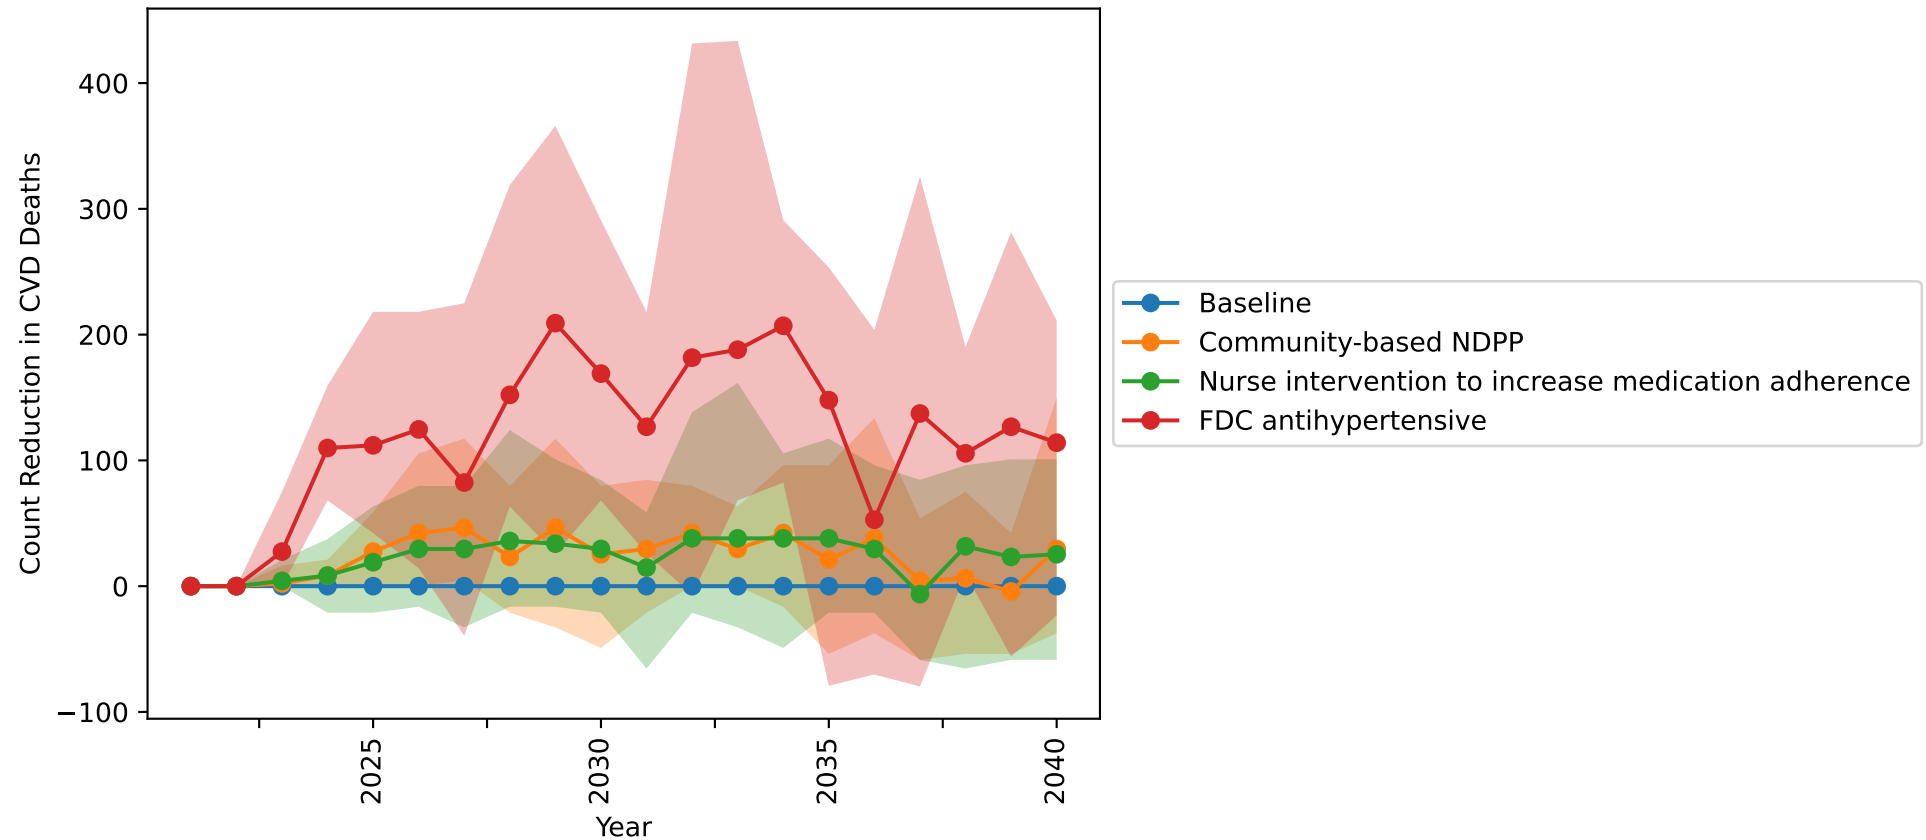

Count Reduction in CVD Deaths for Nebraska and Male

Count Reduction in CVD Deaths for Nevada and Female

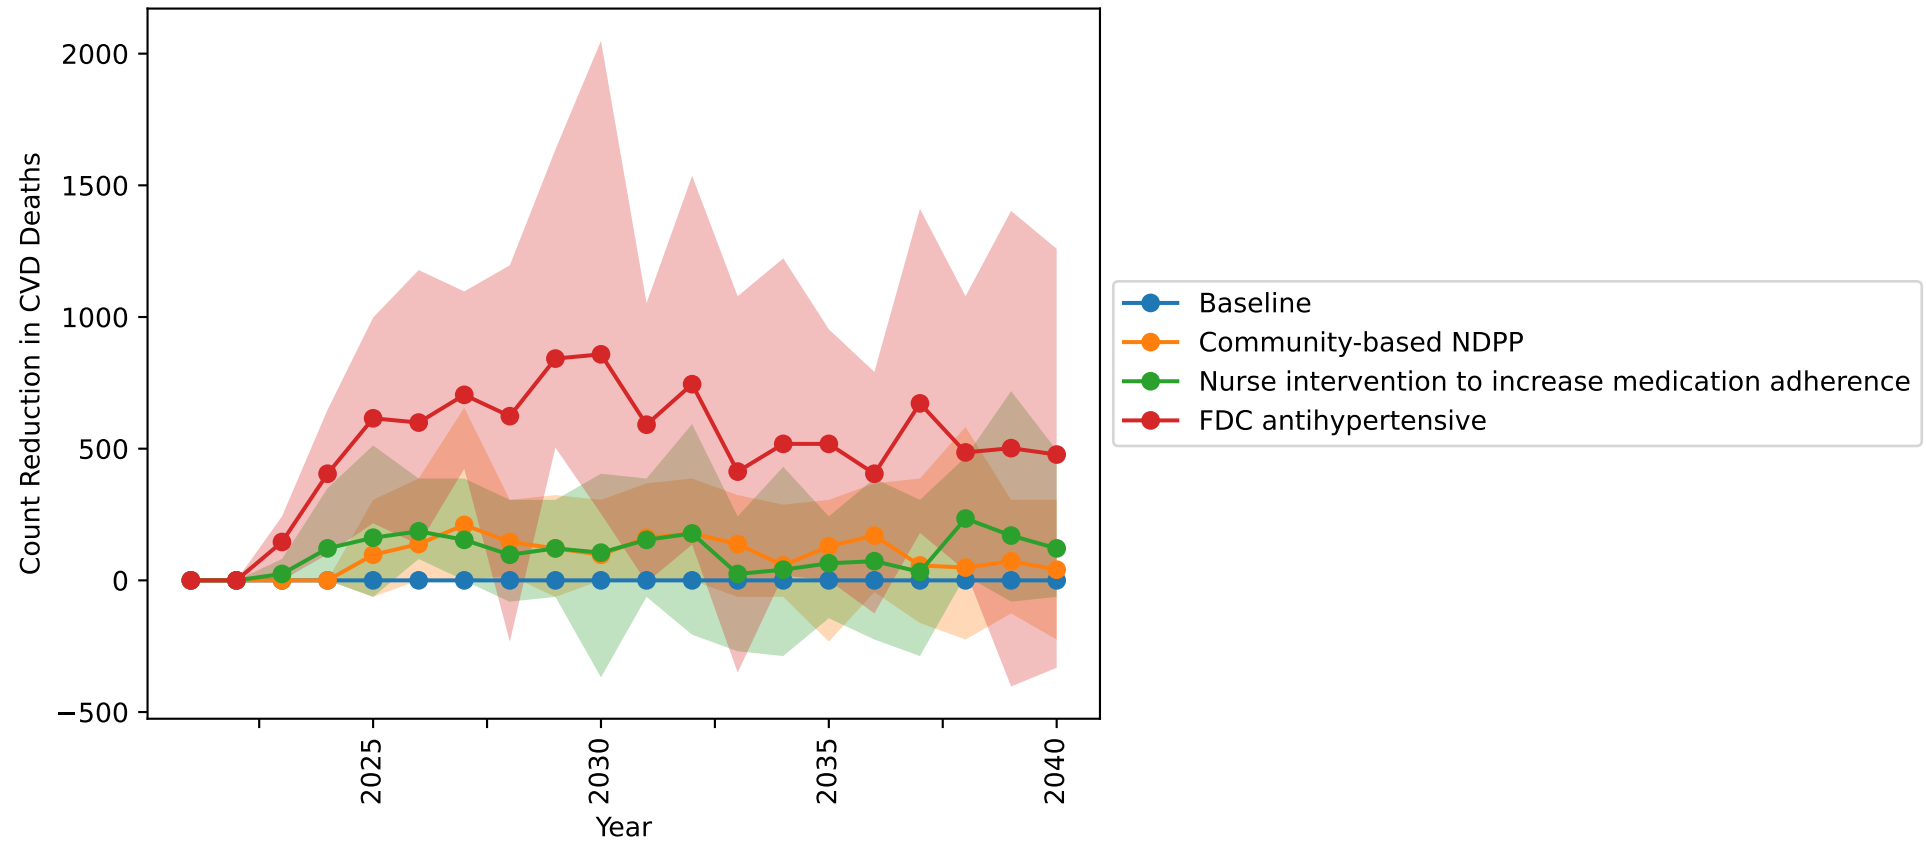

Count Reduction in CVD Deaths for Nevada and Male

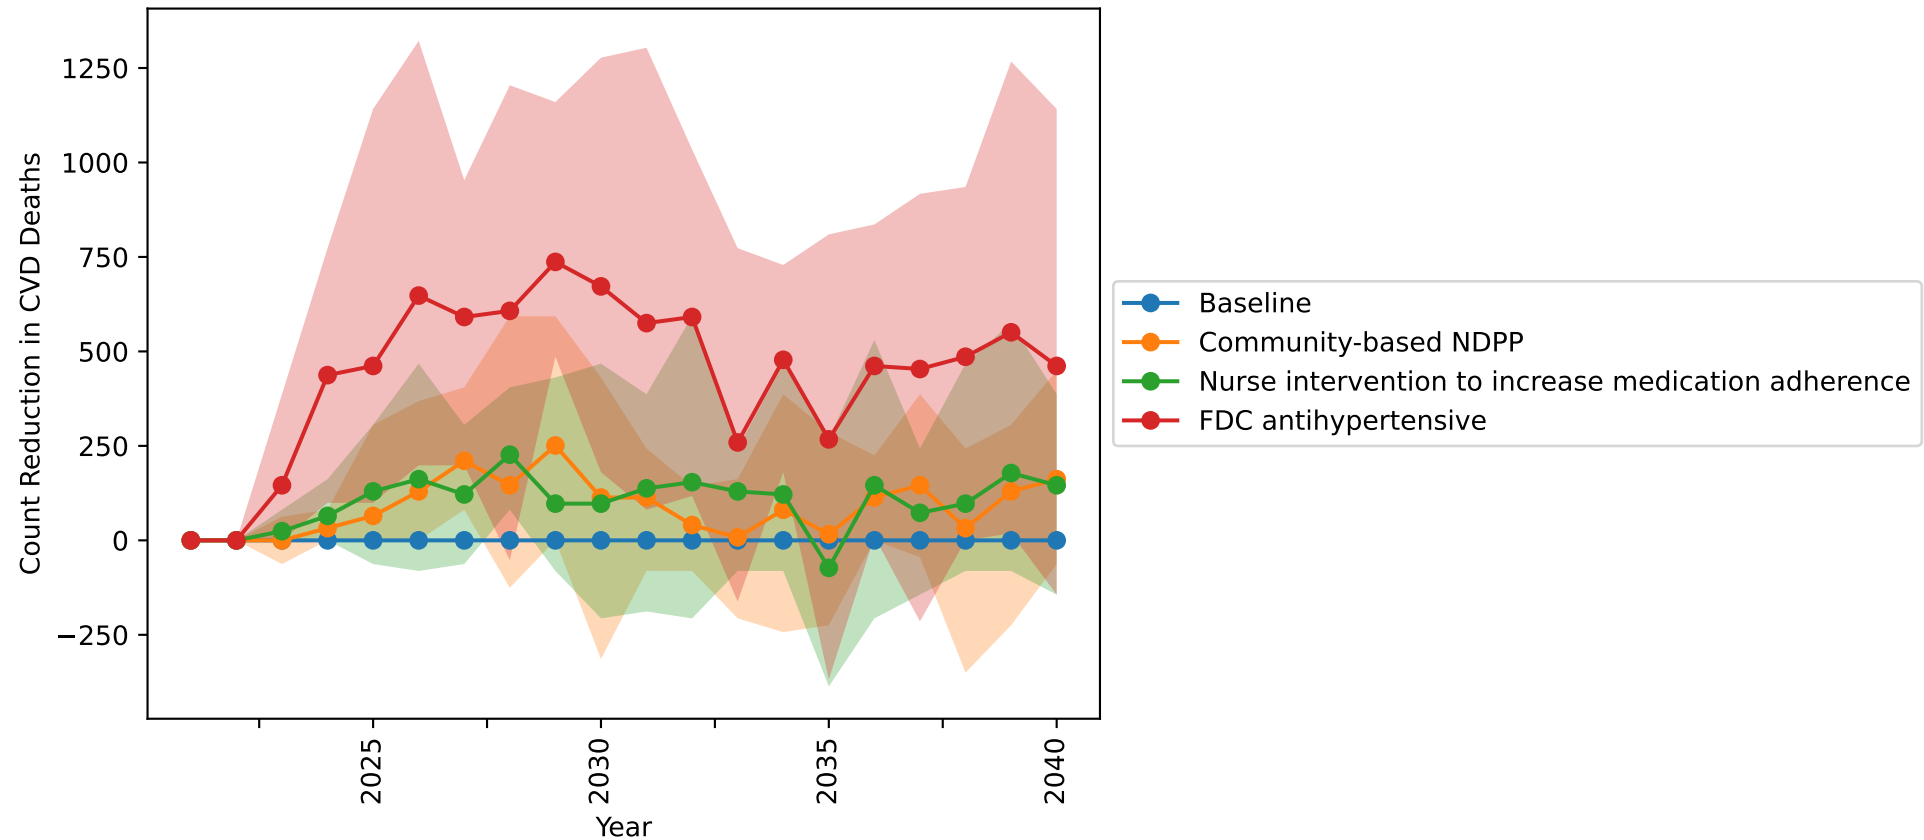

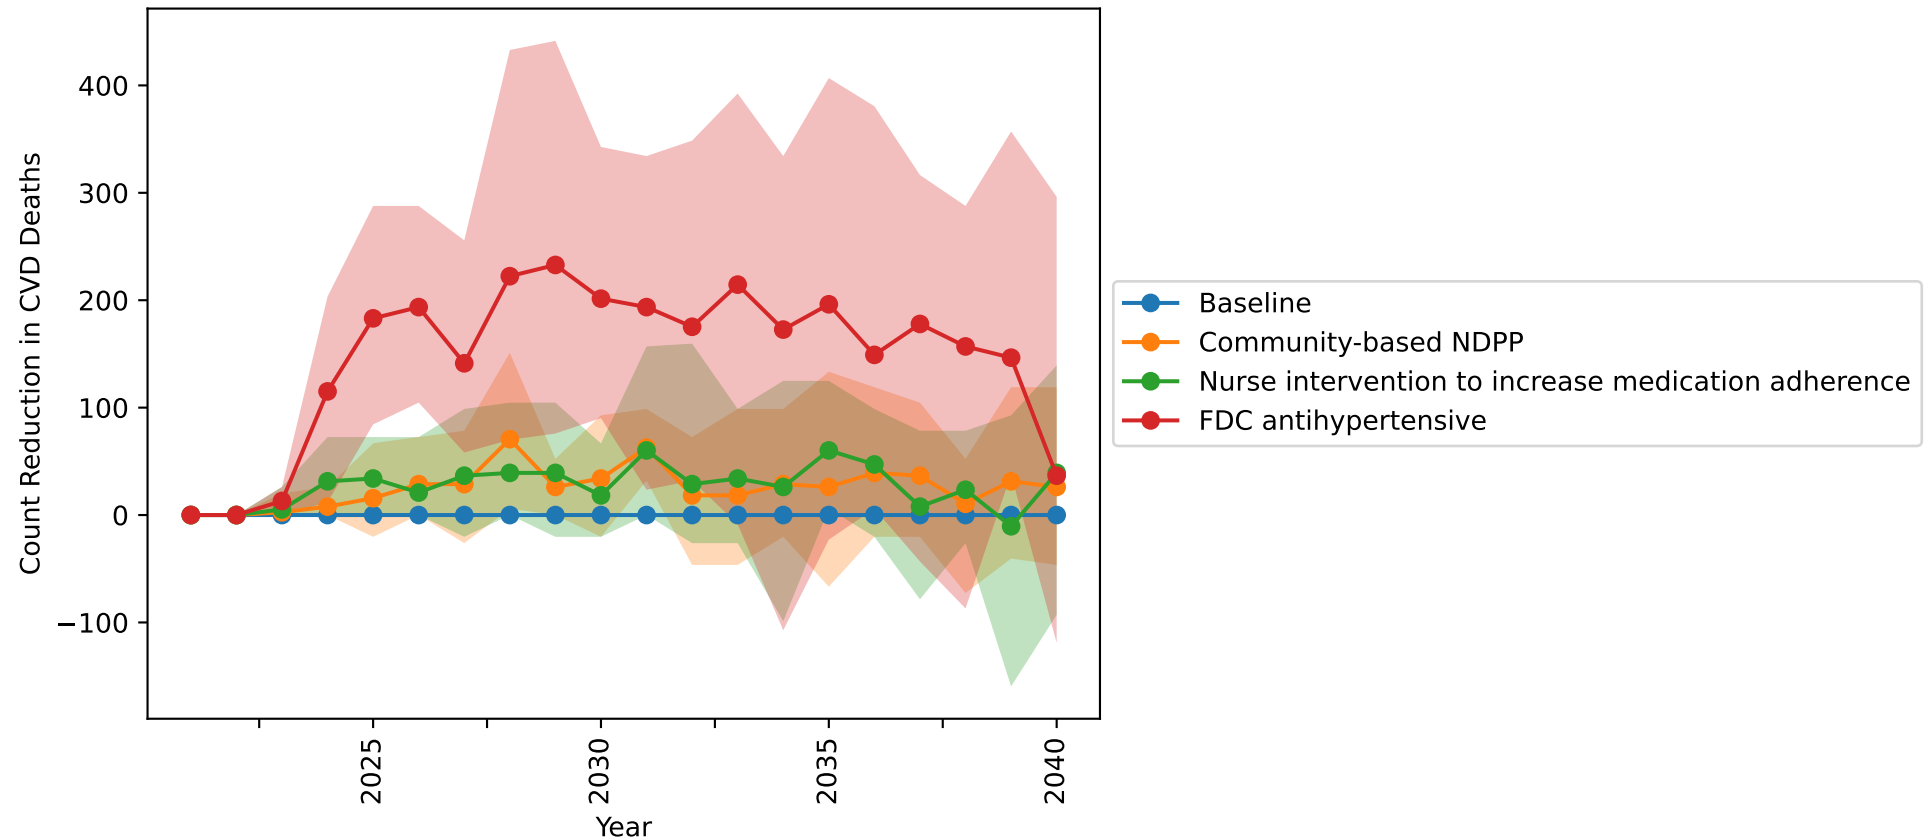

Count Reduction in CVD Deaths for Ohio and Female

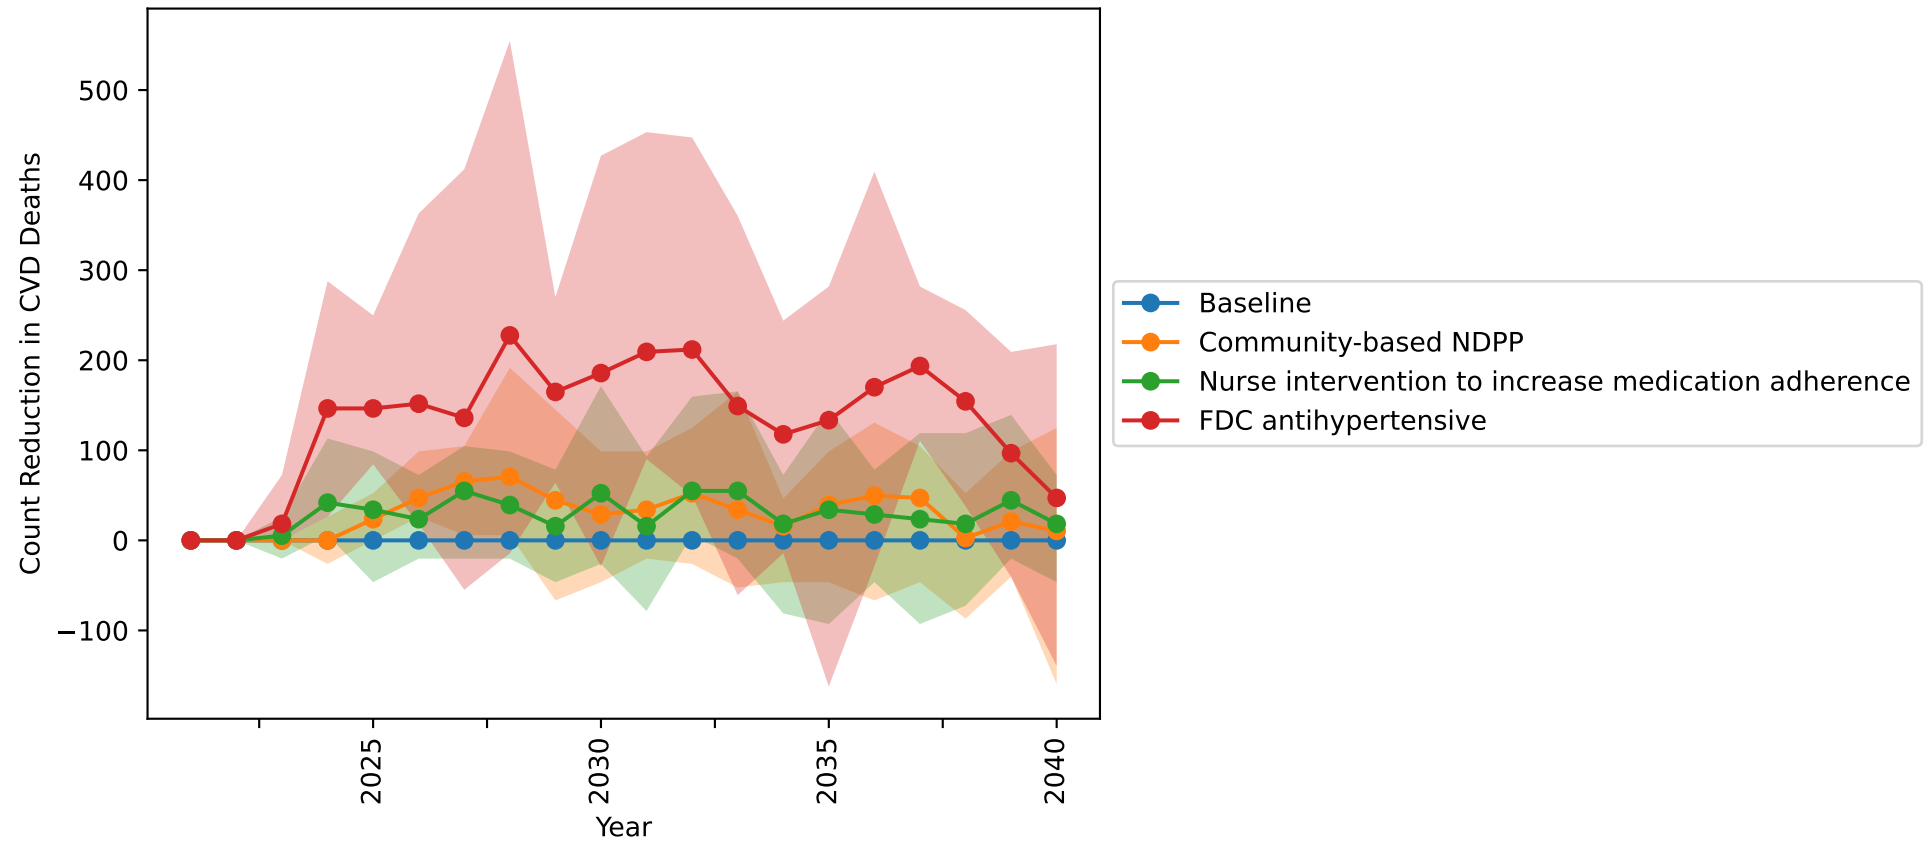

Count Reduction in CVD Deaths for Ohio and Male

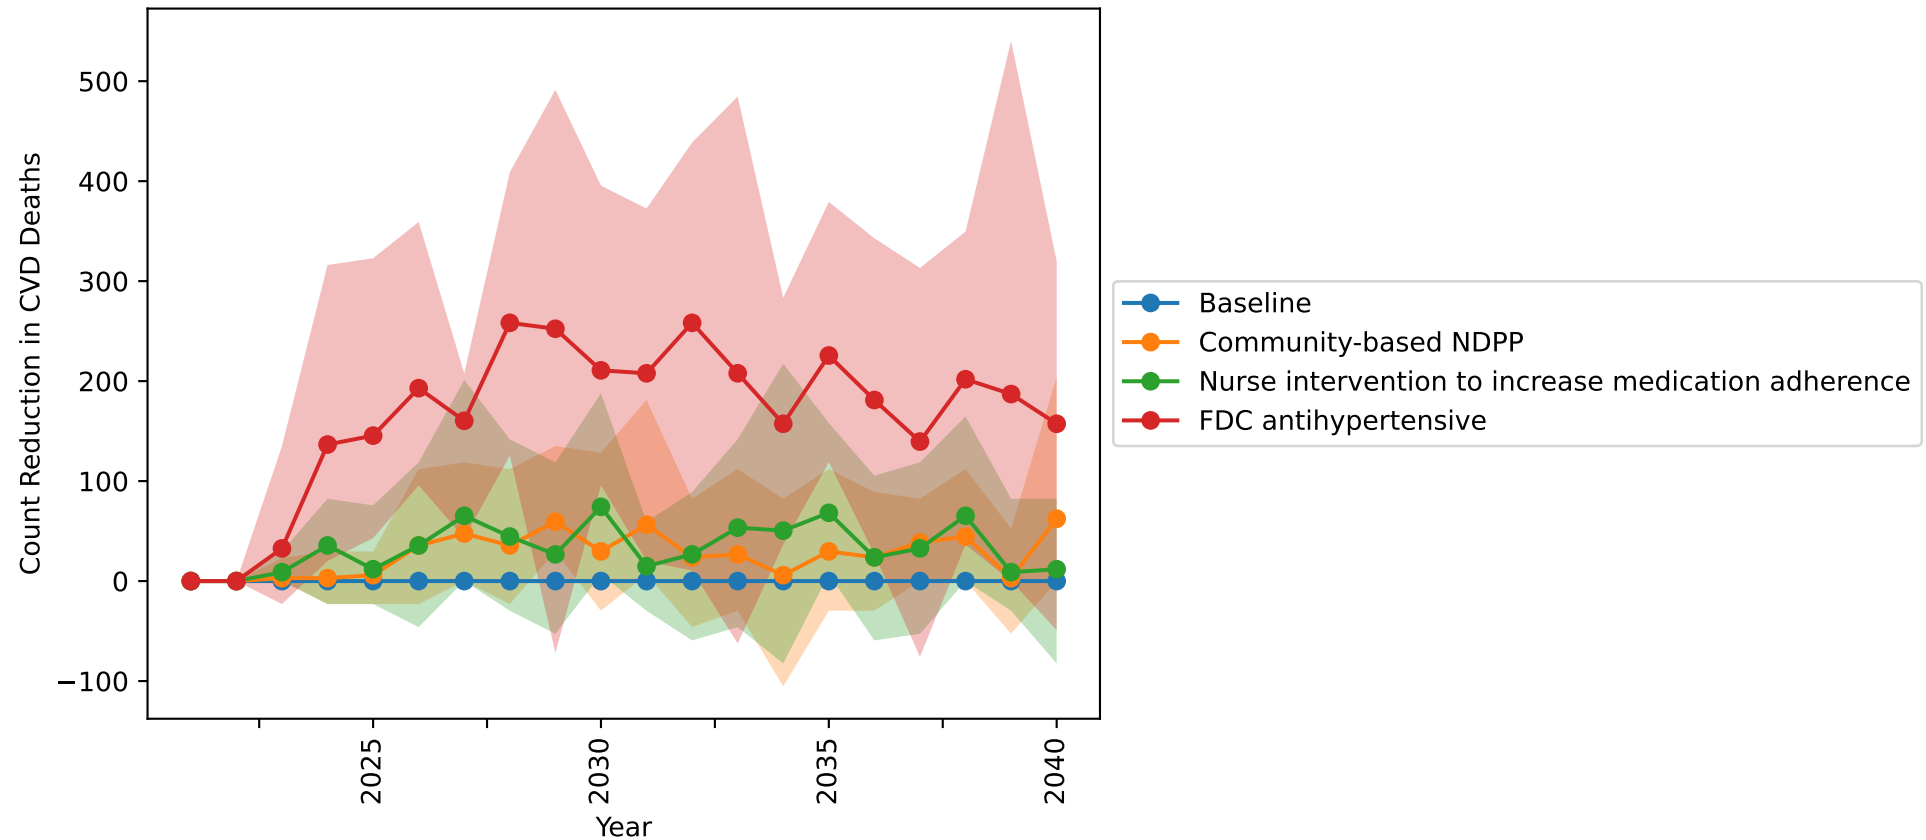

Count Reduction in CVD Deaths for Oklahoma and Female

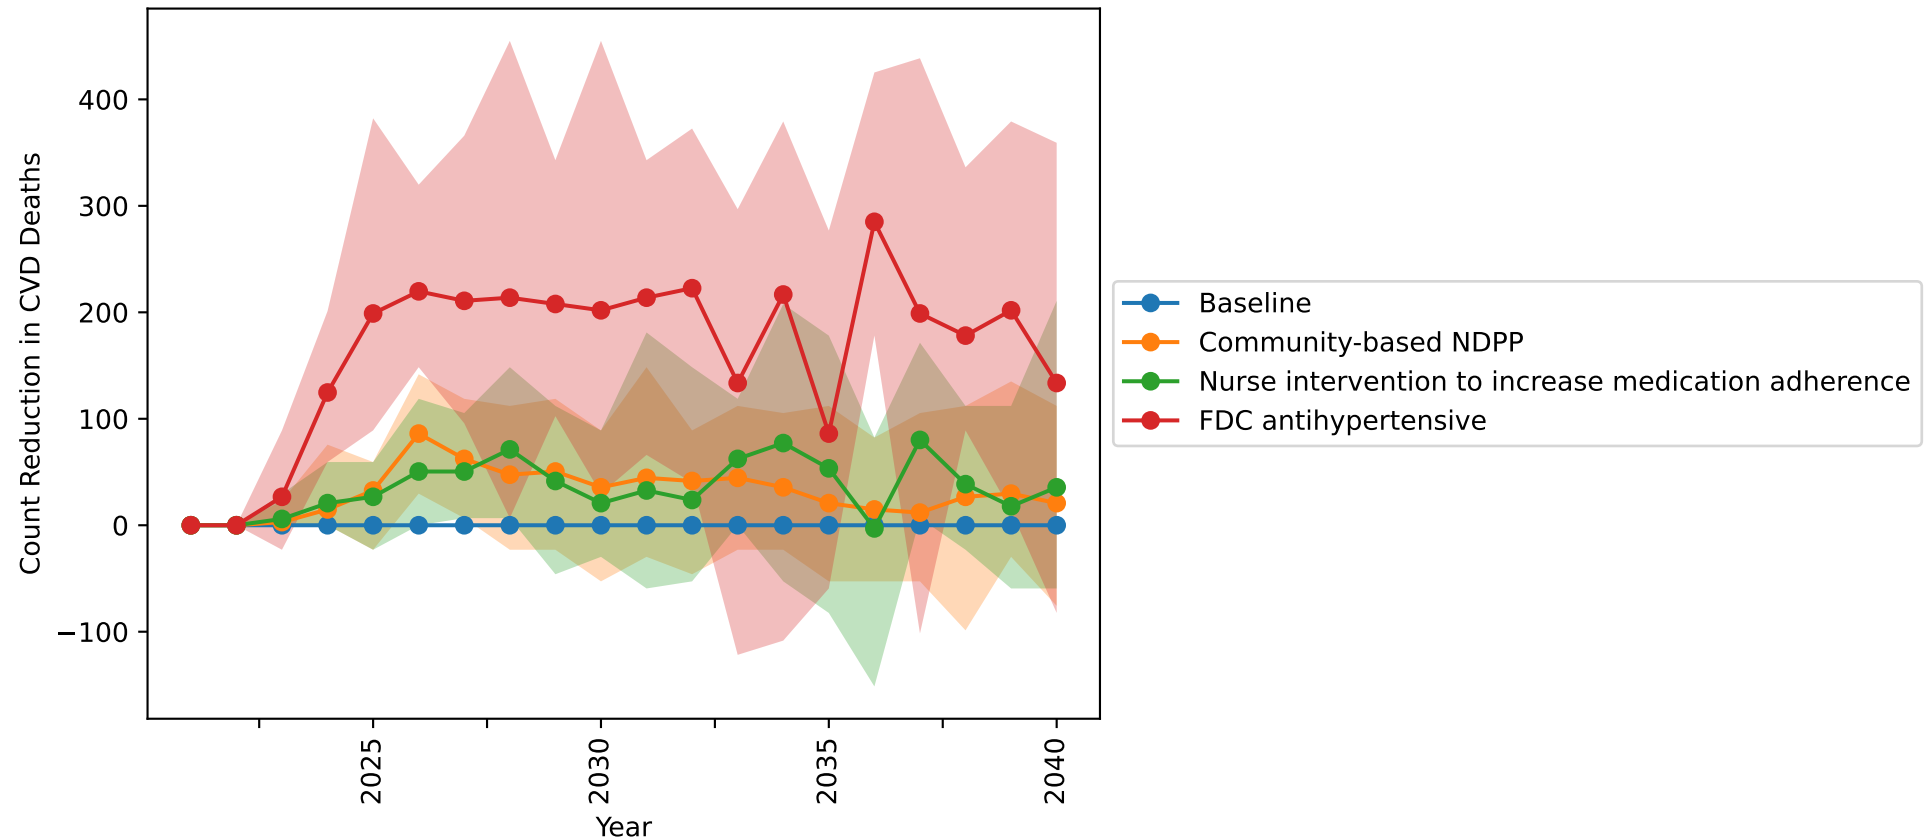

Count Reduction in CVD Deaths for Oklahoma and Male

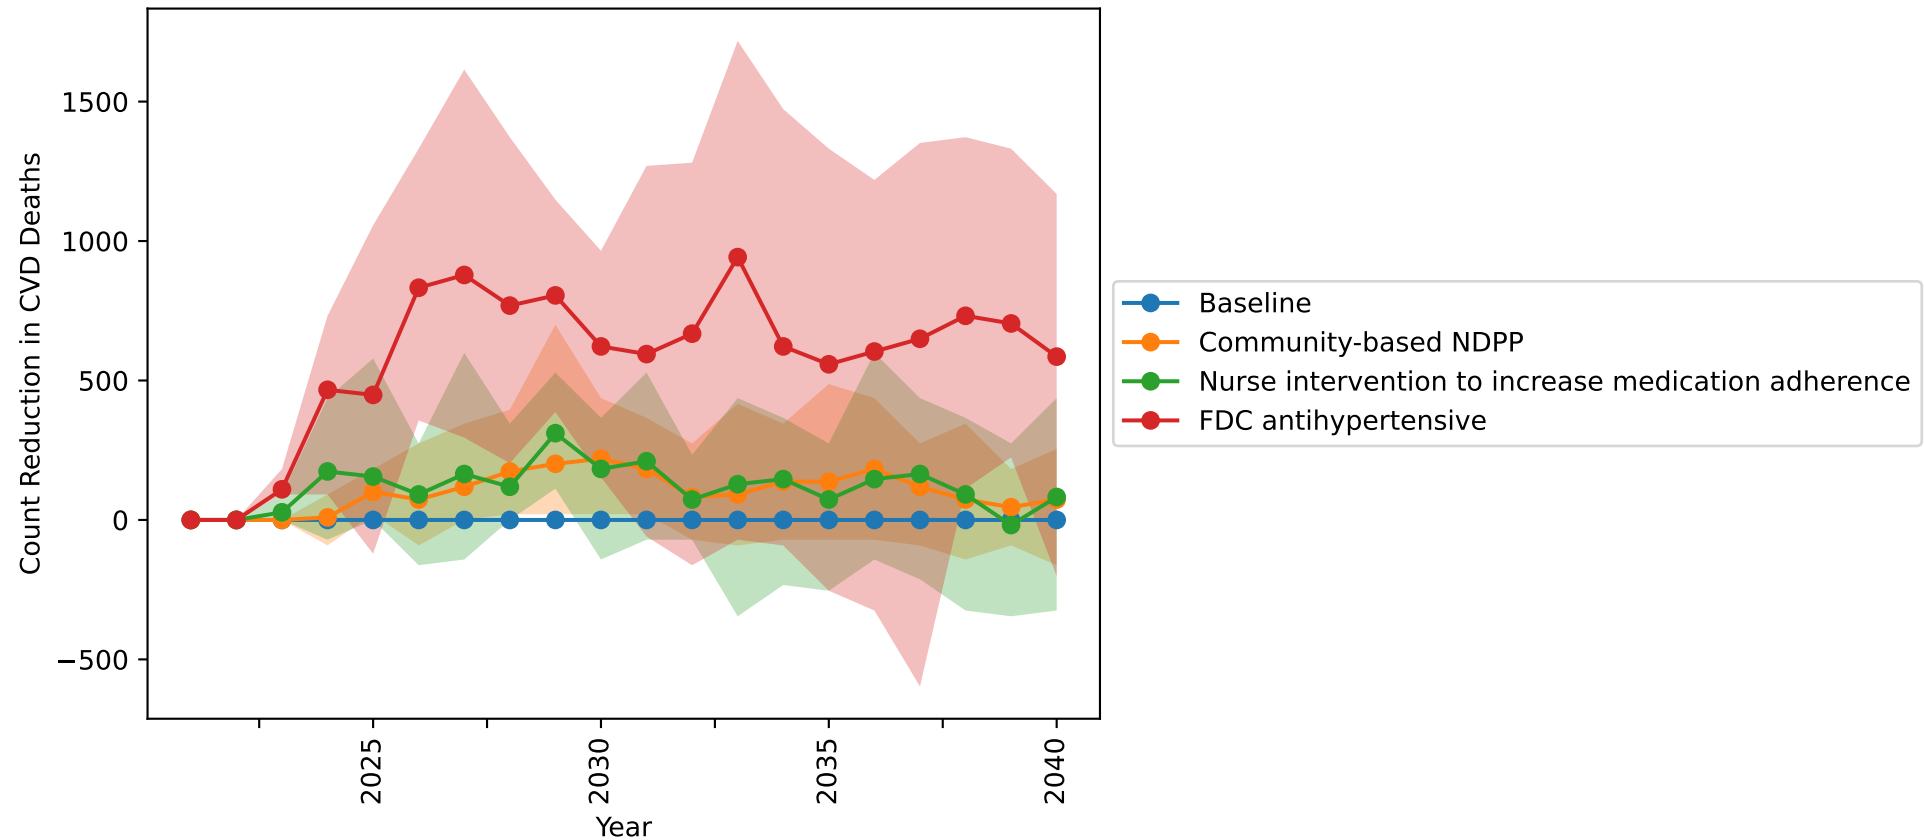

Count Reduction in CVD Deaths for Oregon and Female

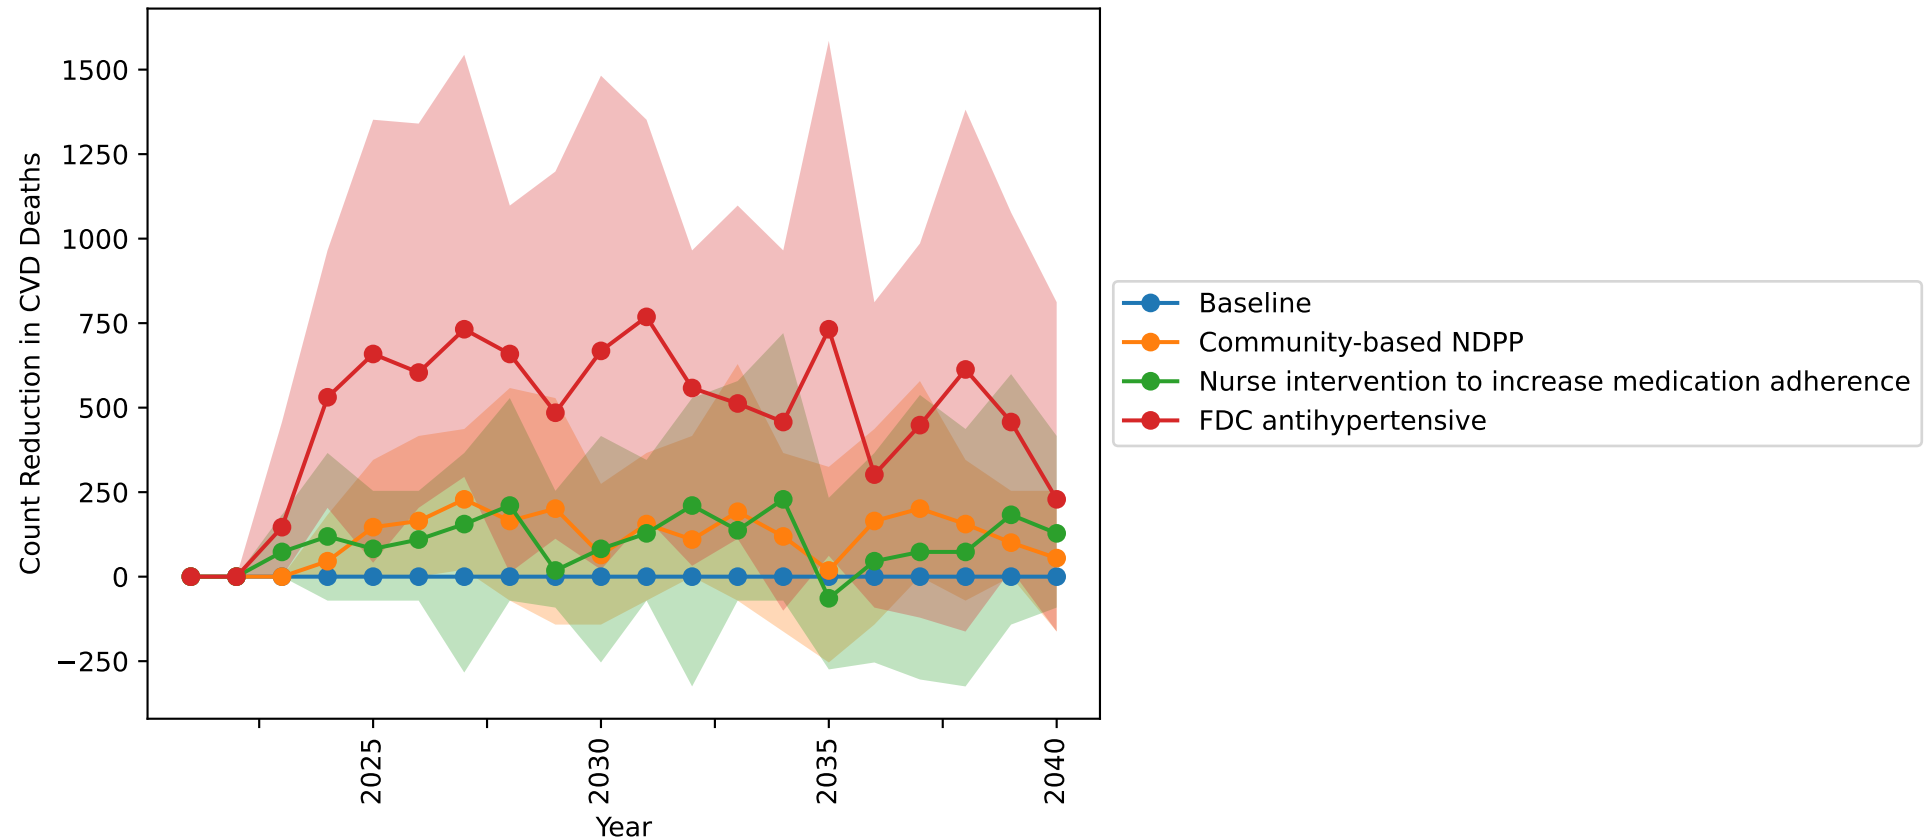

Count Reduction in CVD Deaths for Oregon and Male

Count Reduction in CVD Deaths for Pennsylvania and Female

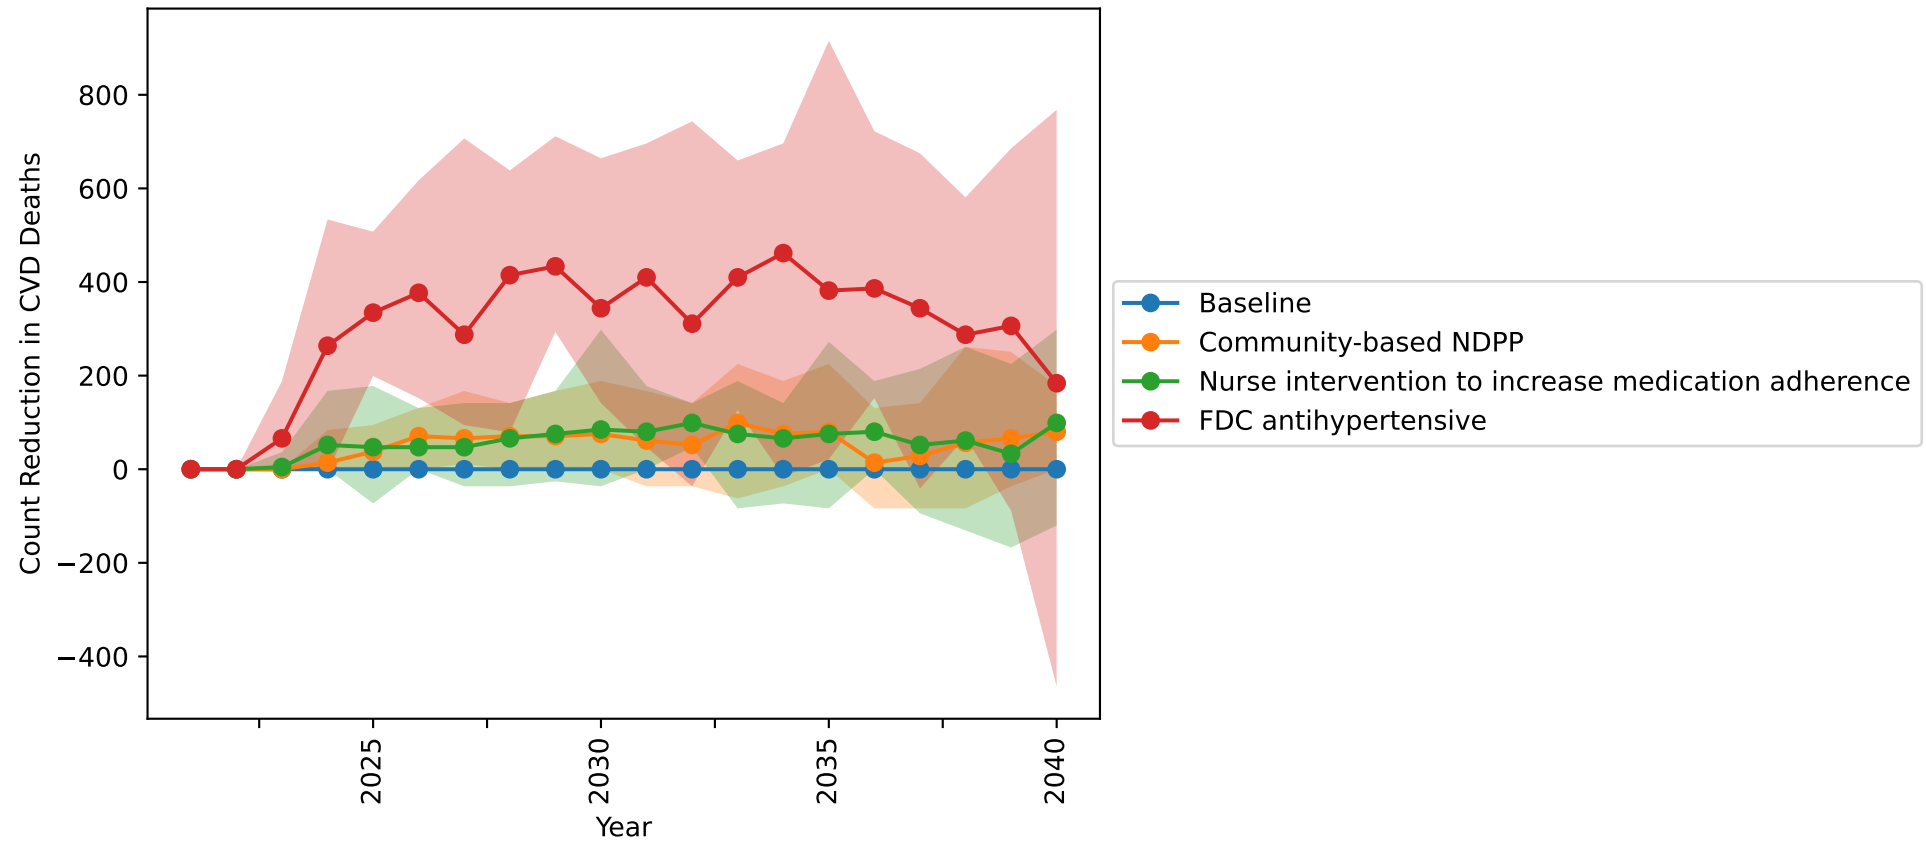

Count Reduction in CVD Deaths for Pennsylvania and Male

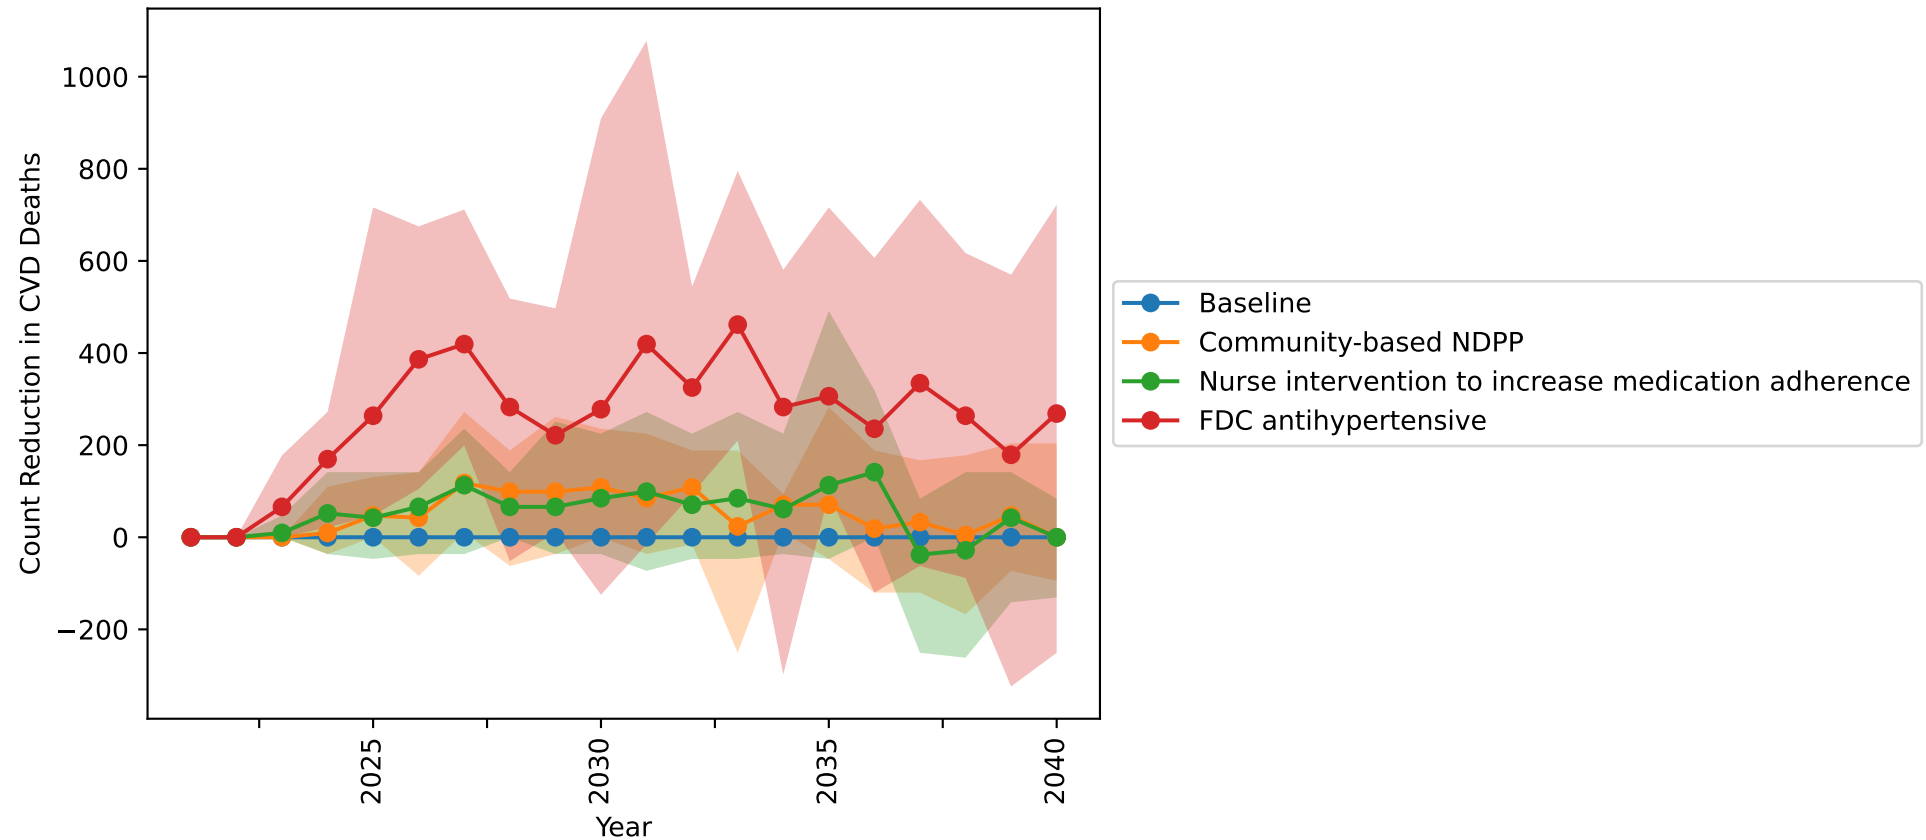

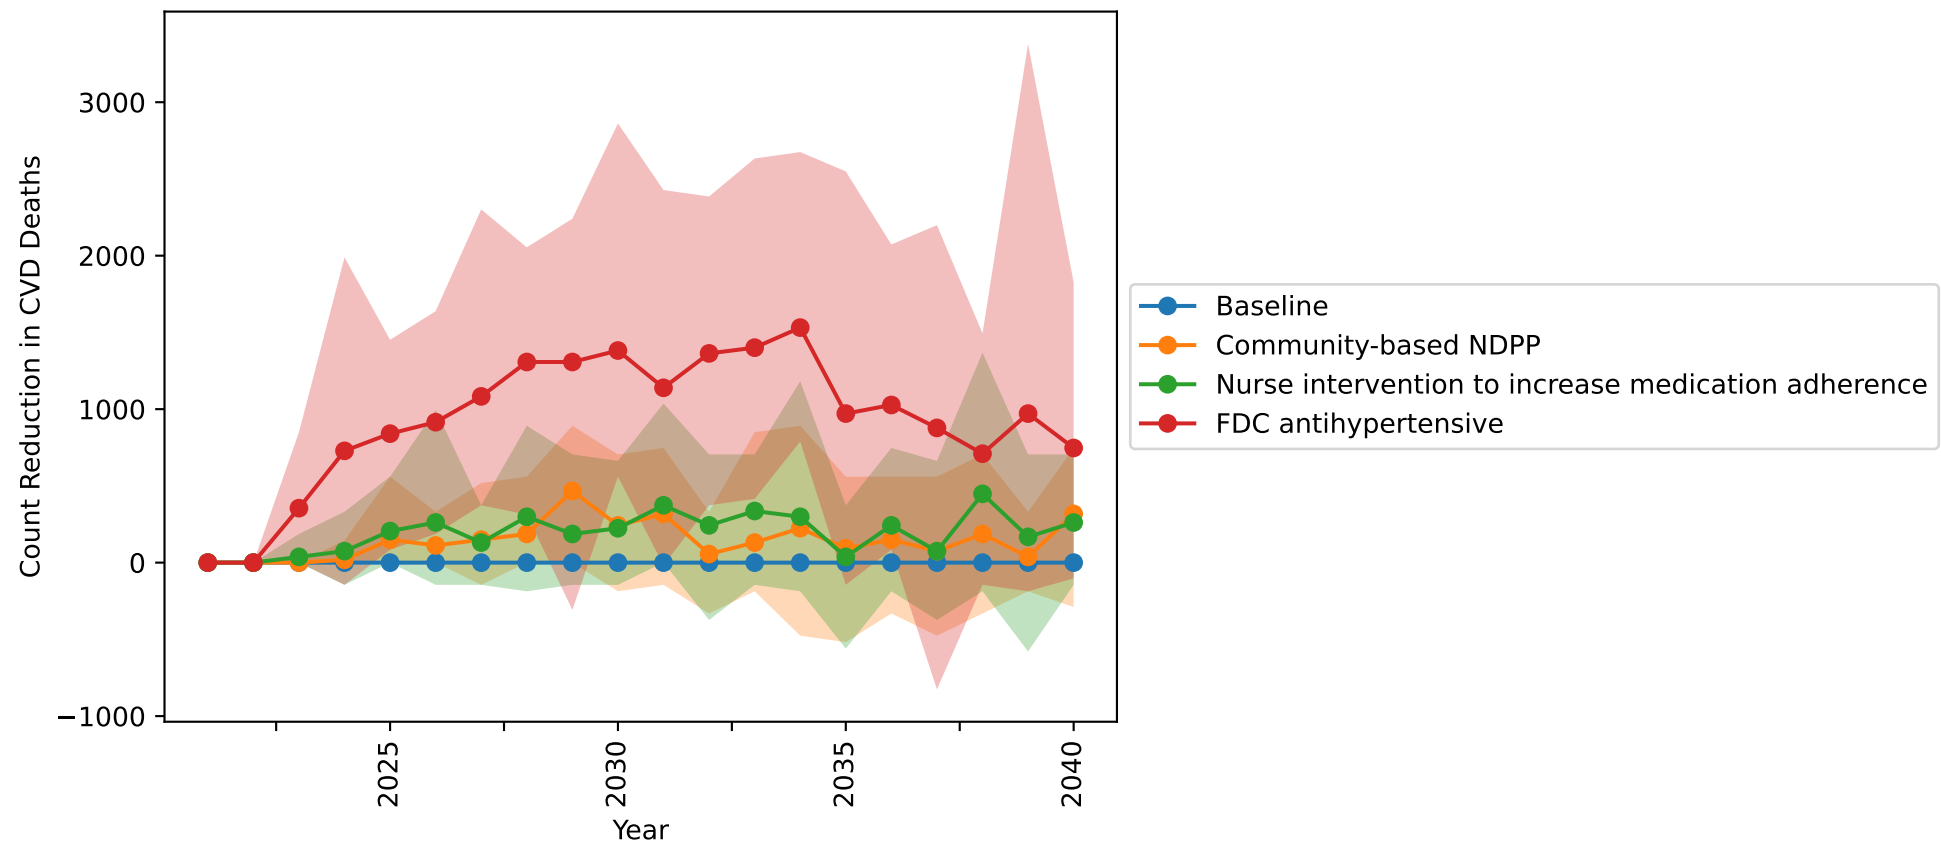

Count Reduction in CVD Deaths for Tennessee and Female

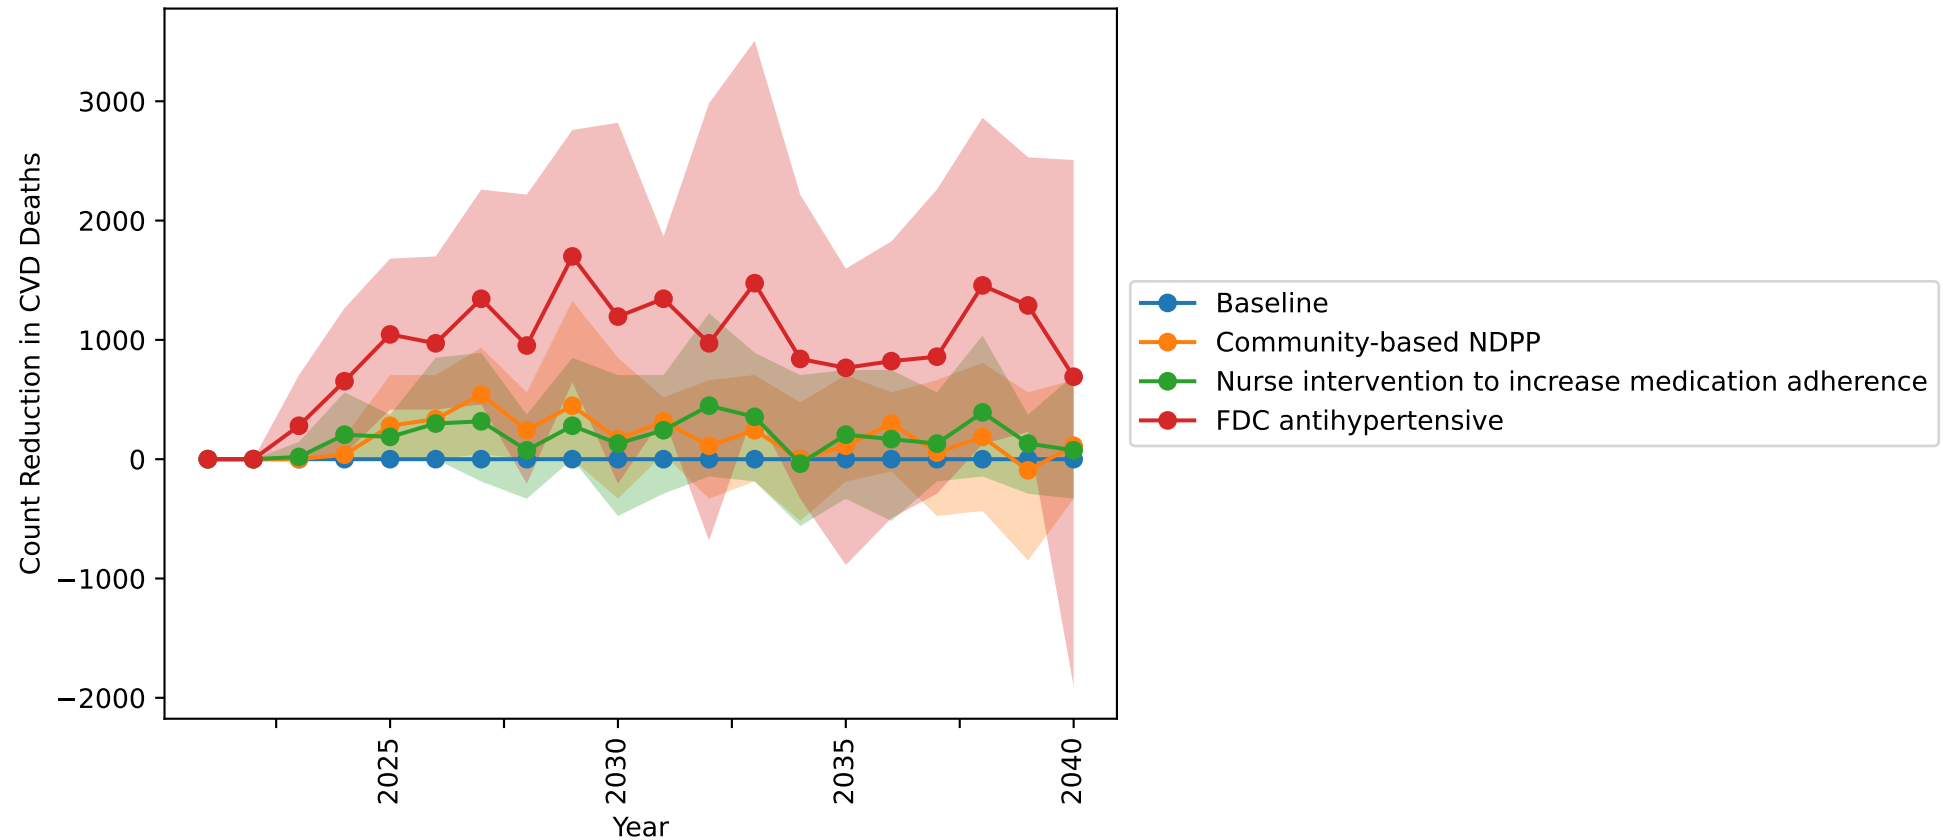

Count Reduction in CVD Deaths for Tennessee and Male

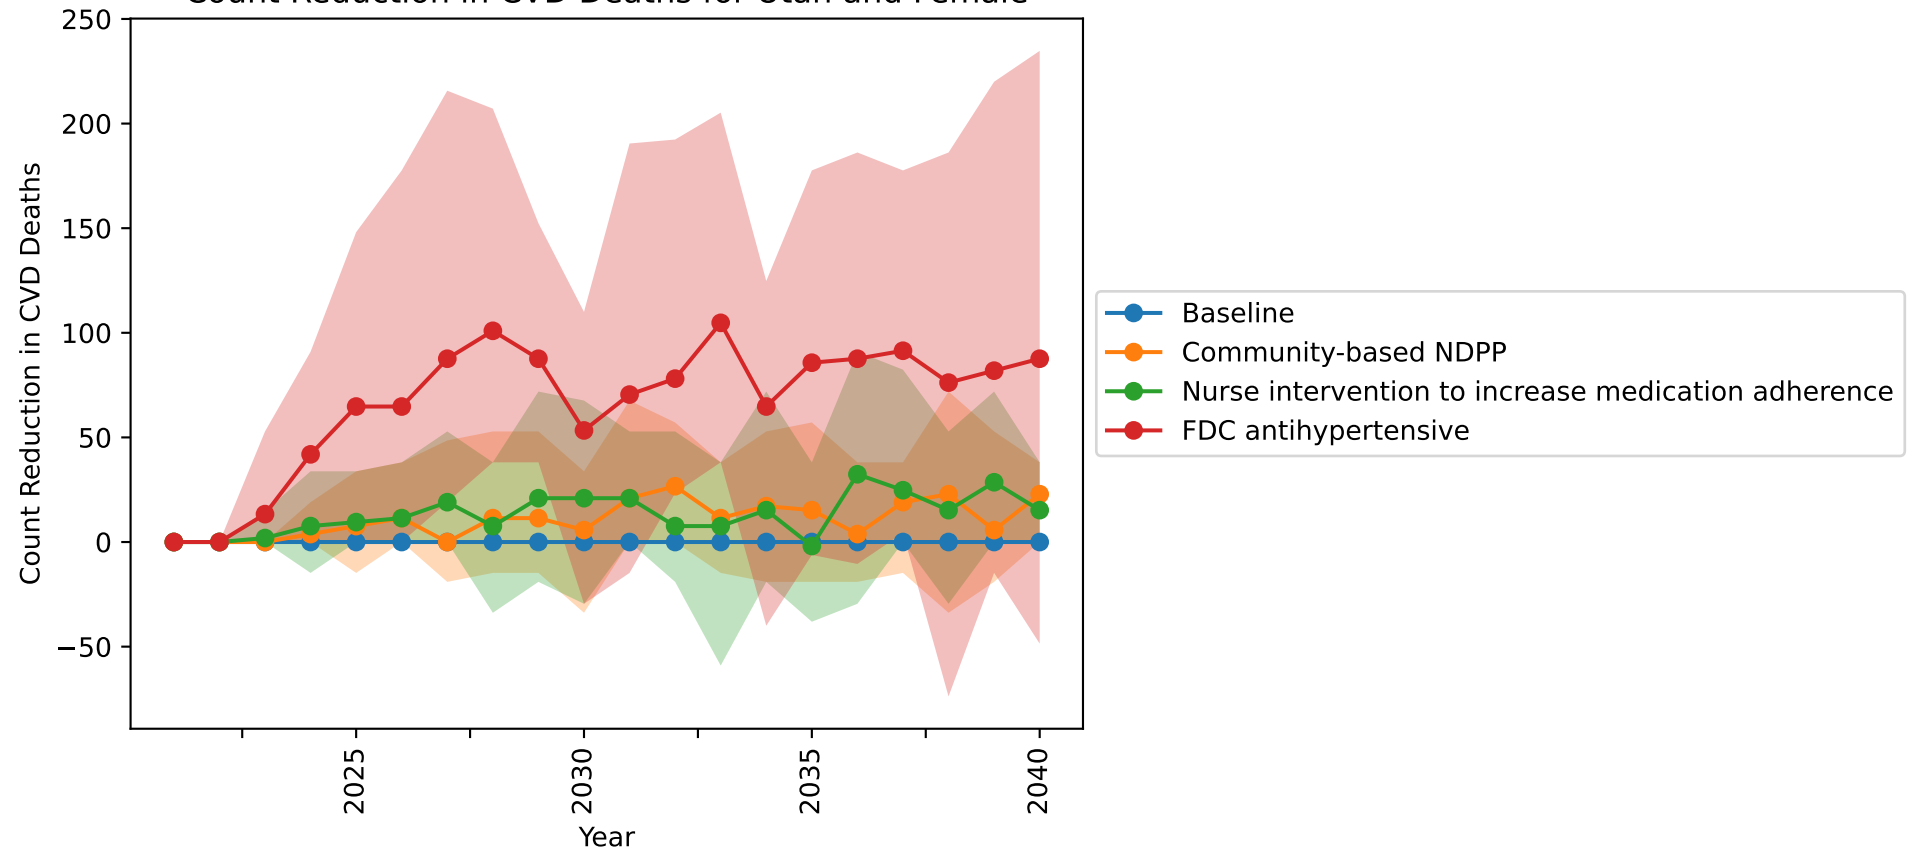

Count Reduction in CVD Deaths for Texas and Female

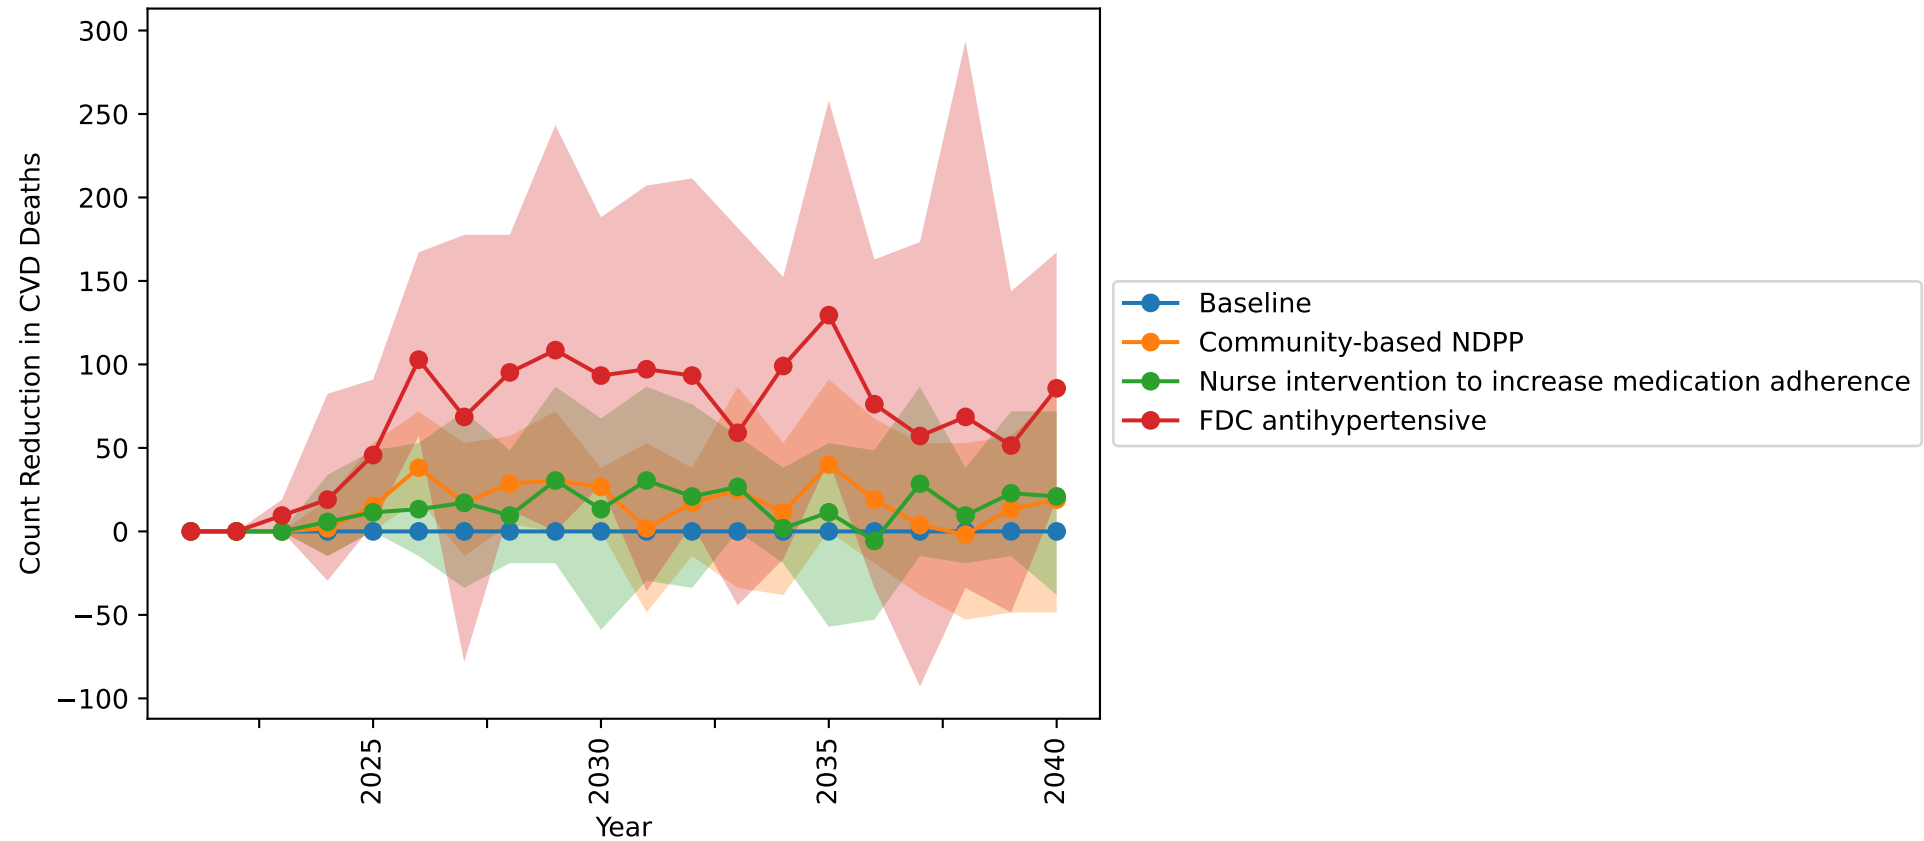

Count Reduction in CVD Deaths for Texas and Male

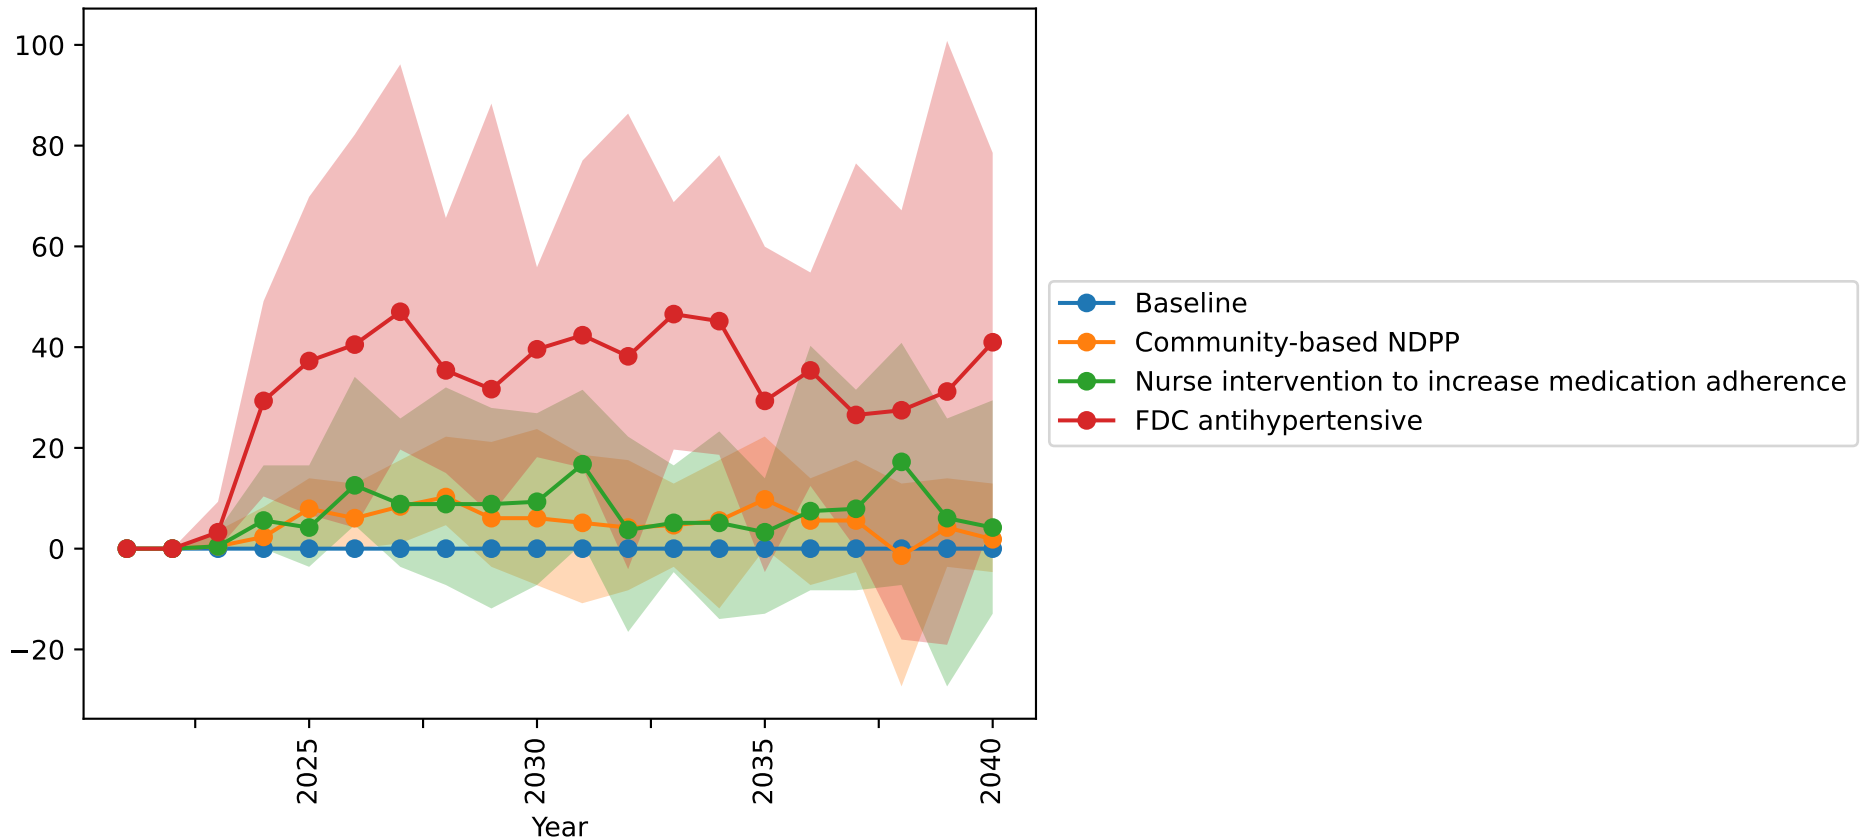

Count Reduction in CVD Deaths for Utah and Female

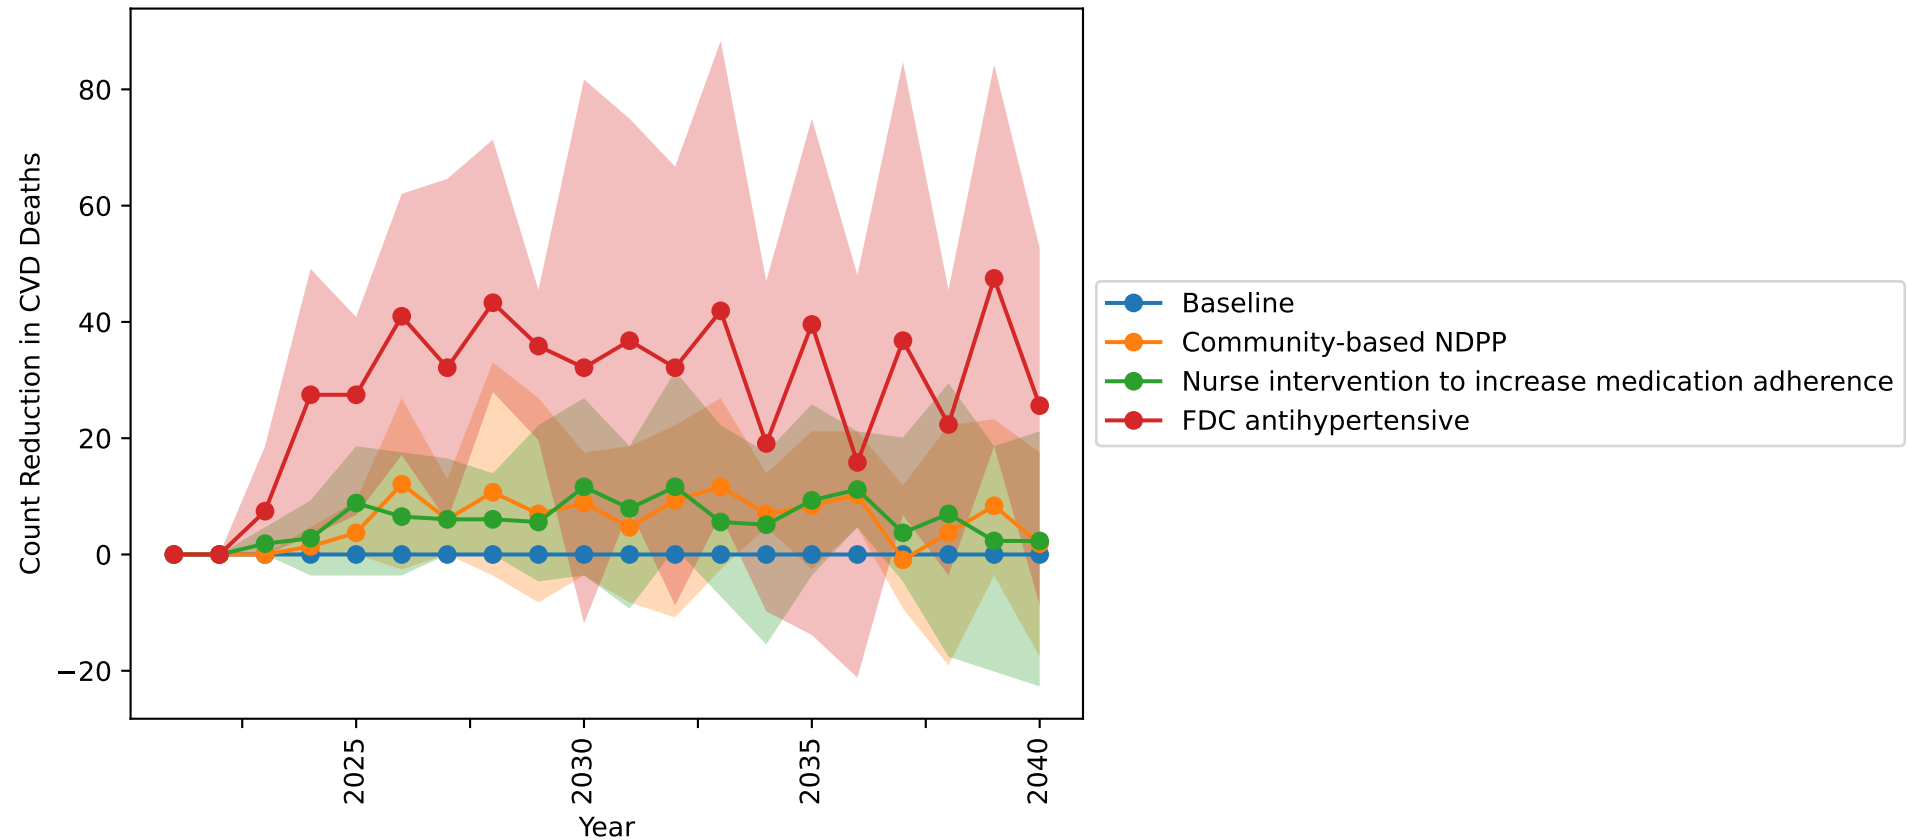

Count Reduction in CVD Deaths for Utah and Male

Count Reduction in CVD Deaths for Vermont and Female

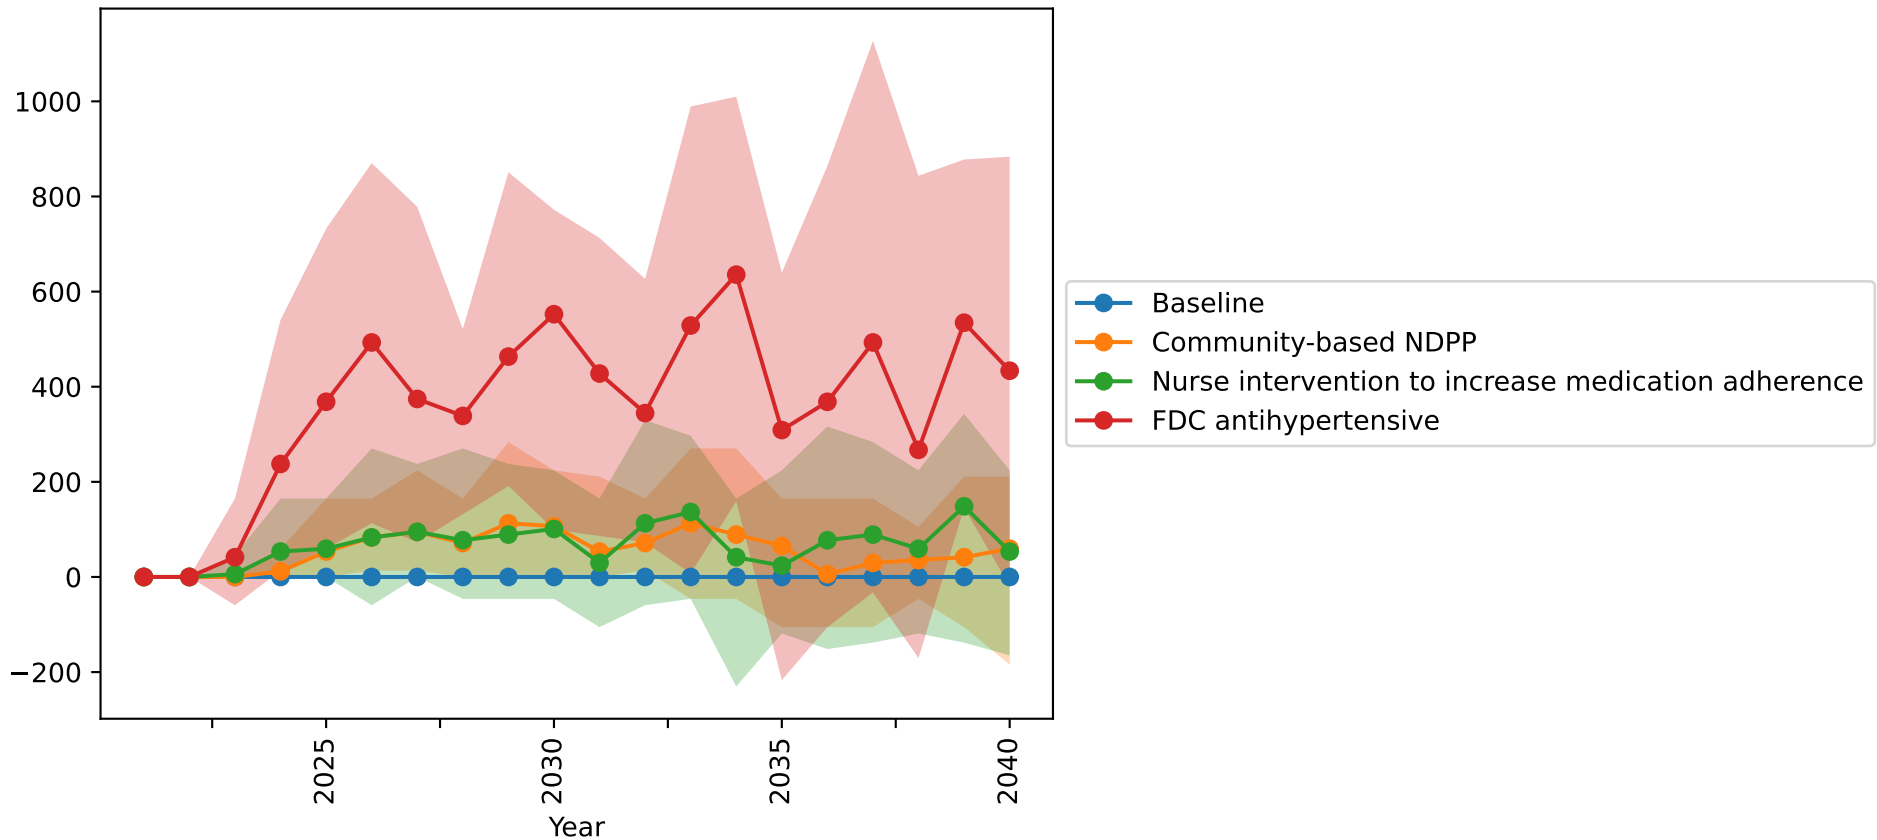

Count Reduction in CVD Deaths for Vermont and Male

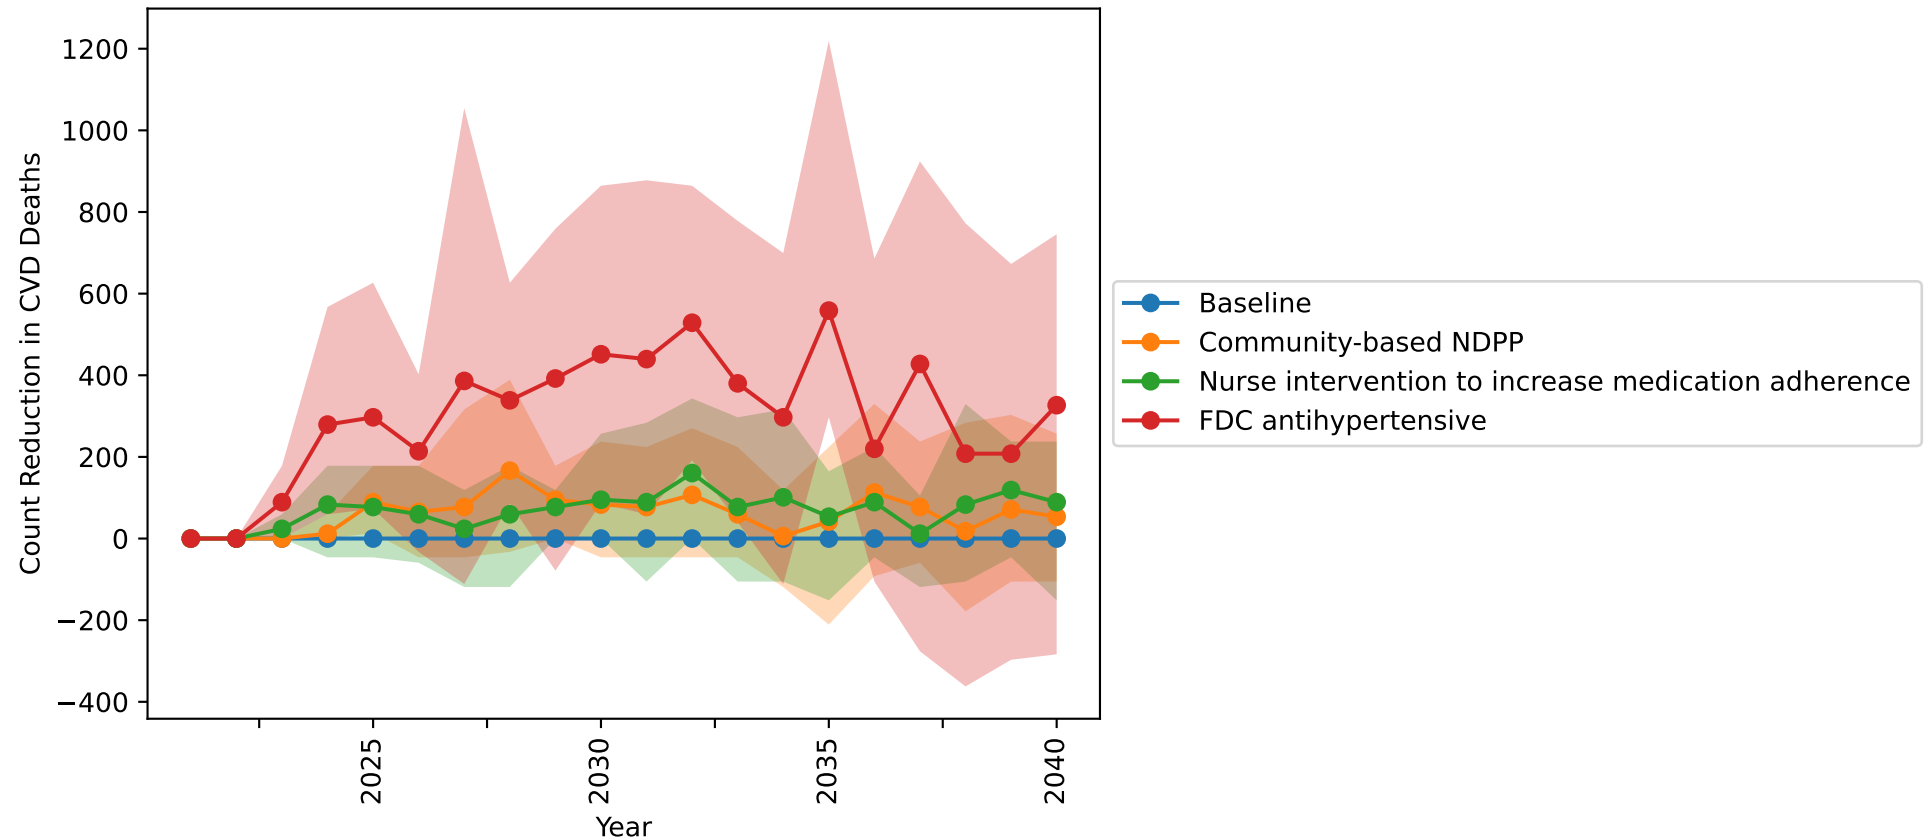

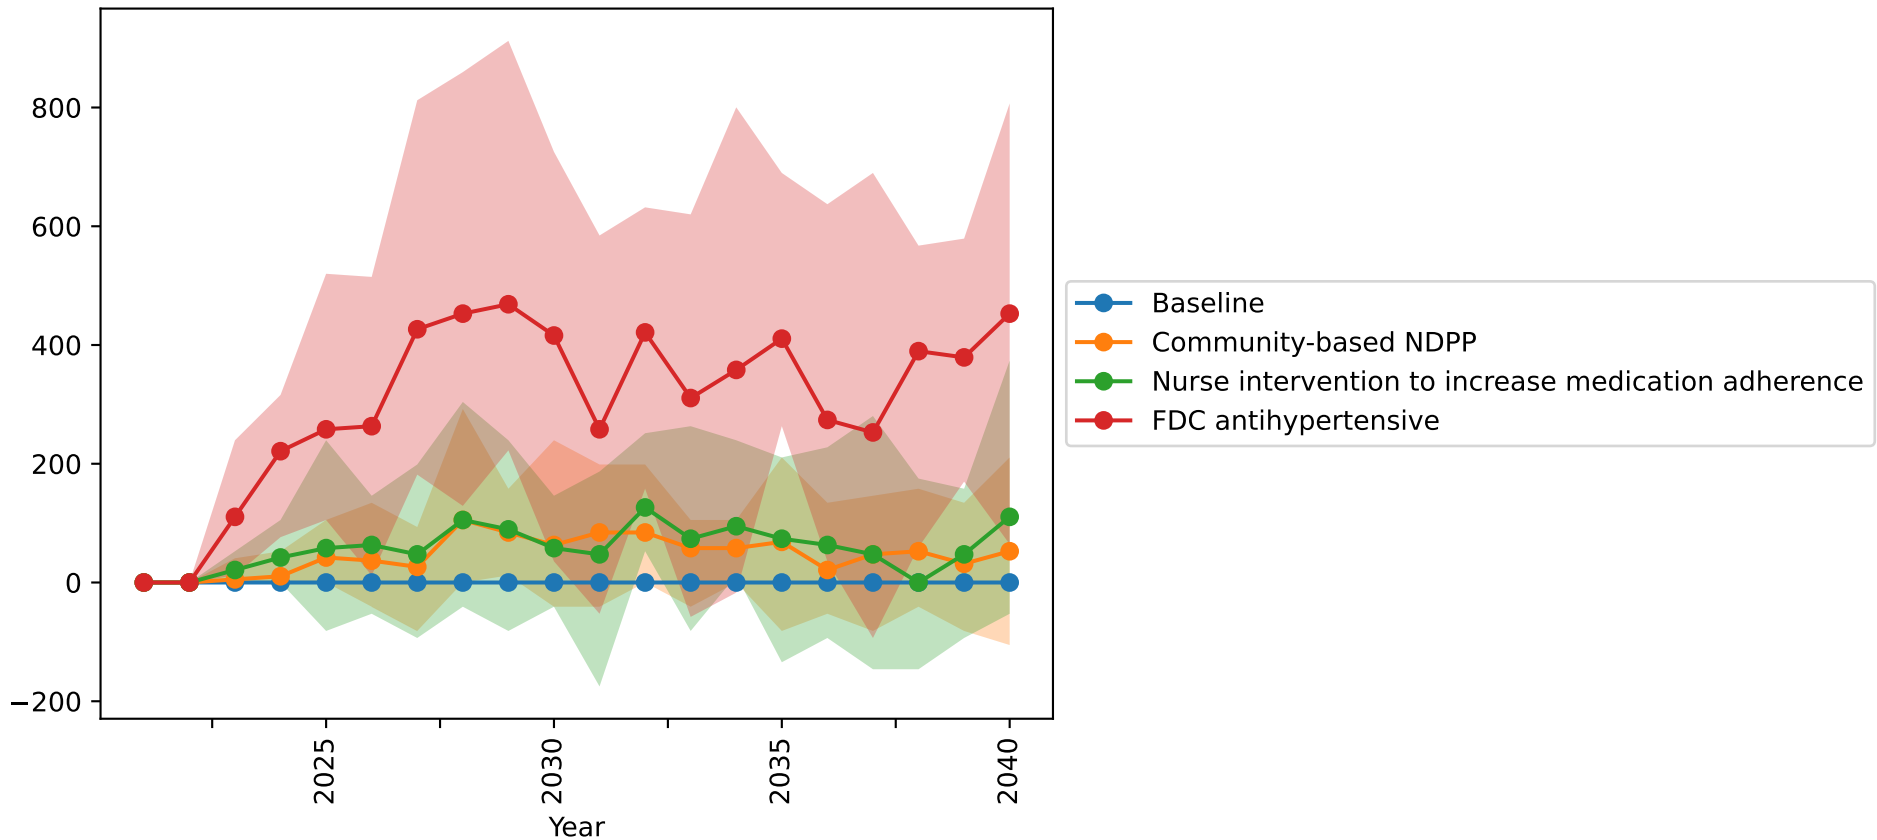

Count Reduction in CVD Deaths for Virginia and Female

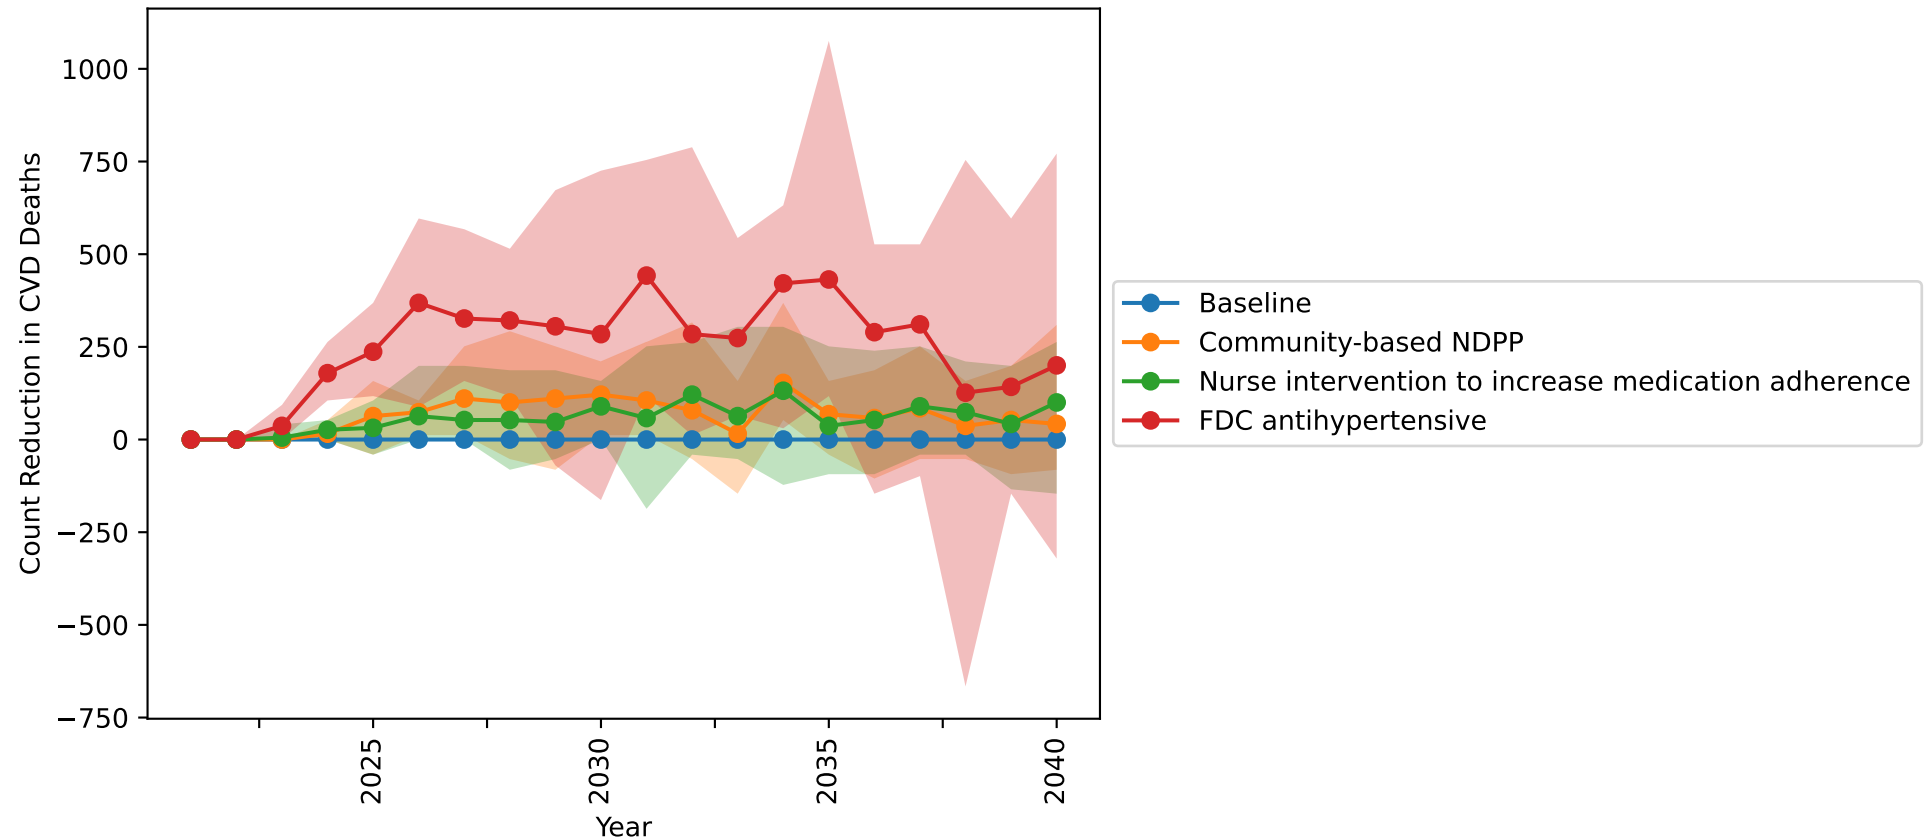

Count Reduction in CVD Deaths for Virginia and Male

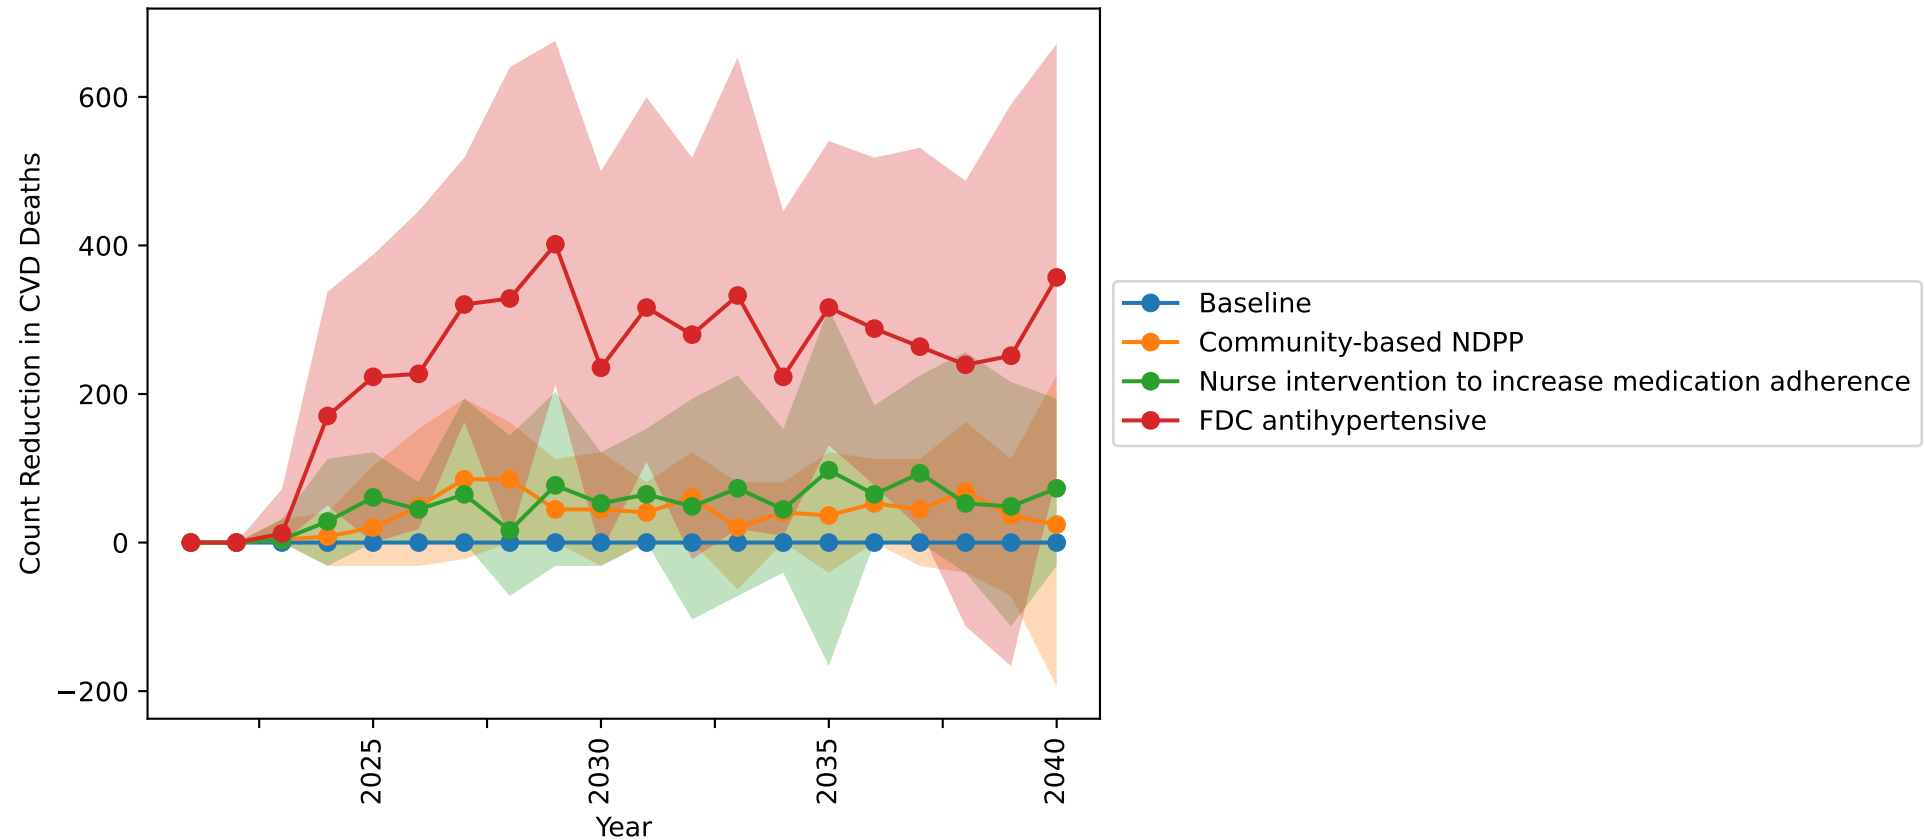

Count Reduction in CVD Deaths for Washington and Female

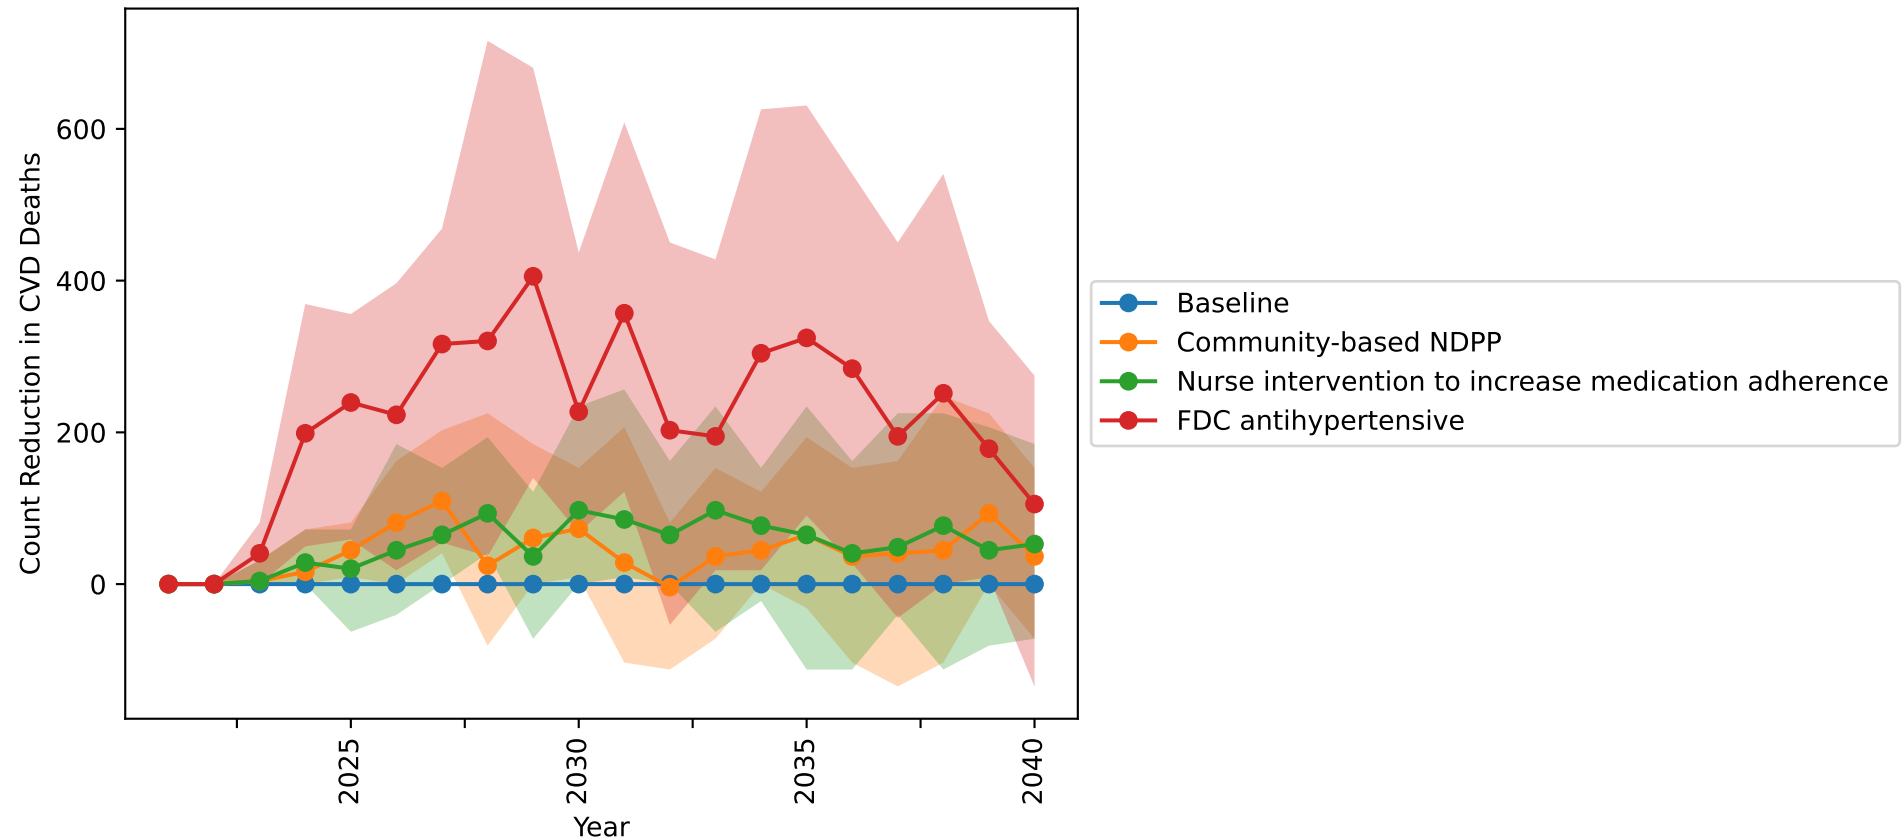

Count Reduction in CVD Deaths for Washington and Male

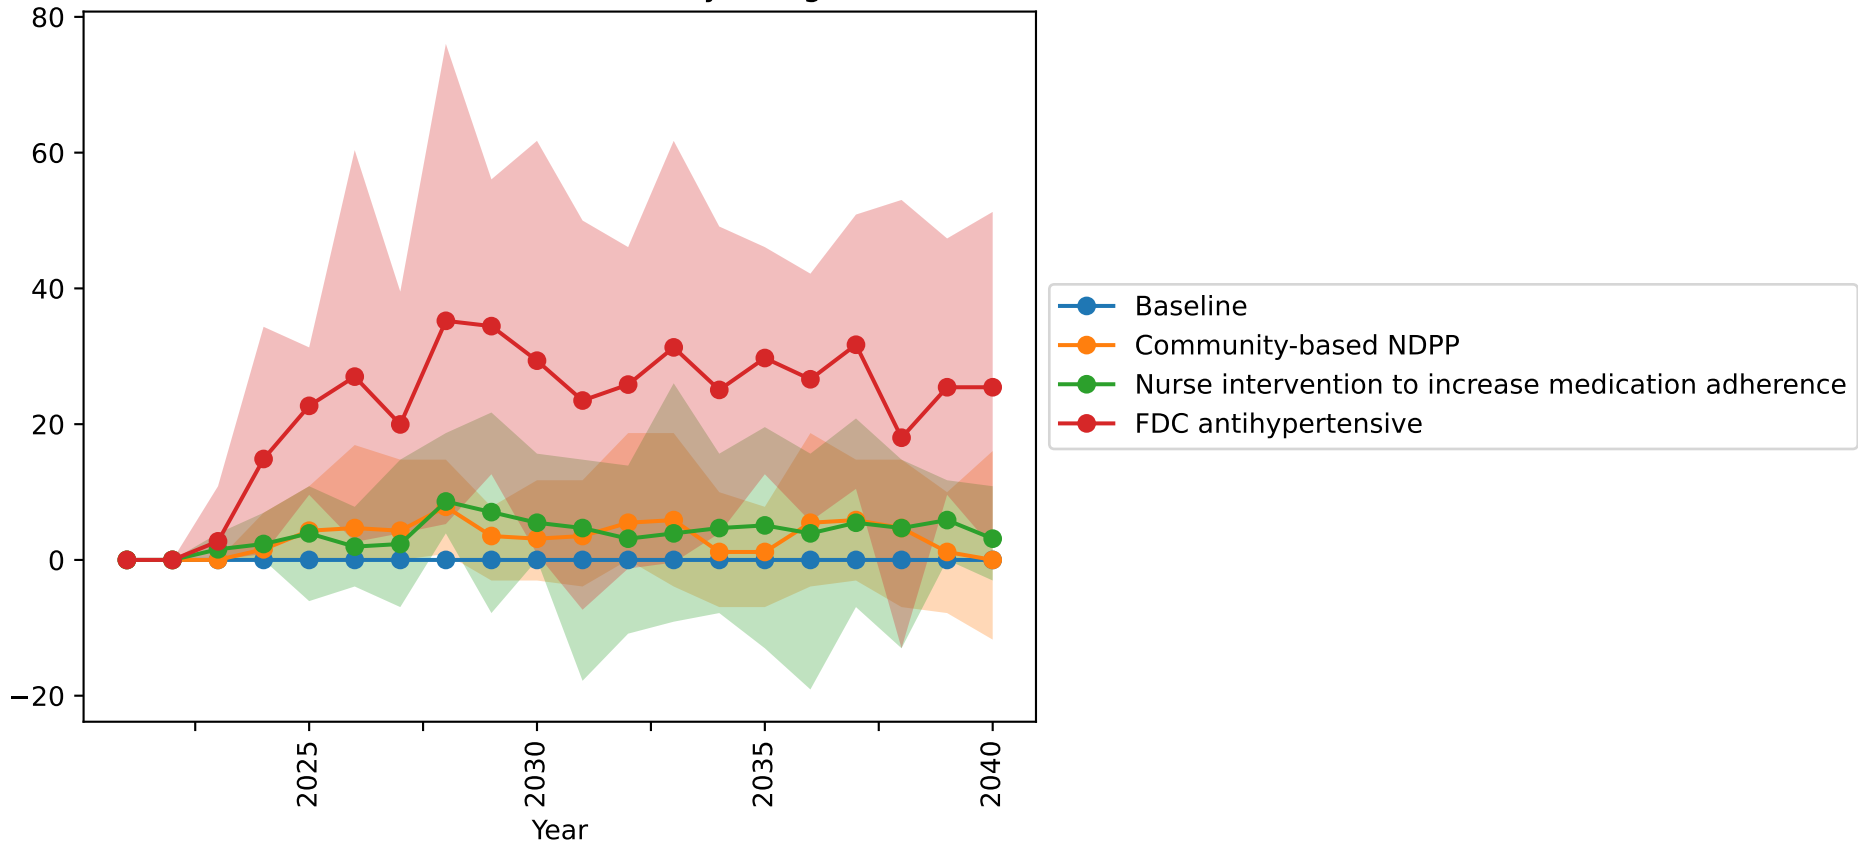

Count Reduction in CVD Deaths for Wisconsin and Female

Count Reduction in CVD Deaths for Wisconsin and Male

Count Reduction in CVD Deaths for Wyoming and Female

Count Reduction in CVD Deaths for Wyoming and Male
